

tives of the Declaration of the Indian Ocean as a Zone of Peace,

Considering that all other foreign military presence in the area, whenever it is contrary to the objectives of the Declaration of the Indian Ocean as a Zone of Peace and the purposes and principles of the Charter of the United Nations, gives even greater urgency to the need to take practical steps towards the early achievement of the objectives of the Declaration,

Considering also that the creation of a zone of peace in the Indian Ocean requires the active participation of and full co-operation among the littoral and hinterland States, the permanent members of the Security Council and the major maritime users to ensure conditions of peace and security based on the purposes and principles of the Charter as well as the general principles of international law,

Considering further that the creation of a zone of peace requires co-operation and agreement among the States of the region to ensure conditions of peace and security within the area, as envisaged in the Declaration of the Indian Ocean as a Zone of Peace, and respect for the independence, sovereignty and territorial integrity of the littoral and hinterland States,

Calling for the renewal of genuinely constructive efforts through the exercise of the political will necessary for the achievement of the objectives of the Declaration of the Indian Ocean as a Zone of Peace,

Deeply concerned at the danger posed by the grave and ominous developments in the area and the resulting sharp deterioration of peace, security and stability which particularly seriously affect the littoral and hinterland States, as well as international peace and security,

Convinced that the continued deterioration of the political and security climate in the Indian Ocean area is an important consideration bearing on the question of the early convening of the Conference and that the easing of tension in the area would enhance the prospect of success being achieved by the Conference,

1. *Takes note* of the report of the *Ad Hoc* Committee on the Indian Ocean³⁰ and the exchange of views in the Committee;

2. *Regrets* that the *Ad Hoc* Committee has failed to reach consensus on the finalization of dates for the convening, during 1981, of the Conference on the Indian Ocean;

3. *Emphasizes* its decision to convene the Conference at Colombo as a necessary step for the implementation of the Declaration of the Indian Ocean as a Zone of Peace, adopted in 1971;

4. *Emphasizes also*, in pursuance of that decision and in consideration of the political and security climate in the Indian Ocean area, its decision to request the *Ad Hoc* Committee to continue its efforts for the necessary harmonization of views on the remaining issues related to the convening of the Conference;

5. *Requests* the *Ad Hoc* Committee to continue its work on the necessary harmonization of views on the relevant issues, including those set forth in paragraph 4 above, and to make every effort to accomplish the necessary preparatory work for the Conference, including consideration of its convening not later than the first half of 1983;

6. *Renews* the mandate of the *Ad Hoc* Committee as defined in the relevant resolutions;

7. *Requests* the *Ad Hoc* Committee to hold further sessions in 1982 of a total duration of six weeks, including the holding of a meeting at a venue outside New York to be decided upon;

8. *Requests* the *Ad Hoc* Committee to submit to the General Assembly, at its second special session devoted to disarmament and at its thirty-seventh session, reports on its work and on the implementation of the present resolution;

9. *Requests* the Secretary-General to continue to render all necessary assistance to the *Ad Hoc* Committee, including the provision of summary records.

1. *Notes with satisfaction* that in its report to the General Assembly the *Ad Hoc* Committee on the World Disarmament Conference stated, *inter alia*, the following:

“Having regard for the important requirements of a world disarmament conference to be convened at the earliest appropriate time, with universal participation and with adequate preparation, the General Assembly may wish to decide that, after its second special session devoted to disarmament, a world disarmament conference would take place as soon as the necessary consensus on its convening has been reached”;³⁴
