The General Assembly.

Recalling its resolutions 35/103 of 5 December 1980, 36/218 of 17 December 1981 and 37/162 of 17 December 1982 on assistance to Uganda,

Bearing in mind the enormous economic and social setbacks suffered by Uganda and the resultant precipitous decline in the well-being of its people,

Taking into account the Recovery Programme (1982-1984) presented by the Government of Uganda to the meeting of the Consultative Group on Uganda, held in Paris in May 1982 under the auspices of the World Bank,

Recognizing that Uganda is not only land-locked but also one of the least developed and most seriously affected countries,

Noting the appeals of the Secretary-General for assistance to Uganda,

Taking note of the report of the Secretary-General,¹⁹¹ submitted in response to General Assembly resolution 36/218, to which was annexed the report on Uganda's needs for assistance,

Taking note also of the summary report of the Secretary-General,¹⁹² in which it is stated that substantial additional assistance is required to finance the remaining projects in the Investment Programme which have not yet attracted the support of the international community,

Reaffirming the urgent need for further international action to assist the Government of Uganda in its continuing efforts for national reconstruction, rehabilitation and development,

Encouraged that the economic policies of the Government of Uganda and the support assistance provided by the donor countries and international organizations have produced positive signs of economic recovery,
