

Recalling further its resolution 37/53 of 3 December 1982, by which it proclaimed the period 1983-1992 United Nations Decade of Disabled Persons as a long-term plan of action, on the understanding that no additional resources from the United Nations system would be needed for this purpose, and encouraged Member States to utilize this period as one of the means to implement the World Programme of Action concerning Disabled Persons,

Concerned that developing countries are experiencing increasing difficulties in mobilizing adequate resources for meeting pressing needs in the field of disability prevention, rehabilitation and equalization of opportunities for the millions of persons with disabilities, in the face of pressing demands from other high-priority sectors concerned with basic needs,

Convinced that the United Nations Decade of Disabled Persons should give a strong impetus to the implementation of the World Programme of Action and to a broader understanding of its importance,

Taking note of Economic and Social Council resolution 1983/19 of 26 May 1983, in which the Secretary-General was requested to monitor and support the implementation of the World Programme of Action concerning Disabled Persons by enlisting extrabudgetary resources,

Noting with great appreciation the many generous voluntary contributions and pledges already made by Governments, organizations and individuals,

Taking note with appreciation of the report of the Secretary-General⁶⁶ concerning the results achieved so far by the United Nations Trust Fund for the International Year of Disabled Persons during the Year and its follow-up activities,

Recognizing that the Trust Fund is an important instrument for the implementation of the World Programme of Action,

1. Recognizes the desirability of the continuation of the United Nations Trust Fund for the International Year of Disabled Persons throughout the United Nations Decade of Disabled Persons for the benefit of disabled persons, particularly those in developing countries;

2. Decides that the Trust Fund should continue its activities pending a report by the Secretary-General to the General Assembly at its thirty-ninth session, which should include recommendations for the further implementation of the World Programme of Action concerning Disabled Persons, the funding of such activities by voluntary contributions, the possible terms of reference of a trust fund for the United Nations Decade of Disabled Persons, the implementation of the provisions contained in Assembly resolution 36/77 concerning the organization of support services for technical co-operation in favour of disabled persons, as well as the organization of task forces mentioned in Assembly resolution 37/53;

3. Stresses the need for the administration of the Trust Fund to continue to be carried out as an integral part of the substantive responsibilities for disability matters discharged by the Secretariat;

4. Recommends that the resources of the Trust Fund should be geared, within the framework of the United Nations Decade of Disabled Persons, towards the implementation of the World Programme of Action and towards helping persons with disabilities to organize themselves, towards assisting in implementing support and consultative services for technical co-operation and inter-organizational task forces, as mentioned in resolutions 36/

77 and 37/53, and towards strengthening the activities of the regional commissions in the field of disability prevention and the advancement of persons with disabilities;

5. Requests the Secretary-General to take the necessary steps to strengthen the Trust Fund and, to this effect, to enlist extrabudgetary resources as indicated in paragraph 158 of the World Programme of Action;⁶⁵

6. Appeals to Governments and private sources for continuing generous voluntary contributions to the Trust Fund;

7. Calls upon all Member States, all non-governmental organizations concerned and organizations of disabled persons and also calls upon all organs, organizations and bodies of the United Nations system, through a reallocation of existing resources, to continue to ensure the early implementation of the World Programme of Action;

8. Requests the Secretary-General to include in his reports to the General Assembly on the implementation of the World Programme of Action a section on the activities of the Trust Fund.
