40/242. Issue of special postage stamps

The General Assembly,

Having considered the report of the Secretary-General on the analysis of the financial situation of the United Nations²⁰ and the related report of the Advisory Committee on Administrative and Budgetary Questions,²¹

Recalling its resolution 39/239 A of 18 December 1984,

Recognizing that, pending a comprehensive settlement of the differences which have given rise to the financial emergency of the Organization, partial or interim steps could enhance the liquidity of the Organization and alleviate its financial difficulties to some extent,

Noting with satisfaction that the project on the issue of special postage stamps on the social and economic crisis in Africa is well under way,

1. *Decides*, in accordance with its resolution 39/239 A, to place one half of the revenue earned therefrom at the disposal of the Secretary-General for the implementation of objectives as detailed in the Declaration on the Critical Economic Situation in Africa,²⁶ adopted by the General Assembly on 3 December 1984, and to place the remaining half in a special account;

2. *Requests* the Secretary-General to take all necessary steps to economize on the operational expenses of the project on the issue of special postage stamps with a view to increasing the net revenue and to submit a financial report to the General Assembly at its forty-first session;

3. *Also requests* the Secretary-General to explore the possibility of having recourse to other feasible revenue-producing activities that could be undertaken by the United Nations.

2. *Further urges* those bodies to plan their work well in advance in order to make full use of the conference-servicing resources allocated to them and so that any unused conference-servicing resources can be reassigned to ensure their most effective utilization;

3. *Requests* subsidiary organs of the General Assembly to include in their reports to the Assembly a statement on the progress made in response to the relevant provisions of Assembly resolution 39/68 B of 13 December 1984 on the rational and efficient utilization of conference-servicing resources;
