52nd plenary meeting
31 October 1986

41/15. Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations

The General Assembly,

Having considered the item entitled "Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations",

Recalling the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in its resolution 1514 (XV) of 14 December 1960, the Plan of Action for the Full Implementation of the Declaration, contained in the annex to its resolution 35/118 of 11 December 1980, and its resolution 40/56 of 2 December 1985 on the twenty-fifth anniversary of the Declaration on the Granting of Independence to Colonial Countries and Peoples, as well as all other relevant resolutions adopted by the Assembly on this subject, including in particular resolution 40/53 of 2 December 1985,

Having examined the reports submitted on the item by the Secretary-General,¹⁷ the Economic and Social Council¹⁸ and the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,¹⁹

Recalling also its resolutions ES-8/2 of 14 September 1981 and 40/97 of 13 December 1985 on the question of Namibia,

Taking into account the relevant provisions of the Declaration of the International Conference for the Immediate Independence of Namibia and the Programme of Action on Namibia¹⁰ and the Declaration adopted by the World Conference on Sanctions against Racist South Africa,⁹

Bearing in mind the relevant provisions of the Final Political Declaration and the Final Economic Declaration adopted by the Conference of Foreign Ministers of the Non-Aligned Countries held at Luanda from 4 to 7 September 1985,⁸ the final documents of the Ministerial Meeting of the Co-ordinating Bureau of the Movement of Non-Aligned Countries, held at New Delhi from 16 to 19 April 1986,²⁰ and the resolution on the question of Namibia adopted by the Council of Ministers of the Organization of African Unity at its forty-third ordinary session, held at Addis Ababa from 25 February to 4 March 1986,

Aware that the struggle of the people of Namibia for self-determination and independence is in its crucial stage and has sharply intensified as a consequence of the stepped-up aggression of the illegal colonialist régime of Pretoria

against the people of the Territory and the increased support rendered to that régime by its allies, coupled with efforts to deprive the Namibian people of their hard-won victories in the liberation struggle, and that it is therefore incumbent upon the entire international community decisively to intensify concerted action in support of the people of Namibia and their sole and authentic representative, the South West Africa People's Organization, for the attainment of their goal,

Concerned that the policy of "constructive engagement" with the *apartheid* régime of South Africa, as well as economic and military collaboration maintained by some Western countries and Israel with Pretoria, has only encouraged and strengthened the racist régime in its continued illegal occupation and massive militarization and exploitation of Namibia in violation of the relevant resolutions and decisions of the United Nations,

Gravely concerned at the continued imperialist and neo-colonialist support for South Africa's oppressive and aggressive policies in Namibia and with respect to independent States in southern Africa, in particular the front-line States, as exemplified by the discussions and resolutions of the Security Council,

Conscious of the worsening of the situation in southern Africa because of South Africa's racist policies of oppression, aggression and occupation, which constitute a clear threat to world peace and security, and condemning the continuing breach by South Africa of the obligations assumed by it under the Charter of the United Nations and its persistent non-compliance with the relevant resolutions and decisions of the United Nations,

Deeply conscious of the continuing critical need of the Namibian people and their national liberation movement, the South West Africa People's Organization, and the peoples of other colonial Territories for concrete assistance from the specialized agencies and other organizations of the United Nations system in their struggle for liberation from colonial rule and in their efforts to achieve and consolidate their national independence,

Deeply concerned that, although there has been progress in the extension of assistance to refugees from Namibia, the actions taken hitherto by the organizations concerned in providing assistance to the people of the Territory through their national liberation movement, the South West Africa People's Organization, still remain inadequate to meet the urgent and growing needs of the Namibian people,

Reaffirming the responsibility of the specialized agencies and other organizations of the United Nations system to take all the necessary measures, within their respective spheres of competence, to ensure the full and speedy implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations, particularly those relating to the provision of moral and material assistance, on a priority basis, to the peoples of the colonial Territories and their national liberation movements,

Expressing its firm belief that closer contacts and consultations between the specialized agencies and other organizations of the United Nations system on the one hand and the Organization of African Unity and the South West Africa People's Organization on the other will help these agencies and organizations to overcome procedural and other difficulties which have impeded or delayed the implementation of some assistance programmes,

Recalling its resolution 40/97 C of 13 December 1985 requesting all specialized agencies and other organizations and conferences of the United Nations system to grant full

membership to the United Nations Council for Namibia as the legal Administering Authority for Namibia,

Expressing its appreciation to the General Secretariat of the Organization of African Unity for the continued co-operation and assistance it has extended to the specialized agencies and other organizations of the United Nations system in connection with the implementation of the relevant resolutions of the United Nations,

Expressing its appreciation also to the Governments of the front-line States for the steadfast support extended to the people of Namibia and their national liberation movement, the South West Africa People's Organization, in their just and legitimate struggle for the attainment of freedom and independence despite increased armed attacks by the forces of the racist régime of South Africa, and aware of the particular needs of those Governments for assistance in that connection,

Commending the continued substantial contribution of the United Nations Educational, Scientific and Cultural Organization to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and the effective support it provides to the liberation movements in educating the populations of colonial Territories concerning self-determination and independence,

Noting the support given by the specialized agencies and other organizations of the United Nations system to the implementation of the Nationhood Programme for Namibia, in accordance with General Assembly resolution 32/9 A of 4 November 1977,

Deploring the continued links with and assistance rendered to South Africa by certain specialized agencies in the financial, economic, technical and other fields in contravention of the relevant resolutions of the United Nations, thus enhancing neo-colonialist practices in the system of international relations,

Gravely concerned at the continued collaboration between the International Monetary Fund and the Government of South Africa in disregard of relevant General Assembly resolutions, in particular resolution 37/2 of 21 October 1982,

Bearing in mind the importance of the activities of non-governmental organizations aimed at putting an end to the assistance that is still being rendered to South Africa by some specialized agencies,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various United Nations decisions relating to decolonization,

Bearing in mind that 1986 marks the twentieth anniversary of the termination of the Mandate of South Africa over Namibia by the General Assembly,

1. *Approves* the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the question;¹⁹

2. *Reaffirms* that the specialized agencies and other organizations and institutions of the United Nations system should continue to be guided by the relevant resolutions of the United Nations in their efforts to contribute, within their sphere of competence, to the full and speedy implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV);

3. *Reaffirms also* that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the struggle of colonial peoples to exercise their right to self-determination and independence entails, as a corollary, the extension by the specialized agencies and other organizations of the United Nations system of all the necessary moral and material assistance to those peoples and their national liberation movements;

4. *Expresses its appreciation* to those specialized agencies and other organizations of the United Nations system that have continued to co-operate in varying degrees with the United Nations and the Organization of African Unity in the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations, and urges all the specialized agencies and other organizations of the United Nations system to accelerate the full and speedy implementation of the relevant provisions of those resolutions;

5. *Expresses its concern* that the assistance extended thus far by certain specialized agencies and other organizations of the United Nations system to the colonial peoples, particularly the people of Namibia and their national liberation movement, the South West Africa People's Organization, is far from adequate in relation to the actual needs of the peoples concerned;

6. *Requests* all specialized agencies and other organizations and bodies of the United Nations system, in accordance with the relevant resolutions of the General Assembly and the Security Council, to take all necessary measures to withhold from the racist régime of South Africa any form of co-operation and assistance in the financial, economic, technical and other fields and to discontinue all support to that régime until the people of Namibia have exercised fully their inalienable right to self-determination, freedom and national independence in a united Namibia and until the inhuman system of *apartheid* has been totally eradicated;

7. *Reiterates its conviction* that the specialized agencies and other organizations and bodies of the United Nations system should refrain from taking any action which might imply recognition of, or support for, the legitimacy of the domination of the Territory of Namibia by the racist régime of South Africa;

8. *Regrets* that the World Bank continues to maintain certain financial and technical links with the racist régime of Pretoria and expresses the view that those links should be discontinued;

9. *Strongly deplores* that the International Monetary Fund has been assisting the racist régime of South Africa and expresses the view that the Fund should put an end to such assistance;

10. *Strongly condemns* the collaboration between the International Monetary Fund and South Africa in disregard of repeated resolutions to the contrary by the General Assembly, and calls upon the Fund to put an end to such collaboration, as the Assembly is strongly convinced that the *apartheid* system implies a serious instability in the South African economy, including its balance of payments, and thus that the International Monetary Fund, according to its rules, should not, as long as *apartheid* and the illegal occupation of Namibia by South Africa continue to exist, extend any credits to South Africa;

11. *Urges once again* the executive heads of the World Bank and the International Monetary Fund to draw the particular attention of their governing bodies to the present resolution with a view to formulating specific pro-

grammes beneficial to the peoples of the colonial Territories, particularly Namibia;

12. *Requests* the specialized agencies and other organizations of the United Nations system to render or continue to render, as a matter of urgency, all possible moral and material assistance to the colonial peoples struggling for liberation from colonial rule, bearing in mind that such assistance should not only meet their immediate needs but also create conditions for development after they have exercised their right to self-determination and independence;

13. *Requests once again* the specialized agencies and other organizations of the United Nations system to continue to provide all moral and material assistance to the newly independent and emerging States so as to enable them to achieve genuine economic independence;

14. *Reiterates its recommendation* that the specialized agencies and other organizations of the United Nations system should initiate or broaden contacts and co-operation with the colonial peoples and their national liberation movements directly or, where appropriate, through the Organization of African Unity, and review and introduce greater flexibility in their procedures with respect to the formulation and preparation of assistance programmes and projects so as to be able to extend the necessary assistance without delay to help the colonial peoples and their national liberation movements in their struggle to exercise their inalienable right to self-determination and independence in accordance with General Assembly resolution 1514 (XV);

15. *Recommends* that a separate item on assistance to national liberation movements recognized by the Organization of African Unity should be included in the agenda of future high-level meetings between the General Secretariat of the Organization of African Unity and the secretariats of the United Nations and other organizations of the United Nations system, with a view to strengthening further the existing measures of co-ordination of action to ensure the best use of available resources for assistance to the peoples of the colonial Territories;

16. *Urges* the specialized agencies and other organizations of the United Nations system that have not already done so to include in the agenda of the regular meetings of their governing bodies a separate item on the progress they have made in the implementation of General Assembly resolution 1514 (XV) and the other relevant resolutions of the United Nations;

17. *Urges* the specialized agencies and other organizations and institutions of the United Nations system to extend, as a matter of priority, substantial material assistance to the Governments of the front-line States in order to enable them to support more effectively the struggle of the people of Namibia for freedom and independence and to resist the violation of their territorial integrity by the armed forces of the racist régime of South Africa directly or, as in Angola and Mozambique, through puppet groups in the service of Pretoria;

18. *Notes with satisfaction* the arrangements made by several specialized agencies and other organizations of the United Nations system that enable representatives of the national liberation movements recognized by the Organization of African Unity to participate fully as observers in the proceedings relating to matters concerning their respective countries, and calls upon those agencies and organizations that have not yet done so to follow this example and to make the necessary arrangements without delay;

19. *Urges* the specialized agencies and other organizations and institutions of the United Nations system to as-

sist in accelerating progress in all sectors of the national life of colonial Territories, particularly in the development of their economies;

20. *Draws the particular attention* of the specialized agencies and other organizations of the United Nations system to Security Council resolution 566 (1985) of 19 June 1985, in which the Council condemned the racist régime of South Africa for its installation of a so-called interim government in Namibia and declared that action to be illegal and null and void;

21. *Recommends* that all Governments should intensify their efforts in the specialized agencies and other organizations of the United Nations system of which they are members to ensure the full and effective implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations and, in that connection, should accord priority to the question of providing assistance on an emergency basis to the peoples of the colonial Territories and their national liberation movements;

22. *Reiterates its proposal*, under article III of the Agreement between the United Nations and the International Monetary Fund,²¹ for the urgent inclusion in the agenda of the Board of Governors of the Fund of an item dealing with the relationship between the Fund and South Africa, further reiterates its proposal that, in pursuance of article II of the Agreement, the relevant organs of the United Nations should participate in any meeting of the Board of Governors called by the Fund for the purpose of discussing the item, and urges the Fund to discuss its relationship with South Africa at its annual meeting, in compliance with the above-mentioned Agreement, and to report to the Secretary-General of the United Nations on the action taken;

23. *Draws the attention* of the specialized agencies and other organizations of the United Nations system to the Plan of Action for the Full Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in the annex to General Assembly resolution 35/118, in particular to those provisions calling upon the agencies and organizations to render all possible moral and material assistance to the peoples of the colonial Territories and to their national liberation movements;

24. *Urges* the executive heads of the specialized agencies and other organizations of the United Nations system, having regard to the provisions of paragraphs 14 and 23 above, to formulate, with the active co-operation of the Organization of African Unity where appropriate, and to submit, as a matter of priority, to their governing and legislative organs concrete proposals for the full implementation of the relevant United Nations decisions, in particular specific programmes of assistance to the peoples of the colonial Territories and their national liberation movements;

25. *Requests* the Secretary-General to continue to assist the specialized agencies and other organizations of the United Nations system in working out appropriate measures for implementing the relevant resolutions of the United Nations and to prepare for submission to the relevant bodies, with the assistance of those agencies and organizations, a report on the action taken in implementation of the relevant resolutions, including the present resolution, since the circulation of his previous report;

²¹ See *Agreements between the United Nations and the Specialized Agencies and the International Atomic Energy Agency* (United Nations publication, Sales No. E/F.61.X.1), p. 61.

26. *Requests* the Economic and Social Council to continue to consider, in consultation with the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, appropriate measures for the co-ordination of the policies and activities of the specialized agencies and other organizations of the United Nations system in implementing the relevant resolutions of the General Assembly;

27. *Requests* the specialized agencies to report periodically to the Secretary-General of the United Nations on their implementation of the present resolution;

28. *Requests* the Special Committee to continue to examine the question and to report thereon to the General Assembly at its forty-second session.
