45/18. Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations

The General Assembly,

Having considered the item entitled "Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations",

Having considered the reports submitted on the item by the Secretary-General,⁵ the Economic and Social Council⁶ and the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,⁷

Recalling its resolution 1514 (XV) of 14 December 1960, containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, its resolution 1541 (XV) of 15 December 1960, and the Plan of Action for the Full Implementation of the Declaration, contained in the annex to its resolution 35/118 of 11 December 1980, as well as all its other resolutions

on this subject, in particular resolution 44/85 of 11 December 1989,

Recalling also its resolution S-16/1 of 14 December 1989, the annex to which contains the Declaration on *Apartheid* and its Destructive Consequences in Southern Africa,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity,

Noting with satisfaction the attainment of independence by Namibia following the holding of free and fair elections under the supervision and control of the United Nations, and the subsequent admission of independent Namibia as a Member of the United Nations on 23 April 1990,

Noting that the large majority of the remaining Non-Self-Governing Territories are small island Territories,

Recalling relevant resolutions of the Caribbean Development and Co-operation Committee concerning the access of Non-Self-Governing Territories to programmes and activities of the United Nations system,

Noting the assistance extended thus far to colonial Territories by certain specialized agencies and other organizations of the United Nations system, in particular the United Nations Development Programme, and considering that such assistance should be expanded further, commensurate with the pressing needs of the peoples concerned for external assistance,

Stressing the importance of securing additional resources for funding expanding programmes of assistance for the peoples concerned and the need to enlist the support of the major funding institutions within the United Nations system in that regard,

Noting with deep concern that destabilization by South Africa of the front-line and neighbouring States, whether through direct aggression, sponsorship of surrogates, economic subversion or other means, the forms and consequences of which stand well documented in United Nations and other publications, is unacceptable in all its forms and must not occur,

Reaffirming that it is the responsibility of the specialized agencies and other organizations of the United Nations system to take all the necessary measures, within their respective spheres of competence, to ensure the full and speedy implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations, particularly those relating to the extension of assistance to the peoples of the colonial Territories,

Expressing its appreciation to the General Secretariat of the Organization of African Unity for the continued co-operation and assistance it has extended to the specialized agencies and other organizations of the United Nations system in connection with the implementation of the relevant resolutions of the United Nations, and convinced that closer contacts and consultations between the specialized agencies and other organizations of the United Nations system and regional organizations help to facilitate the effective formulation of assistance programmes for the peoples concerned,

⁷ *Ibid.*, Supplement No. 23 (A/45/23), chap. VII.

Noting with grave concern the extensive links and collaboration between the *apartheid* régime of South Africa and certain countries in the political, diplomatic, economic, nuclear, military and other fields, and the growing military and nuclear co-operation between racist Pretoria and Israel,

Bearing in mind the importance of the activities of non-governmental organizations aimed at putting an end to the assistance which is still being rendered to South Africa by some specialized agencies,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various United Nations decisions relating to decolonization,

Bearing in mind the extremely fragile economies of the small island Territories and their vulnerability to natural disasters such as hurricanes and cyclones, and recalling relevant resolutions of the General Assembly,

3. *Reaffirms also* that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the struggle of colonial peoples to exercise their right to self-determination and independence entails, as a corollary, the extension by the specialized agencies and other organizations of the United Nations system of all the necessary moral and material assistance to those peoples and their national liberation movements;

4. *Expresses its appreciation* to those specialized agencies and other organizations of the United Nations system that have continued to co-operate in varying degrees with the United Nations and the Organization of African Unity in the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations, and urges all the specialized agencies and other organizations of the United Nations system to accelerate the full and speedy implementation of the relevant provisions of those resolutions;

5. *Requests* the specialized agencies and other organizations of the United Nations system to render or continue to render, as a matter of urgency, all possible moral and material assistance to the colonial peoples, bearing in mind that such assistance should not only meet their immediate needs but also create conditions for development after they have exercised their right to self-determination and independence;

6. *Requests once again* the specialized agencies and other organizations of the United Nations system to continue to provide all humanitarian, material and moral assistance to Namibia and all newly independent

and emerging States so as to enable them to achieve genuine economic independence;

7. *Reiterates its recommendation* that the specialized agencies and other organizations of the United Nations system should initiate or broaden contacts and co-operation with the colonial peoples and the administering Powers concerned, directly or, where appropriate, through regional organizations, in order to intensify programmes of assistance and to facilitate and accelerate the implementation of General Assembly resolution 1514 (XV);

8. *Urges* the executive heads of the specialized agencies and other organizations of the United Nations system, in co-operation with the regional and other organizations where appropriate, to submit to their governing and legislative organs concrete proposals for the full implementation of the relevant United Nations decisions, particularly specific programmes of assistance to the peoples of the colonial Territories and their national liberation movements;

11. *Requests* the specialized agencies and other organizations of the United Nations system, as well as international and regional organizations, to take appropriate measures within their respective spheres of competence in order to accelerate progress in the economic and social sectors of the colonial Territories;

12. *Welcomes* the continued initiative exercised by the United Nations Development Programme in maintaining close liaison among the specialized agencies and other organizations of the United Nations system and in co-ordinating the activities of the agencies in extending effective assistance to the peoples of colonial Territories, and calls upon the specialized agencies and other organizations of the United Nations system, as a matter of urgency, to contribute generously to the relief, rehabilitation and reconstruction efforts in those Non-Self-Governing Territories affected by natural disasters;

13. *Urges* the administering Powers concerned to facilitate the participation of the representatives of the Governments of Trust and Non-Self-Governing Territories in the relevant meetings and conferences of the agencies and organizations so that the Territories may draw the maximum benefits from the related activities of the specialized agencies and other organizations of the United Nations system;

14. *Urges* the specialized agencies and other organizations of the United Nations system to adhere to the programme of action contained in the Declaration on *Apartheid* and its Destructive Consequences in Southern Africa, in particular with regard to increased sup-

port for the opponents of *apartheid*, the use of concerted and effective measures aimed at applying pressure to ensure a speedy end to *apartheid* and ensuring the non-relaxation of existing measures to encourage the South African régime to eradicate *apartheid* until there is clear evidence of profound and irreversible changes;

15. *Stresses*, in the context of the Declaration on *Apartheid* and its Destructive Consequences in Southern Africa, the need for the specialized agencies and other organizations of the United Nations system to render all possible assistance to the front-line and neighbouring States to enable them to rebuild their economies, which have been adversely affected by South Africa's acts of aggression and destabilization, to withstand any further such acts and to continue to support the people of South Africa;

16. *Invites* the specialized agencies and other organizations of the United Nations system to co-operate with the Action for Resisting Invasion, Colonialism and *Apartheid* Fund set up by the Eighth Conference of Heads of State or Government of Non-Aligned Countries, held at Harare from 1 to 6 September 1986, with the common objective of providing emergency assistance to the front-line States and national liberation movements struggling against the *apartheid* régime;

17. *Condemns* the extensive links and collaboration between the *apartheid* régime of South Africa and certain countries in the political, diplomatic, economic, nuclear, military and other fields, and the growing military and nuclear co-operation between the racist régime and Israel;

18. *Recommends* that all Governments should intensify their efforts in the specialized agencies and other organizations of the United Nations system of which they are members to ensure the full and effective implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations and, in that connection, should accord priority to the question of providing assistance on an emergency basis to the peoples of the colonial Territories;

19. *Requests* the Secretary-General to continue to assist the specialized agencies and other organizations of the United Nations system in working out appropriate measures for implementing the relevant resolutions of the United Nations and to prepare for submission to the relevant bodies, with the assistance of those agencies and organizations, a report on the action taken in implementation of the relevant resolutions, including the present resolution, since the circulation of his previous report;

20. *Requests* the Economic and Social Council to continue, as appropriate, to consider, in consultation with the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, appropriate measures for co-ordination of the policies and activities of the specialized agencies and other organizations of the United Nations system in implementing the relevant resolutions of the General Assembly;
