RESOLUTION ADOPTED BY THE GENERAL ASSEMBLY

[on the report of the Third Committee (A/49/607)]

49/167. Improvement of the status of women in the Secretariat

The General Assembly,

Recalling Articles 1 and 101 of the Charter of the United Nations,

Recalling also Article 8 of the Charter, which provides that the United Nations shall place no restrictions on the eligibility of men and women to participate in any capacity and under conditions of equality in its principal and subsidiary organs,

Recalling further the relevant paragraphs of the Nairobi Forward-looking Strategies for the Advancement of Women, 1/ especially paragraphs 79, 315, 356 and 358,

Recalling the relevant resolutions and decisions of the General Assembly, the Economic and Social Council and other bodies that have continued to focus on this area since the adoption of Assembly resolution 2715 (XXV) of 15 December 1970, in which the question of the employment of women in the Professional category was first addressed,

Concerned at the serious and continuing underrepresentation of women in the Secretariat, particularly at the higher decision-making levels,

Convinced that the improvement of the status of women in the Secretariat could significantly enhance the effectiveness and credibility of the United Nations, including its leadership role in advancing the status of women

1/ Report of the World Conference to Review and Appraise the Achievements of the United Nations Decade for Women: Equality, Development and Peace, Nairobi, 15-26 July 1985 (United Nations publication, Sales No. E.85.IV.10), chap. I, sect. A.

worldwide and in promoting the full participation of women in all aspects of decision-making,

Recalling the goal set in its resolutions 45/125 of 14 December 1990 and 45/239 C of 21 December 1990, which was reaffirmed in its resolutions 46/100 of 16 December 1991, 47/93 of 16 December 1992 and 48/106 of 20 December 1993, of a 35 per cent overall participation rate of women in posts subject to geographical distribution by 1995,

Noting with concern that the current rate of increase in the appointment of women may not be sufficient to achieve the objective of a 35 per cent participation rate of women in posts subject to geographical distribution by 1995,

Recalling the goal set in its resolution 45/239 C, which was reaffirmed in its resolutions 46/100, 47/93 and 48/106, of a 25 per cent participation rate of women in posts at the D-1 level and above by 1995,

Noting with disappointment that the participation rate of women in posts at the D-1 level and above remains unacceptably low, and well below the 25 per cent goal,

Noting the efforts made in the past year by the Secretary-General and the Office of Human Resources Management to integrate the objectives set by the General Assembly for the improvement of the status of women in the Secretariat into the overall strategy for the management of the Organization's human resources, and noting also that such a comprehensive approach will be conducive to enhancing the status of women in the Secretariat,

Recognizing the importance of providing equal employment opportunities for all staff,

Aware that a comprehensive policy aimed at preventing sexual harassment should be an integral part of personnel policy,

Commending the Secretary-General for his administrative instruction on procedures for dealing with cases of sexual harassment, 2/

Bearing in mind that a visible commitment by the Secretary-General is essential to the achievement of the targets set by the General Assembly,

1. Welcomes the report of the Secretary-General; 3/
2. Takes note of the strategic plan of action for the improvement of the status of women in the Secretariat (1995-2000) contained in section IV of the report, and the goals and objectives of the strategic plan as proposed by the Secretary-General;
3. Urges the Secretary-General to implement fully the strategic plan, noting that his visible commitment is essential to the achievement of the targets set by the General Assembly and the goals and objectives contained in the strategic plan;

2/ ST/AI/379.

3/ A/49/587 and Corr.1.

4. Welcomes the Secretary-General's intention to ensure implementation of the strategic plan through, inter alia, the issuance of clear and specific instructions as to the authority and responsibility of all managers to implement the plan and the criteria by which performance will be appraised;

5. Urges the Secretary-General, in accordance with the Charter of the United Nations and consistent with the strategic plan, to accord greater priority to the recruitment and promotion of women in posts subject to geographical distribution, particularly in senior policy-level and decision-making posts and within those parts of the United Nations system and its specialized agencies where representation of women is considerably below the average, in order to achieve the goals set in its resolutions 45/125 and 45/239 C of an overall participation rate of 35 per cent by 1995 and 25 per cent in posts at the D-1 level and above by 1995;

6. Also urges the Secretary-General to examine further existing work practices within the United Nations system with a view to increasing flexibility so as to remove direct or indirect discrimination against staff members with family responsibilities, including consideration of such issues as spouse employment, job-sharing, flexible working hours, child-care arrangements, career-break schemes and access to training;

7. Further urges the Secretary-General to increase the number of women employed in the Secretariat from developing countries, particularly those which are unrepresented or underrepresented, and from other countries that have a low representation of women, including countries in transition;

8. Requests the Secretary-General to ensure that equal employment opportunities exist for all staff;

9. Also requests the Secretary-General to enable, from within existing resources, the focal point for women within the Secretariat effectively to monitor and facilitate progress in the implementation of the strategic plan;

10. Strongly encourages Member States to support the strategic plan and the efforts of the United Nations and the specialized agencies to increase the percentage of women in Professional posts, especially at the D-1 level and above, by identifying and submitting more women candidates, encouraging women to apply for vacant posts and creating national rosters of women candidates to be shared with the Secretariat, specialized agencies and regional commissions;

11. Requests the Secretary-General further to develop comprehensive policy measures aimed at the prevention of sexual harassment in the Secretariat;

12. Also requests the Secretary-General to ensure that a progress report on the status of women in the Secretariat containing, inter alia, information on activities undertaken towards the achievement of the goals and objectives contained in the strategic plan and policy measures aimed at the prevention of sexual harassment in the Secretariat, is presented to the Commission on the Status of Women at its thirty-ninth session, in accordance with the relevant rules on the delivery timetable for documentation, and to the General Assembly at its fiftieth session.
