Agenda item 176

Resolution adopted by the General Assembly

[on the report of the Fifth Committee (A/55/711/Add.1)]

55/252. Financing of the United Nations Mission in Ethiopia and Eritrea

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Mission in Ethiopia and Eritrea¹ and the related reports of the Advisory Committee on Administrative and Budgetary Questions,²

Bearing in mind Security Council resolution 1312 (2000) of 31 July 2000, regarding the establishment of the United Nations Mission in Ethiopia and Eritrea, and the subsequent resolutions by which the Council extended the mandate of the Mission, the latest of which was its resolution 1344 (2001) of 15 March 2001,

Recalling its resolution 55/237 of 23 December 2000 on the financing of the Mission,

Reaffirming that the costs of the Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Mission, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such an operation,

Mindful of the fact that it is essential to provide the Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

¹ A/55/666 and Corr.1.

² A/55/688 and Add.1.
