actions by it designed to change the legal status, geographical nature and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

*Gravely concerned in particular* about the critical humanitarian and security situation in the Gaza Strip, including that resulting from the prolonged closures and severe economic and movement restrictions that in effect amount to a blockade and the military operations between December 2008 and January 2009, which caused extensive loss of life and injury, particularly among Palestinian civilians, including children and women; widespread destruction and damage to Palestinian homes, properties, vital infrastructure and public institutions, including hospitals, schools and United Nations facilities; and the internal displacement of civilians, as well as from the firing of rockets into Israel,

*Stressing* the need for the full implementation by all parties of Security Council resolution 1860 (2009) of 8 January 2009 and General Assembly resolution ES-10/18 of 16 January 2009,

*Expressing deep concern* about the short- and long-term detrimental impact of such widespread destruction and the continued impeding of the reconstruction process by Israel, the occupying Power, on the human rights situation and on the socio-economic and humanitarian conditions of the Palestinian civilian population,

*Expressing deep concern also* about the Israeli policy of closures and the imposition of severe restrictions, checkpoints, several of which have been transformed into structures akin to permanent border crossings, and a permit regime, all of which obstruct the freedom of movement of persons and goods, including medical and humanitarian goods, throughout the Occupied Palestinian Territory, including East Jerusalem, and about the consequent violation of the human rights of the Palestinian people and the negative impact on their socio-economic situation, which remains that of a humanitarian crisis in the Gaza Strip, while taking note of recent developments with regard to the situation of access there,

*Concerned in particular* about the continued establishment of Israeli checkpoints in the Occupied Palestinian Territory, including East Jerusalem, and the transformation of several of these checkpoints into structures akin to permanent border crossings inside the Occupied Palestinian Territory, which are severely impairing the territorial contiguity of the Territory and undermining efforts and aid aimed at rehabilitating and developing the Palestinian economy, adversely affecting other aspects of the socio-economic conditions of the Palestinian people,

*Expressing deep concern* that thousands of Palestinians, including hundreds of children and women, continue to be held in Israeli prisons or detention centres under harsh conditions, including, inter alia, unhygienic conditions, lack of proper

*Convinced* of the need for an international presence to monitor the situation, to contribute to ending the violence and protecting the Palestinian civilian population and to help the parties implement the agreements reached, and, in this regard, recalling the positive contribution of the Temporary International Presence in Hebron,

*Taking note* of the continued efforts and tangible progress made in the security sector by the Palestinian Authority, calling upon the parties to continue cooperation that benefits both Palestinians and Israelis, in particular by promoting security and building confidence, and expressing the hope that such progress will be extended to all major population centres,

*Emphasizing* the right of all people in the region to the enjoyment of human rights as enshrined in the international human rights covenants,

5. *Condemns* all acts of violence, including all acts of terror, provocation, incitement and destruction, especially the excessive use of force by the Israeli occupying forces against Palestinian civilians, particularly in the Gaza Strip, which have caused extensive loss of life and vast numbers of injuries, including among children, massive damage and destruction to homes, properties, vital infrastructure and public institutions, including hospitals, schools and United Nations facilities, and agricultural lands, and internal displacement of civilians;

6. *Expresses grave concern* at the firing of rockets against Israeli civilian areas resulting in loss of life and injury;

7. *Reiterates its demand* for the full implementation of Security Council resolution 1860 (2009);
