Sixty-seventh session
Agenda item 94 (t)

Resolution adopted by the General Assembly on 3 December 2012

[on the report of the First Committee (A/67/409)]

67/54. Implementation of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction

The General Assembly,

Recalling its previous resolutions on the subject of chemical weapons, in particular resolution 66/35 of 2 December 2011, adopted without a vote, in which it noted with appreciation the ongoing work to achieve the objective and purpose of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction,¹

Determined to achieve the effective prohibition of the development, production, acquisition, transfer, stockpiling and use of chemical weapons and their destruction,

Noting with satisfaction that, since the adoption of resolution 63/48 of 2 December 2008, four additional States have acceded to the Convention, bringing the total number of States parties to the Convention to 188,

Reaffirming the importance of the outcome of the Second Special Session of the Conference of the States Parties to Review the Operation of the Chemical Weapons Convention (hereinafter “the Second Review Conference”), including the consensus final report, which addressed all aspects of the Convention and made important recommendations on its continued implementation,

Emphasizing that the Second Review Conference welcomed the fact that, 11 years after its entry into force, the Convention remained a unique multilateral agreement banning an entire category of weapons of mass destruction in a non-discriminatory and verifiable manner under strict and effective international control,

1. *Emphasizes* that the universality of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on

Their Destruction¹ is fundamental to the achievement of its objective and purpose, acknowledges progress made in the implementation of the action plan for the universality of the Convention, and calls upon all States that have not yet done so to become parties to the Convention without delay;

2. *Underlines* that implementation of the Convention makes a major contribution to international peace and security through the elimination of existing stockpiles of chemical weapons and the prohibition of the acquisition or use of chemical weapons, and provides for assistance and protection in the event of use, or threat of use, of chemical weapons and for international cooperation for peaceful purposes in the field of chemical activities;

3. *Stresses* the importance to the Convention that all possessors of chemical weapons, chemical weapons production facilities or chemical weapons development facilities, including previously declared possessor States, should be among the States parties to the Convention, and welcomes progress to that end;

4. *Recalls* that, at its sixteenth session, the Conference of States Parties to the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction decided that, if the final extended deadline had not been fully met, the destruction of the remaining chemical weapons in the possessor States concerned should be completed in the shortest time possible in accordance with the provisions of the Convention and the Verification Annex and under the verification of the Technical Secretariat of the Organization for the Prohibition of Chemical Weapons, as prescribed under the Convention and the Verification Annex;

5. *Stresses* that the full and effective implementation of all provisions of the Convention, including those on national implementation (article VII) and assistance and protection (article X), constitutes an important contribution to the efforts of the United Nations in the global fight against terrorism in all its forms and manifestations;

6. *Notes* that the effective application of the verification system builds confidence in compliance with the Convention by States parties;

7. *Stresses* the importance of the Organization for the Prohibition of Chemical Weapons in verifying compliance with the provisions of the Convention as well as in promoting the timely and efficient accomplishment of all its objectives;

8. *Urges* all States parties to the Convention to meet in full and on time their obligations under the Convention and to support the Organization for the Prohibition of Chemical Weapons in its implementation activities;

9. *Welcomes* progress made in the national implementation of article VII obligations, commends the States parties and the Technical Secretariat for assisting other States parties, on request, with the implementation of the follow-up to the plan of action regarding article VII obligations, and urges States parties that have not fulfilled their obligations under article VII to do so without further delay, in accordance with their constitutional processes;

10. *Emphasizes* the continuing relevance and importance of the provisions of article X of the Convention, and welcomes the activities of the Organization for the Prohibition of Chemical Weapons in relation to assistance and protection against chemical weapons;

11. *Reaffirms* that the provisions of the Convention shall be implemented in a manner that avoids hampering the economic or technological development of

States parties and international cooperation in the field of chemical activities for purposes not prohibited under the Convention, including the international exchange of scientific and technical information, and chemicals and equipment for the production, processing or use of chemicals for purposes not prohibited under the Convention;

12. *Emphasizes* the importance of article XI provisions relating to the economic and technological development of States parties, recalls that the full, effective and non-discriminatory implementation of those provisions contributes to universality, and also reaffirms the undertaking of the States parties to foster international cooperation for peaceful purposes in the field of chemical activities of the States parties and the importance of that cooperation and its contribution to the promotion of the Convention as a whole;

13. *Notes with appreciation* the ongoing work of the Organization for the Prohibition of Chemical Weapons to achieve the objective and purpose of the Convention, to ensure the full implementation of its provisions, including those for international verification of compliance with it, and to provide a forum for consultation and cooperation among States parties;

14. *Notes* the ongoing preparatory work by the States parties on the substance of the Third Special Session of the Conference of the States Parties to Review the Operation of the Chemical Weapons Convention;

15. *Welcomes* the cooperation between the United Nations and the Organization for the Prohibition of Chemical Weapons within the framework of the Relationship Agreement between the United Nations and the Organization, in accordance with the provisions of the Convention;

16. *Decides* to include in the provisional agenda of its sixty-eighth session, under the item entitled “General and complete disarmament”, the sub-item entitled “Implementation of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction”.
