Distr.: General
21 November 2012

Resolution 2077 (2012)

**Adopted by the Security Council at its 6867th meeting, on
21 November 2012**

The Security Council,

Recalling its previous resolutions concerning the situation in Somalia, especially resolutions 1814 (2008), 1816 (2008), 1838 (2008), 1844 (2008), 1846 (2008), 1851 (2008), 1897 (2009), 1918 (2010), 1950 (2010), 1976 (2011), 2015 (2011), and 2020 (2011), as well as the Statement of its President (S/PRST/2010/16) of 25 August 2010,

Continuing to be gravely concerned by the ongoing threat that piracy and armed robbery at sea against vessels pose to the prompt, safe, and effective delivery of humanitarian aid to Somalia and the region, to the safety of seafarers and other persons, to international navigation and the safety of commercial maritime routes, and to other vulnerable ships, including fishing activities in conformity with international law, and also gravely concerned by the extended range of the piracy threat into the western Indian Ocean and adjacent sea areas and the increase in pirate capacities,

Expressing concern about the reported involvement of children in piracy off the coast of Somalia,

Recognizing that the ongoing instability in Somalia contributes to the problem of piracy and armed robbery at sea off the coast of Somalia, and stressing the need for a comprehensive response by the international community to repress piracy and armed robbery at sea and tackle its underlying causes,

Recognizing the need to investigate and prosecute not only suspects captured at sea, but also anyone who incites or intentionally facilitates piracy operations, including key figures of criminal networks involved in piracy who illicitly plan, organize, facilitate, or finance and profit from such attacks, and *reiterating its concern* over persons suspected of piracy having to be released without facing justice, *reaffirming* that the failure to prosecute persons responsible for acts of piracy and armed robbery at sea off the coast of Somalia undermines anti-piracy efforts of the international community and *being determined* to create conditions to ensure that pirates are held accountable,

* Reissued for technical reasons on 15 January 2013.

Reaffirming its respect for the sovereignty, territorial integrity, political independence and unity of Somalia, including Somalia's rights with respect to offshore natural resources, including fisheries, in accordance with international law, recalling the importance of preventing, in accordance with international law, illegal fishing and illegal dumping, including of toxic substances, and *stressing* the need to investigate any new allegations of such illegal fishing and dumping; *noting* the report of the Secretary-General (S/2012/783), which acknowledges difficulty in providing detailed information related to illegal, unreported, and unregulated fishing and dumping off Somalia's coast without adequate monitoring or reporting systems, and states that the United Nations has received little evidence to date to justify claims that illegal fishing and dumping are factors responsible for forcing Somali youths to resort to piracy, and that there is currently no evidence of toxic waste dumping on land and at sea; *emphasizing* that the concerns about protection of the marine environment as well as resources should not be allowed to mask the true nature of piracy off the coast of Somalia which is a transnational criminal enterprise driven primarily by the opportunity for financial gain, and *expressing appreciation* in this respect for the report of the Secretary-General on the protection of Somali natural resources and water (S/2011/661) prepared pursuant to paragraph 7 of Security Council Resolution 1976 (2011),

Further reaffirming that international law, as reflected in the United Nations Convention on the Law of the Sea of 10 December 1982 ("The Convention"), sets out the legal framework applicable to combating piracy and armed robbery at sea, as well as other ocean activities,

Underlining the primary responsibility of the Somali authorities in the fight against piracy and armed robbery at sea off the coast Somalia and *noting* the several requests from Somali authorities for international assistance to counter piracy off its coast, including the letter of 5 November 2012, from the Permanent Representative of Somalia to the United Nations expressing the appreciation of Somali authorities to the Security Council for its assistance, expressing their willingness to consider working with other States and regional organizations to combat piracy and armed robbery at sea off the coast of Somalia, and requesting that the provisions of resolution 1897 (2009) be renewed for an additional twelve months,

Commending the efforts of the European Union operation ATALANTA, North Atlantic Treaty Organization operations Allied Protector and Ocean Shield, Combined Maritime Forces' Combined Task Force 151 commanded by Denmark, New Zealand, Pakistan, Republic of Korea, Singapore, Turkey, Thailand and the United States, and other States acting in a national capacity in cooperation with Somali authorities and each other, to suppress piracy and to protect vulnerable ships transiting through the waters off the coast of Somalia, and *welcoming* the efforts of individual countries, including China, India, Japan, Malaysia, Republic of Korea, and the Russian Federation, which have deployed ships and/or aircraft in the region, as stated in the Secretary-General's report (S/2012/783),

Commending the efforts of flag States for taking appropriate measures to permit vessels sailing under their flag transiting the High Risk Area to embark vessel protection detachments and privately contracted armed security personnel, and encouraging States to regulate such activities in accordance with applicable international law and permit charters to favour arrangements that make use of such measures,

Notes the request of some Member States on the need to review the boundaries of the High Risk Area on an objective and transparent basis taking into account actual incidents of piracy, noting that the High Risk Area is set and defined by the insurance and maritime industry,

Welcoming the capacity building efforts in the region made through the International Maritime Organization (IMO) Djibouti Code of Conduct Trust Fund and the Trust Fund Supporting Initiatives of States Countering Piracy off the Coast of Somalia, as well as the European Union's planned programming under EUCAP NESTOR, and recognizing the need for all engaged international and regional organizations to cooperate fully,

Noting with appreciation the efforts made by the IMO and the shipping industry to develop and update guidance, best management practices, and recommendations to assist ships to prevent and suppress piracy attacks off the coast of Somalia, including in the Gulf of Aden, and the Indian Ocean area, and *recognizing* the work of the IMO, and the Contact Group on Piracy off the Coast of Somalia (CGPCS); in this regard, notes the efforts of the International Organization for Standardization, which has developed industry standards of training and certification for Private Maritime Security Companies when providing privately contracted armed security personnel on board ships in high-risk areas,

Noting with concern that the continuing limited capacity and domestic legislation to facilitate the custody and prosecution of suspected pirates after their capture has hindered more robust international action against the pirates off the coast of Somalia, too often has led to pirates being released without facing justice, *reiterating* that, consistent with the provisions of the Convention concerning the repression of piracy, the 1988 Convention for the Suppression of Unlawful Acts Against the Safety of Maritime Navigation ("SUA Convention") provides for parties to create criminal offences, establish jurisdiction, and accept delivery of persons responsible for or suspected of seizing or exercising control over a ship by force or threat thereof or any other form of intimidation,

Underlining the importance of continuing to enhance the collection, preservation and transmission to competent authorities of evidence of acts of piracy and armed robbery at sea off the coast of Somalia, and *welcoming* the ongoing work of the IMO, INTERPOL, and industry groups to develop guidance to seafarers on preservation of crime scenes following acts of piracy, and noting the importance for the successful prosecution of acts of piracy of enabling seafarers to give evidence in criminal proceedings,

Further recognizing that pirate networks continue to rely on kidnapping and hostage-taking, and that these activities help generate funding to purchase weapons, gain recruits, and continue their operational activities, thereby jeopardizing the safety and security of innocent civilians and restricting the flow of free commerce, and *welcoming* international efforts to collect and share information to disrupt the pirate enterprise, as exemplified by INTERPOL's Global Database on Maritime Piracy; and noting the ongoing initiative aimed at establishing the Regional Anti-Piracy Prosecution & Intelligence Coordination Centre, hosted by the Republic of Seychelles,

Reaffirming international condemnation of acts of kidnapping and hostage-taking, including offences contained within the International Convention against the Taking of Hostages, and *strongly condemning* the continuing practice of hostage-taking by pirates operating off the coast of Somalia, *expressing serious concern* at the inhuman conditions hostages face in captivity, *recognizing* the adverse impact on their families, *calling for* the immediate release of all hostages, and *noting* the importance of cooperation between Member States on the issue of hostage-taking and the prosecution of suspected pirates for taking hostages,

Commending the Kenya and the Seychelles' efforts to prosecute suspected pirates in their national courts, welcoming and looking forward to further engagement of Mauritius and Tanzania, and *noting* with appreciation the assistance being provided by the United Nations Office of Drugs and Crime (UNODC), the Trust Fund Supporting Initiatives of States Countering Piracy off the Coast of Somalia, and other international organizations and donors, in coordination with the CGPCS, to support Kenya, Seychelles, Somalia, and other States in the region to take steps to prosecute, or incarcerate in a third State after prosecution elsewhere, pirates, including facilitators and financiers ashore, consistent with applicable international human rights law, and emphasizing the need for States and international organizations to further enhance international efforts in this regard,

Welcoming the readiness of the national and regional administrations of Somalia to cooperate with each other and with States who have prosecuted suspected pirates with a view to enabling convicted pirates to be repatriated back to Somalia under suitable prisoner transfer arrangements, consistent with applicable international law including international human rights law,

Welcoming the report of the Secretary General (S/2012/783), as requested by resolution 2020 (2011), on the implementation of that resolution and on the situation with respect to piracy and armed robbery at sea off the coast of Somalia,

Taking note with appreciation of the reports of the Secretary-General on the modalities for the establishment of specialized Somali anti-piracy courts (S/2011/360 and S/2012/50), prepared pursuant to paragraph 26 of resolution 1976 (2011) and paragraph 16 of resolution 2015 (2011), and the ongoing efforts within the CGPCS and the United Nations Secretariat to explore possible additional mechanisms to effectively prosecute persons suspected of piracy and armed robbery at sea off the coast of Somalia, including those ashore who incite or intentionally facilitate acts of piracy,

Stressing the need for States to consider possible methods to assist the seafarers who are victims of pirates, and welcoming in this regard the ongoing work within the CGPCS and the IMO on developing guidelines for the care of seafarers and other persons who have been subjected to acts of piracy,

Recognizing the progress made by the CGPCS, UNODC, and UNPOS in the use of public information tools to raise awareness of the dangers of piracy, highlight the best practices to eradicate this criminal phenomenon, and inform the public of the dangers posed by piracy,

Further noting with appreciation the ongoing efforts by UNODC and UNDP to support efforts to enhance the capacity of the corrections system in Somalia, including regional authorities notably with the support of the Trust Fund Supporting

Initiatives of States Countering Piracy off the Coast of Somalia, to incarcerate convicted pirates consistent with applicable international human rights law,

Bearing in mind the Djibouti Code of Conduct concerning the Repression of Piracy and Armed Robbery against Ships in the Western Indian Ocean and the Gulf of Aden, *noting* the operations of the newly established information sharing centres in Yemen, Kenya and Tanzania and the ongoing work regarding a regional maritime training centre in Djibouti, and *recognizing* the efforts of signatory States, including new signatory States South Africa and Mozambique, to develop the appropriate regulatory and legislative frameworks to combat piracy, enhance their capacity to patrol the waters of the region, interdict suspect vessels, and prosecute suspected pirates,

Emphasizing that peace and stability within Somalia, the strengthening of State institutions, economic and social development and respect for human rights and the rule of law are necessary to create the conditions for a durable eradication of piracy and armed robbery at sea off the coast of Somalia, and *further emphasizing* that Somalia's long-term security rests with the effective development by Somali authorities of the Somali National Security Forces,

Welcoming in this regard the election of the President on 10 September and the subsequent appointment of a Prime Minister and Cabinet, *considering* that this represents the completion of the Transition in Somalia and an important milestone in Somalia's path to more stable and accountable governance,

Noting that the joint counter-piracy efforts of the international community and private sector have resulted in a sharp decline in pirate attacks as well as hijackings since 2011 and *emphasizing* that without further action, the significant progress made in reducing the number of successful pirate attacks is reversible,

Determining that the incidents of piracy and armed robbery at sea off the coast of Somalia exacerbate the situation in Somalia, which continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

1. *Reiterates* that it condemns and deplors all acts of piracy and armed robbery against vessels in the waters off the coast of Somalia;

2. *Recognizes* that the ongoing instability in Somalia is one of the underlying causes of the problem of piracy and contributes to the problem of piracy and armed robbery at sea off the coast of Somalia;

3. *Stresses* the need for a comprehensive response to repress piracy and tackle its underlying causes by the international community;

4. *Underlines* the primary responsibility of Somali authorities in the fight against piracy and armed robbery at sea off the coast of Somalia, and requests the Somali authorities, with assistance from the Secretary-General and relevant UN entities, to pass a complete set of counter-piracy laws without further delay, and to declare an Exclusive Economic Zone in accordance with the United Nations Convention on the Law of the Sea;

5. *Recognizes* the need to continue investigating and prosecuting all suspected pirates and *urges* States, working in conjunction with relevant international organizations, to intensify their efforts to investigate and prosecute key

figures of criminal networks involved in piracy who illicitly plan, organize, facilitate, or finance and profit from such attacks;

6. *Calling upon* the Somali authorities to interdict, and upon interdiction to investigate and prosecute pirates and to patrol the territorial waters off the coast of Somalia to suppress acts of piracy and armed robbery at sea, noting the importance of strengthening Somalia's maritime capacity, and *welcomes* support by the international community for strengthening Somalia's capacity in this regard;

7. *Calls upon* States to cooperate also, as appropriate, on the issue of hostage taking, and the prosecution of suspected pirates for taking hostages;

8. *Notes again* its concern regarding the findings contained in the 13 July 2012 report (S/2012/544, page 211) and resolution 2020 (2011) that escalating ransom payments and the lack of enforcement of the arms embargo established by resolution 733 (1992) are fuelling the growth of piracy off the coast of Somalia, *calls upon* all States to cooperate fully with the Somalia and Eritrea Monitoring Group including on information sharing regarding possible arms embargo violations;

9. *Recognizes* the need for States, regional organizations, and other appropriate partners to exchange evidence and information with a view to the arrest and prosecution of key figures of criminal networks involved in piracy who illicitly plan, organize, facilitate, or finance and profit from piracy operations, and keeps under review the possibility of applying targeted sanctions against such individuals or entities if they meet the listing criteria set out in paragraph 8 resolution 1844 (2008);

10. *Renews* its call upon States and regional organizations that have the capacity to do so, to take part in the fight against piracy and armed robbery at sea off the coast of Somalia, in particular, consistent with this resolution and international law, by deploying naval vessels, arms and military aircraft and through seizures and disposition of boats, vessels, arms and other related equipment used in the commission of piracy and armed robbery at sea off the coast of Somalia, or for which there are reasonable grounds for suspecting such use;

11. *Commends the work* of the CGPCS to facilitate coordination in order to deter acts of piracy and armed robbery at sea off the coast of Somalia, in cooperation with the IMO, flag States, and Somali authorities and *urges* States and international organizations to continue to support these efforts;

12. *Encourages* Member States to continue to cooperate with Somali authorities in the fight against piracy and armed robbery at sea, notes the primary role of Somali authorities in the fight against piracy and armed robbery at sea off the coast of Somalia, and *decides* that for a further period of twelve months from the date of this resolution to renew the authorizations as set out in paragraph 10 of resolution 1846 (2008) and paragraph 6 of resolution 1851 (2008), as renewed by paragraph 7 of resolution 1897 (2009), paragraph 7 of resolution 1950 (2010), and paragraph 9 of resolution 2020 (2011) granted to States and regional organizations cooperating with Somali authorities in the fight against piracy and armed robbery at sea off the coast of Somalia, for which advance notification has been provided by Somali authorities to the Secretary-General;

13. *Affirms* that the authorizations renewed in this resolution apply only with respect to the situation in Somalia and shall not affect the rights or obligations or responsibilities of Member States under international law, including any rights or

17. *Calls upon* all States, and in particular flag, port, and coastal States, States of the nationality of victims, and perpetrators of piracy and armed robbery, and other States with relevant jurisdiction under international law and national legislation, to cooperate in determining jurisdiction, and in the investigation and prosecution of all persons responsible for acts of piracy and armed robbery off the coast of Somalia, including anyone who incites or facilitates an act of piracy, consistent with applicable international law including international human rights law to ensure that all pirates handed over to judicial authorities are subject to a judicial process, and to render assistance by, among other actions, providing disposition and logistics assistance with respect to persons under their jurisdiction and control, such as victims and witnesses and persons detained as a result of operations conducted under this resolution;

18. *Calls upon* all States to criminalize piracy under their domestic law and to favourably consider the prosecution of suspected, and imprisonment of convicted, pirates apprehended off the coast of Somalia, and their facilitators and financiers ashore, consistent with applicable international law including international human rights law;

19. *Reiterates* its decision to continue its consideration, as a matter of urgency, of the establishment of specialized anti-piracy courts in Somalia and other States in the region with substantial international participation and/or support, as set forth in resolution 2015 (2011), and the importance of such courts having jurisdiction over not only suspects captured at sea, but also anyone who incites or intentionally facilitates piracy operations, including key figures of criminal

networks involved in piracy who illicitly plan, organize, facilitate, or finance and profit from such attacks, and *emphasizes* the need for strengthened cooperation of States, regional, and international organizations in holding such individuals accountable, and encourages the CGPCS to continue its discussions in this regard;

20. *Welcomes*, in this context, that the report of the Secretary-General pursuant to resolution 2015 (2011) contains detailed implementation proposals on ways to ensure that suspected pirates are held accountable through the due process of law in accordance with international standards, and encourages action in this field at the federal level in Somalia;

21. *Urges* all States to take appropriate actions under their existing domestic law to prevent the illicit financing of acts of piracy and the laundering of its proceeds;

22. *Urges* States, in cooperation with INTERPOL and Europol, to further investigate international criminal networks involved in piracy off the coast of Somalia, including those responsible for illicit financing and facilitation;

28. *Urges* States individually or within the framework of competent international organizations to positively consider investigating any new allegations of illegal fishing and illegal dumping, including of toxic substances, with a view to prosecuting such offences when committed by persons under their jurisdiction; *encourages* increased efforts to monitor and report on such allegations; *takes note* of the report of the Secretary-General (S/2012/783), which acknowledges difficulty in providing detailed information related to illegal, unreported, and unregulated fishing and dumping off Somalia's coast without adequate monitoring or reporting systems, and states that the United Nations has received little evidence to date to justify claims that illegal fishing and dumping are factors responsible for forcing Somali youths to resort to piracy, and that there is currently no evidence of toxic waste

dumping on land and at sea; and *emphasizes* that the concerns about protection of the marine environment as well as resources should not be allowed to mask the true nature of piracy off the coast of Somalia which is a transnational criminal enterprise driven primarily by the opportunity for financial gain; and *takes note* of the Secretary-General's intention to include updates on these issues in his reports relating to piracy off the Coast of Somalia;

29. *Welcomes* the recommendations and guidance of the IMO on preventing and suppressing piracy and armed robbery against ships, *underlines* the importance of implementing such recommendations and guidance by all stakeholders, particularly the shipping industry, and of flag States ensuring, as appropriate, the implementation of such recommendations and guidance, and *urges* States, in collaboration with the shipping and insurance industries, and the IMO, to continue to develop and implement avoidance, evasion, and defensive best practices and advisories to take when under attack or when sailing in the waters off the coast of Somalia, and further *urges* States to make their citizens and vessels available for forensic investigation as appropriate at the first suitable port of call immediately following an act or attempted act of piracy or armed robbery at sea or release from captivity;

30. *Encourages* flag States and port States to further consider the development of safety and security measures onboard vessels, including, where applicable, developing regulations for the deployment of PCASP on board ships through a consultative process, including through the IMO and ISO;

31. *Invites* the IMO to continue its contributions to the prevention and suppression of acts of piracy and armed robbery against ships in coordination, in particular, with the UNODC, the World Food Program (WFP), the shipping industry, and all other parties concerned, and *recognizes* the IMO's role concerning privately contracted armed security personnel on board ships in high-risk areas;

32. *Notes* the importance of securing the safe delivery of WFP assistance by sea, *welcomes* the ongoing work by the WFP, EU operation ATALANTA and flag States with regard to Vessel Protection Detachments on WFP vessels;

33. *Requests* States and regional organizations cooperating with Somali authorities to inform the Security Council and the Secretary-General in nine months of the progress of actions undertaken in the exercise of the authorizations provided in paragraph 12 above and further requests all States contributing through the CGPCS to the fight against piracy off the coast of Somalia, including Somalia and other States in the region, to report by the same deadline on their efforts to establish jurisdiction and cooperation in the investigation and prosecution of piracy;

34. *Requests* the Secretary-General to report to the Security Council within 11 months of the adoption of this resolution on the implementation of this resolution and on the situation with respect to piracy and armed robbery at sea off the coast of Somalia;

35. *Expresses* its intention to review the situation and consider, as appropriate, renewing the authorizations provided in paragraph 12 above for additional periods upon the request of Somali authorities;

36. *Decides* to remain seized of the matter.
