The American Legation to the Swedish Royal Ministry of Foreign Affairs

LEGATION OF THE UNITED STATES OF AMERICA

The Legation of the United States of America presents its compliments to the Royal Ministry of Foreign Affairs and, with reference to the latter's note of September 27, 1945¹ regarding certain changes in paragraphs A and B of the Annex to the Air Transport Agreement² between Sweden and the United States, has the honor to inform the Royal Ministry that the Government of the United States agrees to the modifications proposed therein.

Accordingly, paragraph A of the Annex would read "United States, via intermediate points, to Stockholm and points beyond: in both directions", and paragraph B would read "Sweden via intermediate points to New York or Chicago and points beyond in both directions".

It would also be necessary to change the phrase immediately preceding the route descriptions in paragraphs A and B to: "To the following route or routes".

If agreeable to the Royal Ministry, the Government of the United States suggests that the date on which these changes become effective be the date of this note.
