I

The Secretary of State to the Irish Chargé d'Affaires ad interim

June 2, 1947

Sir:

I refer to previous correspondence with the Legation concerning the air transport agreement concluded between Ireland and the United States of America in February 1945,² particularly with respect to the determination of traffic points in the United States to be granted to the Irish air services as referred to in Paragraph B of the Annex.

My Government, after consideration of the wishes of the Government of Ireland in this matter, proposes that Paragraph B of the Annex of the Agreement be amended to read as follows:

“Airlines of Ireland authorized under the present agreement are accorded in the territory of the United States rights of transit, non-traffic stop and commercial entry for international traffic at Boston, New York and Chicago on the following route;

“Ireland via intermediate points to New York (via Boston) and Chicago, in both directions; provided that Chicago shall not be served on any flight serving New York and/or Boston.”

If this proposal is acceptable to your Government it is suggested that this note, together with your reply thereto, constitute an amendment of the Agreement of as set forth above.

¹ Came into force on 3 June 1947, by the exchange of the said notes.

² United States, *Executive Agreement Series* 460; 59 Stat. 1402.

Accept, Sir, the renewed assurances of my high consideration.
