## *Article II*

### RENUNCIATION OF CLAIMS BY THE GOVERNMENT OF THE UNITED STATES OF AMERICA

9. The Government of the United States of America, recognizing the contribution of Italy towards the winning of the war by Italian action since October 13, 1943, and recognizing the conditions and terms of the Treaty of Peace with Italy and of various clauses of this financial agreement, agrees to renounce and waive claims of the Government of the United States of America or its agencies arising out of the following connections:

(a) Civilian supplies furnished, prior to the effective date of this Memorandum of Understanding, under the military relief program;

(b) Dollars transferred or to be transferred to Italy, equivalent to the net lira expenditures of the United States armed forces in Italy; and

(c) Supplies procured with funds appropriated for the purposes of the Lend-Lease Act and transferred to Italy through the agency of the United States Department of War.

10. The Government of the United States of America waives such claims as it may have for the payment of salary to Italian officer prisoners of war, made consistent with the convention relating to the treatment of prisoners of war, signed at Geneva on July 27, 1929.<sup>1</sup>

---

<sup>1</sup>League of Nations, *Treaty Series*, Volume CXVIII, page 343.

11. (a) The Government of the United States of America agrees to continue to honor in lira, at the prevailing rate of exchange applicable to the Government of the United States of America expenditures in Italy at the time of payment, and in accordance with procedures established by the United States military authorities, all valid evidences of obligations made out by the Government of the United States of America or its agencies and in its name or the name of any of its agencies to former Italian prisoners of war and surrendered Italian personnel, both officer and enlisted, it being understood that the two Governments may enter into a subsequent understanding with reference to the procedures which may be utilized by the Government of the United States of America to meet these obligations.

(b) The Government of Italy further agrees to undertake that all payments which have been made by it to former Italian prisoners of war and surrendered personnel prior to the effective date of this agreement in lira at less than the prevailing rate of exchange applicable to the Government of the United States of America expenditures in Italy at the time of payment, shall be adjusted to such then prevailing rate of exchange.

12. The Government of the United States of America waives all costs, including maintenance costs, incurred in the repatriation of Italian prisoners of war to the assembly point on Italian territory. For the purposes of this Memorandum of Understanding the assembly point on Italian territory shall be considered the first point of arrival of Italian prisoners of war on Italian territory.

13. The Government of the United States of America waives any claims it or its agencies or officers may have with respect to advances made by it toward the financing of Italian Partisans. The Government of the United States of America, in further recognition of the renunciation of claims by the Government of Italy, and with particular reference to paragraph 2(a) above, waives all claims it may have against the Government of Italy resulting from advances made by it toward the maintenance of Italian diplomatic missions, and also Italian shipping and crews in neutral ports.

14. (a) The Government of the United States of America waives any claims it or its agencies or officers may have with respect to any transfer made directly by the armed forces of the United States of America, their agencies, or officers of supplies and materials from military stocks to the Government of Italy, to the Italian armed forces or their agencies or officers.

(b) The Government of the United States of America, with reference to 14 (a) above, reserves the right of recapture of any arms, ammunition and implements of war (of the types listed in Proclamation No. 2717<sup>1</sup> of the President of the United States of America, dated February 14, 1947), which may have been transferred by the armed forces of the United States of America, its agencies or officers, and are held by the Government of Italy, its agencies or officers, on the date on which notice requesting return is communicated to the Government of Italy, but the Government of the United States of America has indicated that it does not intend to exercise generally its right of recapture of such articles. Disposal of such articles by the Government of Italy in or for use in other countries will be made only with the consent of the Government of the United States of America and with payment to the Government of the United States of America of any proceeds of such disposals. The Government of Italy agrees that all such articles held by it will be used only for purposes compatible with the principles of international security and welfare set forth in the Charter of the United Nations.

15. Nothing contained herein shall be construed to affect in any manner obligations assumed by Italy or the United States of America pursuant to settlements between Italy and the United States of America involving disposal of surplus property.

### *Article III*

#### PROPERTY OF NATIONALS OF THE UNITED STATES OF AMERICA

16. (a) The Government of Italy will expedite in any manner necessary arrangements now being undertaken, or those necessary to be undertaken, for the desequestration of and release of any unusual controls over the property or interests in property in Italy of nationals of the United States of America, including the cancellations of any controls, contracts, including contracts for the sale of capital assets or a part thereof, agreements or arrangements undertaken during the period of control in accordance with the request, or at the direction of the Government of Italy, its agencies or officials, which are not deemed to have been in the best interest of such property or interests. The Government of Italy further agrees that with respect to the application of Paragraph 4 (a) and 4 (d) of Article 78 of the Treaty of Peace to cases which fall within the terms of this provision, as well as to all cases to which Paragraph 4 (a) and 4 (d) of Article 78 apply, the requirement "for the restoration to complete good order" shall be followed in all cases where there has been (1) deterioration of the physical property while under Italian control, and (2) where the physical

property has suffered non-substantial damage as a result of acts of war. In all other cases the requirement to compensate in lira to the extent of "two-thirds of the sum necessary" shall apply, provided that the Government of Italy may, with respect to any case, apply the requirement "for the restoration to complete good order."

(b) The Government of Italy agrees that with respect to the property or interests in property of United States nationals which property or interests are not covered by section (a) above, it will accord such property or interests treatment identical with that provided in section (a) above.

(c) The Government of Italy shall, with reference to paragraphs (a) and (b) above, apply Paragraph 4 (b) of Article 78 of the Treaty of Peace.

(d) Compensation paid in accordance with terms of this section shall be free of levies, taxes, or other charges and shall be freely usable in Italy but shall be subject to the foreign exchange control regulations which may be in force in Italy from time to time.

#### *Article IV*

#### PREWAR CLAIMS OF THE GOVERNMENT OF THE UNITED STATES OF AMERICA OR OF UNITED STATES NATIONALS

17. (a) The Government of Italy, recognizing the existence of legitimate claims of the Government of the United States of America or of United States nationals against the Government of Italy or Italian nationals arising out of contracts or other obligations incurred prior to December 8, 1941, agrees that it will make every effort to settle at as early a date as possible, and to facilitate to the extent possible the payment of the debts or other claims referred to hereinabove.

(b) With respect to lira payments made under Italian law to Italian government agencies in purported discharge of debts in non-lira currencies owed by Italian nationals to nationals of the United States of America, the Government of Italy fully recognizes the existence of legitimate claims of the Government of the United States of America or United States nationals in these cases. The Government of Italy further agrees that within six months from the date of the signing of this Memorandum of Understanding it will either assume the obligation to make payment of such debts in foreign exchange to the extent that lira payments were made to the Government of Italy in the manner referred to above, or it will provide that the Italian debtor shall be held directly

responsible for the payment of such debts. In either event, the Government of Italy agrees that it will make available the foreign exchange necessary for the discharge of such debts at the earliest date permitted by the Italian foreign exchange position. It is understood that the provisions of this section do not prejudice any settlement between the Government of Italy and the Italian debtors with respect to such lira payments.

Sir:

With respect to the "Memorandum of Understanding between the Government of the United States of America and the Government of Italy regarding settlement of certain wartime claims and related matters", I am authorized, on behalf of the Government of Italy, to make known to you the intentions of the Government of Italy with respect to United States military cemeteries in Italy.

The Government of Italy is deeply aware of the fact that the existence of these cemeteries is the result of the valiant and heroic sacrifices made by nationals of the United States of America in the cause of peace and justice for my country, as well as for their country. respect to the assistance to be given to nationals of the United States of America with respect to their properties in Italy. This assistance is directed particularly to the implementation of Article 78 of the Treaty of Peace with Italy and to Article III, paragraph 16, of the above Memorandum of Understanding.

The Government of Italy shall, as soon as possible, designate an Italian governmental agency having authority to receive and determine claims of nationals of the United States of America with respect to their properties in Italy, and to effect the restoration of such properties, or pay compensation, or both, as provided in Article 78 of the Treaty of Peace with Italy, and in accordance with the terms of Article III, paragraph 16, of the Memorandum of Understanding.

Sir:

Reference is made to Article III, paragraph 16, of the "Memorandum of Understanding between the Government of the United States of America and the Government of Italy regarding settlement of certain wartime claims and related matters", signed this date.

One of the more troublesome problems which has arisen in connection with Article 78 of the Treaty of Peace has been concerned with the property in Italy of American oil companies. The principal difficulty which has been encountered in returning such properties to the rightful owners has been the question of the employment rights which accrued during the period of control of the American oil companies by the Government of Italy.

I am authorized by my Government to advise you of the following agreement on the question of employment rights which has been reached between the Government of Italy and representatives of the oil companies:

1. The Anglo-American companies (which had originally requested the Government of Italy to consider as broken the continuity of employment for the employees on their pay rolls at the moment of liquidation of the companies) have now in principle agreed to re-engage 95% of the personnel. The Azienda Generale Italiana Petroli on its side shall, in full agreement with the Italian Treasury, pay the indemnities for the period running from the date of the liquidation to the date of re-employment. The implementation of this formula can be expected to take place in the very near future.

2. An agreement has been reached on the partitioning of the market between the foreign companies on the one side and Azienda Generale Italiana Petroli on the other side. This agreement has involved considerable sacrifice on the part of Azienda Generale Italiana Petroli.

3. Insofar as the war damages suffered by the American companies are concerned, the duty of the Government of Italy derives from Article 78 of the Treaty of Peace, and the policy applied will be in accordance with Article III, paragraph 16, of the above referred to Memorandum of Understanding.

It is also understood that the properties and all assets will be returned, including, of course, the employee compensation funds which were on hand at the date of liquidation and which represent the funds available for persons still employed by the companies.

This agreement was made known to the representatives of the American oil companies in the United States of America concerned with this problem, as well as to officials of your Department, all of whom signified their approval.

I can, therefore, confirm to you that the Government of Italy accepts all the above engagements and will implement them at the earliest possible date.

Accept, Sir, the renewed assurances of my highest consideration.

Sir:

With reference to Article 4 of the "Memorandum of Understanding between the Government of the United States of America and the Government of Italy regarding settlement of certain wartime claims and related matters", signed this date, I am pleased to be able to advise you on behalf of the Government of Italy that a plan has been prepared for adjusting the unre-patriated bonds of the Italian dollar issue, service on which has been suspended since 1940.

The proposed plan, which has been approved in principle by the Foreign Bonds Holders Protective Council, Inc., will embrace all publicly held dollar bonds comprising three groups: first, bonds of the Kingdom of Italy; second, bonds of the Cities of Rome and Milan, bonds of the Italian Credit Consortium for Public Works, and bonds of the Mortgage Bank of the Venetian Provinces; and third, bonds of the Italian Credit Institute for Public Utility Enterprises and of eleven public utility corporations.

New bonds will be issued in an amount equal to the principal of the old bonds plus all arrears thereof at the former rates to January 1, 1947. The new bonds to be issued in exchange for the Kingdom of Italy bonds will be issued by the Republic, while those issued in exchange of the old bonds in the second and third groups will be bonds of the Consortium and the Institute respectively, in each case guaranteed as to principal and interest by the Republic.

The new bonds in all three groups are expected to bear interest at 1% for 1947, 1948 and 1949; 2% for 1950 and 1951; and 3% beginning 1952. The first installment of interest on the new bonds will be paid in cash at the time of exchange. Commencing in January 1952 the three issues of bonds will be entitled to a cumulative sinking fund of 1% per annum for 1952 to 1956 inclusive and 2% per annum beginning in 1957.

It is expected that the full details of the plan will be made public and the offer to the old bond holders will be made in the near future, as soon as the necessary registration under the Security Act of 1933 and other arrangements are completed. There is enclosed herewith for your information additional details concerning the proposed plan.

Accept, Sir, the renewed assurances of my highest consideration.

## ITALIAN DOLLAR BONDS

There are presently outstanding approximately \$108,000,000 of non-repatriated Italian dollar bonds on which service was suspended on June 10, 1940, and it is the desire of the Government of Italy to make an adjustment with respect thereto.

These obligations fall into three categories: first, bonds issued by the Government of Italy; second, bonds issued by the Cities of Rome and Milan and by the Italian Credit Consortium for Public Works, and the Mortgage Bank of the Venetian Provinces; and third, various corporate obligations. In connection with formulating an adjustment of Italian dollar bonds, it has been considered advisable to assure three types of obligations—one a direct obligation of the Government of Italy, to be issued in exchange for bonds falling within the first category and the other two being obligations of semi-governmental agencies, guaranteed as to principal and interest by the Government of Italy, to be issued in exchange for bonds falling within the second and third categories.

### I. *Bonds of the Kingdom of Italy:*

The issue of the above obligor to be considered in the following:

\*The lira bonds of Crespi Cotton Works, Ltd. (now Italian Textile Establishment (Milan) were originally sold in the U. S. with provision for payment in dollars at a rate of not less than 3.64 cents to the lira.

In order to effect an adjustment with the holders of such obligations, the following plan is proposed:

1. (a) The Government of Italy will offer a like principal amount of its 3% 30 year External Sinking Fund Bonds in exchange for the outstanding principal amount of the obligations of the Kingdom of Italy.

(b) The Italian Credit Consortium for Public Works, one of the present obligors and a semi-governmental agency, will offer (pursuant to authority granted by the Government of Italy) its bonds in exchange for the outstanding principal amount of the obligations of the Cities of Rome and Milan, the Italian Credit Consortium for Public Works and the Mortgage Bank of the Venetian Provinces. The entire debt service on such bonds will be guaranteed by the Government of Italy.

(c) The Italian Public Utility Credit Institute, one of the present obligors and a semi-governmental agency, will offer (pursuant to authority granted by the Government of Italy) its bonds in exchange for the outstanding principal amount of the twelve corporate issues. The entire debt service on such bonds will be guaranteed by the Government of Italy.

2. Semi-annual interest payments on the three issues of bonds will accrue from January 1, 1947. Interest will be paid in 1947, 1948 and 1949 at the rate of 1% per annum; in 1950 and 1951 at the rate of 2% per annum; and in 1952 and subsequent years at the rate of 3% per annum. Upon exchange of old bonds for new bonds, a cash payment will be made for interest accrued from January 1, 1947 to July 1, 1947, at the rate of 1% per annum.

3. Interest in arrears on the various bond issues will be computed at the rates stated in the bonds from the date of the last coupon payment to January 1, 1947 and additional (a) Government of Italy Bonds, or (b) Italian Credit Consortium for Public Works Bonds, or (c) Italian Public Utility Credit Institute Bonds, as the case may be, will be issued in settlement thereof, except that no bonds will be issued in principal amounts of less than \$100. Any balance which may be due on account of accrued interest over and above a multiple of \$100 will be discharged by an equal face amount of non-interest bearing scrip exchangeable for Government of Italy bonds or Italian Credit Consortium for Public Works bonds or Italian Public Utility Credit Institute bonds, as the case may be, in aggregate amounts of \$100 or any multiple thereof.

4. Commencing January 1, 1952, the three issues of bonds will be entitled to a cumulative sinking fund, calculated on the nominal amount of bonds to be outstanding initially, at the following rates:

|                                 |              |
|---------------------------------|--------------|
| 1952 to 1956 inclusive .....    | 1% per annum |
| 1957 and subsequent years ..... | 2% per annum |

such sinking fund to be applied semi-annually to the purchase of bonds at or below par or to the extent not so obtainable in redemption at par of bonds to be selected by drawings.

5. The Government of Italy is prepared to agree to set aside monthly in a segregated account with the Bank of Italy foreign exchange equivalent to 1/6 of the semi-annual service requirement for the three issues of bonds.

\* \* \*

The respective approximate principal amount of the three proposed 3% thirty year bonds to be outstanding (including bonds issued in settlement of all

arrears of interest to January 1, 1947) are shown in the attached tabulation, which also sets forth a schedule of the relative interest and amortization payments.

\* \* \*

No provision is being made at this time for the outstanding bonds of the General Italian Edison Electric Company, all of which bonds are owned by the International Power Securities Corporation, because of negotiations presently being conducted by General Italian Edison Electric Company with the International Power Securities Corporation looking toward the exchange of such bonds for stocks of the General Italian Edison Electric Company.

Sir:

I have the honor to acknowledge receipt of your note of this date in the following terms:

[*See note VII*]

The plan proposed by you with respect to the unrepatriated bonds of the Italian dollar issues, service on which has been suspended since 1940, satisfactorily complies with the obligations undertaken by the Government of Italy in paragraph 17 of Article IV of the "Memorandum of Understanding between the Government of the United States of America and the Government of Italy regarding settlement of certain wartime claims and related matters".

Accept, Sir, the renewed assurances of my highest consideration.

Robert A. LOVETT  
Acting Secretary of State

The Honorable Ivan Matteo Lombardo  
Chief of the Italian Economic and Financial Delegation
