ANNEX TO AGREEMENT BETWEEN THE GOVERNMENT OF THE UNITED STATES OF AMERICA AND THE GOVERNMENT OF GREECE FOR FREE ENTRY AND FREE INTERNAL TRANSPORTATION OF RELIEF SUPPLIES AND PACKAGES FROM THE UNITED STATES TO GREECE

The purpose of this annex is to establish procedures for the orderly receipt, transportation and delivery of the relief supplies, packages and standard packs referred to in the Agreement between the Governments of the United States of America and of Greece, into which this is incorporated.

The Government of Greece and the ECA Mission will make jointly, and by common accord, a more detailed definition as to the qualification of imported goods as relief items, but always within the framework of general ECA definitions.

Article I

1. The Government of Greece and the ECA Mission will consult with respect to measures to safeguard the proper delivery and use of relief supplies being transmitted to Greece from individuals and approved relief organizations in the United States. Provisions of this Agreement will apply whether the relief packages or supplies are being consigned directly to an individual in Greece by an individual or an approved organization in the United States, or whether they are being delivered to an individual in Greece by Greek branch office of Voluntary Relief Agencies certified by the ECA Advisory Committee and approved by the Greek Government.

2. An individual who is to be the recipient of a relief package will in accordance with the requirements of the Government of Greece, submit a responsible statement duly legalized by an appropriate Greek State Authority or Service, before delivery of the package will be made to him that:

(a) He is the actual person named as the recipient. He will provide suitable identification if required;

(b) The relief packages or packs in question will be used exclusively by himself and his family; and

(c) The supplies in question will not be resold or delivered for resale and that no other disposition except personal use or consumption will be made of them.

No other test shall be required to entitle the recipient to the delivery of a relief package or pack.

Article II

No person may, in any calendar year, receive more than thirty-six relief packages or packs, as defined herein.

These packages and packs shall be of a maximum weight per package as shall be established by the Greek postal authorities; *provided* that nothing herein shall be construed to forbid an approved American Relief Agency from receiving an unlimited number of such packages or packs; and *provided*, further, that nothing in this Article shall be construed to limit the number of packages or packs that may be received by an individual engaged in charity or philanthropic works in Greece for distribution to needy persons if such individual has the approval of the Government of Greece for such distribution work.

Article III

The ECA Mission will transmit to the Government of Greece a list of the American Voluntary Relief Agencies approved by the ECA Advisory Committee in Washington, for operations in Greece under Section 117 (C) of the Foreign Assistance Act of 1948. The Government of Greece will thereupon decide whether to approve such organizations for the receipt and distribution of relief packages within Greece, and shall notify the Chief, ECA Mission of such decision.

Article IV

The Government of Greece shall reimburse the approved American Voluntary Relief Agencies out of the special account for all costs incident to the transportation of relief supplies in Greece. The term "transportation", as used in this Article, shall be deemed to include, but not by way of limitation, receipt, storage and delivery.

Article V

Reimbursements to American Voluntary Relief Agencies, referred to in Article IV, *supra*, to the Greek Postal Service and any other transportation or delivery facility referred to in the Agreement, shall be retroactive to July 2, 1948; *provided*, however, that such Agencies, Services or Facilities shall have presented documentary evidence of the payment of transportation charges, showing in each case the dates, quantities and sums involved.

Article VI

No reimbursement for transportation costs, whether retroactive or prospective, shall be made by the Government of Greece out of the special account, to any Agency, Service or Facility on account of transportation costs incurred in the distribution of relief supplies without the prior approval of the person designated by the Chief, ECA Mission for the purpose.
