[TRANSLATION — TRADUCTION]

No. 1580. PROTOCOL¹ BETWEEN THE FEDERAL PEOPLE'S REPUBLIC OF YUGOSLAVIA AND THE UNION OF SOVIET SOCIALIST REPUBLICS CONCERNING THE LIQUIDATION OF THE USSR-YUGOSLAV DANUBE STEAMSHIP JOINT-STOCK COMPANY " JUSPAD " AND THE USSR-YUGOSLAV CIVIL AVIATION JOINT-STOCK COMPANY " JUSTA ". SIGNED AT BELGRADE, ON 31 AUGUST 1949

In connexion with the liquidation of the USSR-Yugoslav Danube Steamship Joint Stock Company (" Juspad ") and the USSR-Yugoslav Civil Aviation Joint Stock Company (" Justa "), the Government of the Federal People's Republic of Yugoslavia and the Government of the Union of Soviet Socialist Republics have agreed as follows :

Article 1

The Agreements² of 4 February 1947 between the Government of the Federal People's Republic of Yugoslavia and the Government of the Union of Soviet Socialist Republics concerning the establishment of the " Juspad " and " Justa " Companies shall cease on the date of signature of this Protocol.

Article 2

The investments made by the Soviet Union in the share capital of the " Juspad " and " Justa " Companies shall be restored as follows :

(a) The property, listed in annex 1 of this Protocol, invested by the Union of Soviet Socialist Republics in the share capital of the " Juspad " and " Justa " Companies shall be returned to the Union of Soviet Socialist Republics and shall be exported from Yugoslavia within twelve days of the signature of this Protocol. All the goods exported shall be exempt from taxes, customs duty and charges.

The Government of the Federal People's of Yugoslavia shall bear all the expenses connected with the dismantling, packing and loading of the goods listed in annex 1, and shall also carry out all necessary formalities connected with the export of the said property.

¹ Came into force on 31 August 1949, as from the date of signature, in accordance with article 7.

² See p. 171 of this volume.

The Government of the Federal People's Republic of Yugoslavia shall ensure that the goods exported are properly stored and undamaged.

(b) The Government of the Federal People's Republic of Yugoslavia shall pay the transport costs of exporting the goods listed in annex 1, which shall be transported by rail or water as the Soviet Union shall require. These expenses shall be defrayed by the Government of the Federal People's Republic of Yugoslavia until the station of Čop if the goods are transported by rail, and until the port of Reni if they are transported by water.

The competent authorities of the USSR shall take the necessary steps to ensure that the trucks or vessels used to convey the goods to Čop or Reni are unloaded and returned as soon as possible.

(c) The goods valued in annex 2 at 6,742,100 dinars (six million, seven hundred and forty-two thousand, one hundred dinars) and invested by the USSR in the share capital of the "Juspad" Company shall be sold to the Government of the Federal People's Republic of Yugoslavia.

(d) The goods invested by the USSR in the share capital of the "Juspad" and "Justa" Companies and used by the Companies during their operation shall be paid for by the Government of the Federal People's Republic of Yugoslavia to the Government of the Union of Soviet Socialist Republics in cash to the amount of 9,257,762 dinars (nine million, two hundred and fifty-seven thousand, seven hundred and sixty-two dinars), in accordance with annex 3.

(e) The sum of 12,500,000 dinars (twelve million, five hundred thousand dinars) invested in cash by the Union of Soviet Socialist Republics in the share capital of the Companies (7,500,000 dinars in "Juspad" and 5,000,000 dinars in "Justa") shall be returned to the Union of Soviet Socialist Republics.

Article 3

The sums referred to in article 2, paragraphs (c), (d) and (e) of this Protocol, amounting to 28,499,862 dinars (twenty-eight million, four hundred and ninety-nine thousand, eight hundred and sixty-two dinars), shall be paid by the Government of the Federal People's Republic of Yugoslavia within a week of the signature of this Protocol into the clearing account opened between the Federal People's Republic of Yugoslavia and the Union of Soviet Socialist Republics in pursuance of the Protocol of 29 December 1948.

The Government of the Federal People's Republic of Yugoslavia shall supply the Government of the Union of Soviet Socialist Republics before 31 December 1949 at current world market prices with goods to the value of the aforesaid sum of 28,499,862 dinars, in accordance with annex 4 of this Protocol.

The amount of the goods to be supplied shall be agreed upon by the Ministry of Foreign Trade of the Federal People's Republic of Yugoslavia and the Trade Delegation of the Union of Soviet Socialist Republics in the Federal People's Republic of Yugoslavia.

Article 4

The Government of the Union of Soviet Socialist Republics shall be liable for all payments due from the "Juspad" and "Justa" Companies to individuals and legal persons of the Union of Soviet Socialist Republics.

The Government of the Federal People's Republic of Yugoslavia shall be liable for all other payments due from the Companies in respect of their period of operation until their winding-up, and on signature of this Protocol shall become the owner of all property of "Juspad" and "Justa" not referred to in article 2 of this Protocol.

Article 5

The Federal People's Republic of Yugoslavia and the Union of Soviet Socialist Republics shall if necessary take steps to have the case of the tug "Taš" objectively investigated by the competent authorities, and shall defray in equal shares any liability arising therefrom.

Article 6

The Government of the Federal People's Republic of Yugoslavia undertakes to do everything necessary to secure the legal winding-up of the "Juspad" and "Justa" Companies through the Yugoslav authorities and to defray all the costs thereof.

Article 7

This Protocol has four annexes, initialled by the representatives of both Parties. These annexes, which are referred to in the Protocol, shall constitute an integral part of the Protocol.

This Protocol shall come into force immediately upon its signature.

DONE in duplicate at Belgrade on 31 August 1949, in Serbo-Croat and Russian, both texts being equally authentic.

From "Juspad" Company

1.	Hydraulic press, 1600 kg., model 1.6 × 140, make Vogel	piece	1	1
2.	Hydraulic press, 40 tons, make Sachs and Green	piece	1	1
3.	Contour-cutting shears, model A-6, 1260 Pels	piece	1	1
4.	Circular grinding machine, model 316 . .	piece	1	1
5.	Radial drilling machines, model 255 and RF-3	piece	2	2
6.	Turret lathe, model 1336	piece	1	1
7.	Pneumatic hammer, model 412, Besse . .	piece	1	2
8.	Universal grinding machines, model 3 A-64	piece	5	6
9.	Cylinder-boring machine, model 2685 . .	piece	1	1

<i>Series No.</i>	<i>Designation</i>	<i>Unit</i>	<i>Quantity</i>	<i>Number of packages</i>
10.	Screw-cutting lathes, model 1615	piece	12	12
11.	Grinder for cleaning castings, model 3 A-332	piece	1	1
12.	Turret lathe, model 1325	piece	1	1
13.	Pneumatic hammers, model 411, 75 kg.	piece	2	4
14.	Metal hacksaws, motor-driven, No. 8715	piece	2	2
15.	Vertical milling machines, model 6 B-12	piece	2	2
16.	Eccentric press, model 417	piece	1	2
17.	Screw-cutting lathes, model 1d-62, range 200 × 1000 DIP	piece	15	15
	Screw-cutting lathes, model 1d-62, range 200 × 1500	piece	2	2
18.	Lathes, regular, model 736	piece	8	8
19.	Grinder for flat grinding, model 371	piece	1	1
20.	Universal milling machine, model 6B-82	piece	1	1
21.	Shears, model 911	piece	3	5
22.	Pneumatic hammer, model 412, 150 kg., Besse	piece	1	2
23.	Bench drill presses NS-12	piece	5	5
24.	Universal milling machine, model 678	piece	1	1
25.	Universal dividing heads	piece	4	4
26.	Wood milling machine, motor driven, R.M. 5	piece	1	1
27.	Files, No. 18, 300 mm.	piece	2580	33
	Files, No. 20, 300 mm.	piece	300	
28.	Various mills, according to specification	piece	236	
29.	Various drills, according to specification	piece	1838	
30.	Cylindrical hand reamers, according to specification	piece	35	
31.	Ship's reamers, according to specification	piece	682	18
32.	Tap wrenches, mechanical, 1/4-1/2 in.	piece	3	1
33.	Pneumatic hammers, RM 3 KM 3	piece	101	16
34.	Brunell apparatus, PBM	piece	1	2
35.	Rockwell-Wilson apparatus	piece	1	1
36.	Drill press, electrical, FD-100.	piece	18	1
37.	Lathe chucks, 240 mm.	piece	10	8
			(2 pieces packed with item 25)	
38.	Pipe pliers and wrenches, Boko	piece	12	
39.	Drill chucks, 15 mm. Jacobs	piece	10	1
40.	Hand drills	piece	9	1
41.	Steel tubes			
	(a) 64.5 × 88.9 nipple	kg.	2720	31
	(b) D-70 mm. air lead	kg.	18239	268
