WHEREAS the Government of Iraq (hereinafter referred to as the Government), desires the aid of the Fund for the benefit of children and adolescents and expectant and nursing mothers within its territories, and

WHEREAS representatives of the Fund and of the Government have considered the need for such aid in Iraq and

WHEREAS the Government has submitted its own programme of aid for the benefit of children and adolescents and expectant and nursing mothers, and has drawn up plans of operation with respect to the proper utilization and distribution of supplies or other assistance which the Fund may provide, and the Fund has approved its own participation in said plans,

NOW, THEREFORE, the Government and the Fund have agreed as follows :

ARTICLE I

Furnishing of supplies and services

A. The Fund, within its determination of requirements, what is useful to satisfy its aims, and the limits of its resources, will provide supplies and services for the aid and assistance of the children, adolescents and expectant and nursing mothers of Iraq. Should the Fund sell any of these supplies, it should be in accordance to conditions to be agreed upon.

¹ Came into force on 10 December 1951, as from the date of signature, in accordance with article IX.

² United Nations document A/64/Add. 1.

B. The Government will, in accordance with the approved plan of operations and such amendments as may be agreed upon at a later date by the Fund and the Government, provide supplies and services for the children, adolescents and expectant and nursing mothers of Iraq and undertakes that the supplies furnished by the Fund will be distributed to and for the benefit of such persons in accordance with the aforesaid plans of operations.

C. The amounts and the character of the supplies to be provided by the Fund and the Government respectively for the benefit of children, adolescents, and expectant and nursing mothers of Iraq, will be determined from time to time for such successive periods of operation as may be convenient, through mutual consultation and understanding between the Fund and the Government.

D. The Fund will make no request, and shall have no claim, for payment for the supplies and services furnished by it under this agreement.

ARTICLE II

Transfer and distribution of supplies

A. The Fund, while retaining full ownership of its supplies until consumed or used by the ultimate recipient for whom these supplies are intended, will entrust its supplies to the Government or those agencies within mutually agreed upon between the Government and the Fund, for distribution on behalf of the Fund for the benefit of children, adolescents, and expectant and nursing mothers in Iraq in accordance with the approved plan of operations and in conformity with the policies of the Fund.

B. The Government will distribute supplies furnished by the Fund in accordance with the approved plan of operations through the Agencies, or channels, mutually approved from time to time by the Government and the Fund. In distributing or otherwise handling such supplies the Government shall act as agent for the Fund until the supplies are consumed or used.

No ration plan currently in force at the time of approval of the plan of operations referred to in Section B of Article I shall be modified by reason of supplies furnished by the Fund so as to reduce the assistance by the Government of Iraq for children, adolescents, and nursing and expectant mothers.

D. It is agreed that supplies and services provided by the Fund are to be in addition to, and not in substitution for, the budget charges which the Government has established for similar activities.

E. The Government agrees that the Fund may, in its discretion, cause such distinctive markings to be placed upon the supplies provided by the Fund as the Fund may deem necessary to indicate that the supplies in question are intended for the aid and assistance of children and adolescents and expectant and nursing mothers under the auspices of the International Children's Emergency Fund.

F. No recipient of supplies provided by the Fund shall be required to pay directly or indirectly for the cost of these supplies.
