The Government of Denmark (hereinafter referred to as "the Government") and the World Health Organization (hereinafter referred to as "the Organization"),

Considering the resolutions of the First World Health Assembly concerning the World Salmonella Centre in Copenhagen;

Considering the Agreement signed at Copenhagen on 14 February 1951 and at Geneva on 19 February 1951;<sup>2</sup>

Considering Resolution EB9/R/10 adopted by the Executive Board at its Ninth Session concerning the inclusion of the Escherichia in the activities of the World Salmonella Centre at the Statens Serum Institut, Copenhagen,

HAVE AGREED AS FOLLOWS :

#### *Article I*

The World Salmonella and Escherichia Centre, established at the Statens Serum Institut, Copenhagen, will :

- (a) Collect, identify and type salmonella and escherichia strains;
- (b) supply free of charge to national salmonella centres, salmonella and escherichia strains and diagnostic sera;
- (c) carry out further research work in salmonella and the escherichia.

---

<sup>1</sup> Came into force on 28 April 1952, upon signature, in accordance with article V.

<sup>2</sup> United Nations, *Treaty Series*, Vol. 104, p. 243.

*Article II*

In remuneration for the above services, the Organization will make an annual grant to the World Salmonella and Escherichia Centre of Danish Crowns 138, 140, so long as this Agreement remains in force.

*Article III*

If the World Salmonella and Escherichia Centre is obliged to incur expenses in currencies other than Danish Crowns to carry out the services set forth in Article I above, the Organization may, within the total amount of the annual grant in any one year, pay to or on behalf of the World Salmonella and Escherichia Centre such sums and currencies other than Danish Crowns as are required to meet the said expenses.

*Article IV*

Upon its entry into force, this Agreement shall replace the Agreement signed by the representatives of the Government and the Organization at Copenhagen on 14 February 1951 and at Geneva on 19 February 1951, which shall thereupon be terminated.

*Article V*

This Agreement shall enter into force upon signature.

*Article VI*

This Agreement may be terminated by either party upon the 31st day of December of any year by twelve months' notice in writing given to the other party.

IN WITNESS WHEREOF the undersigned, duly appointed representatives of the parties, have on behalf of the parties signed this Agreement.

DONE in duplicate at Copenhagen on the 28th day of April 1952
