LUCIA) CONCERNING THE ACTIVITIES OF UNICEF IN ST. LUCIA. SIGNED AT GRENADA, ON 16 DECEMBER 1952, AND AT NEW YORK, ON 31 DECEMBER 1952

The International Children's Emergency Fund and Her Majesty's Government in the United Kingdom of Great Britain and Northern Ireland,

Taking note of the Resolution of the General Assembly of the United Nations, number 57 (I) of 11th December 1946,² creating an International Children's Emergency Fund (hereinafter referred to as "the Fund") to be utilised and administered for the benefit of certain children and adolescents and for the purpose of child health generally;

Considering that the Administration of St. Lucia (hereinafter referred to as "the Administration") desires the aid of the Fund for the benefit of children and adolescents and nursing and expectant mothers (hereinafter referred to as "the persons to be aided") in its territories;

Considering that the Administration has with the approval of Her Majesty's Government in the United Kingdom of Great Britain and Northern Ireland (hereinafter referred to as "Her Majesty's Government") submitted to the Fund a programme of aid for the benefit of the persons to be aided, and a plan of operations with respect to the proper utilisation and distribution of any supplies or other assistance which the Fund may provide;

Considering that the Fund has approved the said plans and its own participation therein;

Desiring to take such measures as are appropriate to ensure that the said plans are carried out for the benefit of the persons to be aided in accordance with the purposes of the Fund;

Have agreed as follows :

Article I

1. The Fund, within its determination of requirements and the limits of its resources, shall provide supplies and services for the benefit of the persons to be aided.

¹ Came into force on 31 December 1952, as from the date of signature, in accordance with article X.

² United Nations document A/64/Add.1.

2. The Administration shall provide supplies and services for the persons to be aided in accordance with the approved plan of operations (hereinafter referred to as "the Plan").
3. The Administration undertakes to distribute supplies provided by the Fund in accordance with the Plan and in conformity with the policies of the Fund.
4. The amounts and character of the supplies to be provided under paragraphs 1 and 2 of this Article shall be determined from time to time by agreement between the Administration and the Fund for such successive periods of operation as may be convenient.
5. The Fund shall not be entitled to payment in foreign exchange for the supplies and services provided by it in accordance with this Article.

Article II

1. Supplies provided by the Fund shall remain its property until consumed or used by the persons to be aided. The supplies will be entrusted to the Administration as agent of the Fund for distribution on behalf of the Fund.
2. The Administration shall distribute supplies provided by the Fund through the agencies or channels approved from time to time by the Administration and the Fund. The Administration shall ensure that such supplies are dispensed or distributed equitably and efficiently on the basis of need without discrimination because of race, creed, nationality status or political belief.
3. The supplies and services provided by the Fund shall be in addition to and not in substitution for any budget charges which the Administration has established for similar activities.
4. The persons to be aided shall not be required to pay directly or indirectly for the cost of any supplies provided by the Fund received by them.
5. The Fund may at its discretion cause such distinctive markings to be placed upon the supplies provided by it as may be deemed necessary to indicate that such supplies are provided under the auspices of the Fund.
6. The Administration shall make all arrangements for, and shall meet all operational and administrative expenses or costs incurred in the currency of St. Lucia with respect to the reception, unloading, warehousing, transportation, and distribution of the supplies provided by the Fund.

Article III

There shall be no obligation on the Fund to provide any of the supplies referred to in paragraph 1 of Article I if the Administration exports supplies

of the same or similar character, except in such special circumstances as may arise and are approved by the Programme Committee of the Executive Board of the Fund.

Article IV

1. The Administration shall maintain adequate accounting and statistical records of the Fund's operations necessary to discharge the Fund's responsibilities, and shall consult with the Fund, at its request, with respect to the maintenance of such records.
2. The Administration shall furnish the Fund with such records, reports and information as to the operation of the Plan as the Fund may find necessary to the discharge of its responsibilities.

Article V

1. The Administration and the Fund undertake to establish a close and cordial relationship of cooperation between officials of the Administration and officers of the Fund. The Fund shall provide duly authorized officers to be available periodically in St. Lucia for consultation and cooperation with the appropriate officials of the Administration with respect to the shipment, receipt, and distribution of the supplies furnished by the Fund, to consider and review the needs of the persons to be aided, to advise the Headquarters of the Fund of the progress of operations under the present Agreement and of any problems which the Administration may wish to submit to the Fund with regard to assistance for the benefit of the persons to be aided.
2. The Fund may maintain an office in St. Lucia through which its officers may be reached and through which it may conduct its principal business.
3. The Administration shall facilitate employment by the Fund as officers, clerical staff or otherwise of such residents of St. Lucia as may be required to discharge the Fund's functions under the present Agreement.
4. The Administration shall permit authorized officers of the Fund to have access to such records, books of account, or other appropriate documents with respect to the distribution of supplies furnished by the Fund, as may be necessary to satisfy the Fund of the Administration's compliance with the terms of the present Agreement. The Administration shall further permit authorized officers of the Fund entire freedom to observe distribution of such supplies and to examine the processes and technique of distribution and make observations with respect thereto to the appropriate authorities of the Administration.

5. The Administration shall, in agreement with the Fund, make arrangement for, and meet the cost of expenses incurred in the currency of St. Lucia, with respect to the housing, subsistence, automobile transportation, and travel of the officers to be provided by the Fund under this Article, and the establishing, equipping and maintaining of the office if established in St. Lucia under paragraph 2 of this Article, together with the necessary clerical and other assistance, and postal, telegraphic and telephone communications, for the authorized activities of the officers and the office above mentioned.

Article VI

1. The Fund, its assets, property, income and its operations and transactions of whatsoever nature, shall be immune from all taxes, fees, tolls, or duties imposed by the Administration or by any political subdivision thereof or by any other public authority in St. Lucia. The Fund shall also be immune from liability for the collection or payment of any such taxes, fees, tolls or duties.

2. No tax, fee, toll or duty shall be levied by the Administration or any political sub-division thereof or any other public authority on or in respect of salaries or remuneration for personal services paid by the Fund to its officers, employees, or other Fund personnel who are not British subjects born in St. Lucia or permanent residents of St. Lucia.

3. The Administration shall take such action as is necessary for the purpose of giving effect to the provisions of this Article. In addition, the Administration shall take whatever other action may be necessary to ensure that supplies and services furnished by the Fund are not subjected to any tax, fee, toll or duty in a manner which reduces the resources of the Fund.

Article VII

The Administration shall grant to the Fund and its personnel the privileges and immunities contained in the General Convention on Privileges and Immunities adopted by the General Assembly of the United Nations on the 13th February 1946.¹
