STATEMENT CONCERNING THE RETENTION IN GERMANY OR REMOVAL AS REPARATIONS OF THE GERMAN INDUSTRIAL PLANTS LISTED BY THE HUMPHREY COMMITTEE

The Governments of France, the United Kingdom and the United States agree that of the 167 plants reviewed and to which reference is made in the Note of the United States Government of 25th January, 1949,² the following plants shall be dismantled and removed for reparations, and all others shall be retained in Germany on the grounds that in their present location they will more effectively contribute to European Recovery.

¹ Came into force on 8 April 1949, upon confirmation and approval by the Foreign Ministers of the French Republic, the United Kingdom of Great Britain and Northern Ireland, and the United States of America.

² Not printed by the Department of State of the United States of America.
