Such rate of exchange shall be as agreed upon at such time between the Government of the Philippines and the Government of the United States, provided that at no time shall it be lower than the par value (price of the dollars in terms of pesos) agreed with the International Monetary Fund.

(b) The Government of the Philippines shall deposit, upon receipt, the local currency accruing to it from the sale of commodities or services supplied under this agreement, or otherwise accruing to it as a result of the import of such commodities or service. 4. Five percent of each deposit made pursuant to this Section shall be allocated to the use of the Government of the United States of America for its expenditures in the Philippines and sums made available pursuant to paragraph 3 of this Section for Administrative expenditures shall first be charged to the amounts allocated under this paragraph.

5. The Government of the Philippines will further make such sums of pesos available out of any balances in the Special Account as may be necessary to cover costs (including port, storage, handling, and similar charges) of transportation from any point of entry in the Philippines to the consignee's designated point of delivery in the Philippines of such commodities as are referred to in Section 3 of this Annex.

6. The Government of the Philippines may draw upon any remaining balance in the Special Account for such purposes as may be agreed upon from time to time with the Government of the United States of America. In considering proposals hereunder, both Governments will give priority to the needs for local currency to carry out the measures covered by this agreement.

7. Any unencumbered balance other than unexpended amounts allocated under paragraph 4 of this Section, remaining in the Special Account upon the termination of this agreement, shall be disposed of within the Philippines for such purposes as may hereafter be agreed between the Governments.

The Government of the Philippines will cooperate with the Government of the United States of America to assure that procurement of commodities and services made available hereunder will be at reasonable prices and on reasonable terms. Commodities and services made available hereunder may be distributed within the Philippines on terms and conditions mutually agreed upon between the two Governments.

Section 5

Trade Arrangements

The Government of the Philippines will cooperate with other countries to reduce barriers to international trade and to take appropriate measures singly and in cooperation with other countries to eliminate public or private restrictive practices hindering domestic or international trade. It is understood that such restrictive practices referred to above mean those which :
