The American Legation to the Libyan Ministry of Foreign Affairs

No. 45

NOTE VERBALE

The Legation of the United States of America presents its compliments to the Ministry of Foreign Affairs of the United Kingdom of Libya and has the honor to refer to the *Point IV Agreement for Technical Cooperation between the United States of America and Libya* which was signed on behalf of the United States of America and the United Kingdom of Libya at Tripoli, Libya, on January 21, 1952,² and to request of the United Kingdom of Libya that the two Governments cooperate in a program of natural resources development, which program will be governed by the terms and conditions of the said General Agreement.

In accordance with the request of the Libyan Government the United States Government plans to select and assign technical experts and specialists in the field of natural resources development. Such technicians will provide professional and advisory services, will train Libyan technical personnel and will assist in carrying out cooperative activities in this field in accordance with the said General Agreement.

In addition to the services of the aforementioned technicians, the Government of the United States of America will contribute before June 1, 1952, to the program of natural resources development through the Libyan-American Technical Assistance Service, Fifty-six Thousand Dollars (\$56,000) for sup-

plies, materials and equipment, construction and rehabilitation of buildings, including housing, office space, work shops, etc., and facilities, salaries, and expenses of personnel other than the aforementioned technicians, training of Libyans, contractual services, local travel, and such other activities as are required to carry out this program.

In accordance with the terms of the Agreement entered into between the two Governments on January 21, 1952, it is understood that the Government of Libya will make available as its fair share of the programs undertaken pursuant to the said Agreement of January 21, 1952, such funds, lands, buildings, and local goods and services as may be agreed upon between the Director of the Libyan-American Technical Assistance Service and the Special Representative of the Government of Libya in Operational Agreements.

It is understood that additional contributions to the program may be made by either Government as the program expands and as such funds are available.

This arrangement will be effective for a period of two years from the date of reply of the Government of Libya concurring herein or until sixty (60) days after either Government has informed the other in writing of its intention to terminate this arrangement, or until superseded by a new arrangement, whichever is earlier.

Upon receipt of a Note from the Government of Libya indicating that the foregoing arrangements are acceptable, the Government of the United States will take such further steps as may be necessary for the initiation of this program.

The Legation of the United States of America avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the United Kingdom of Libya the assurances of its highest consideration.

The Libyan Ministry of Foreign Affairs to the American Legation

UNITED KINGDOM OF LIBYA
MINISTRY FOR FOREIGN AFFAIRS

No. 541

NOTE VERBALE

The Ministry of Foreign Affairs of the United Kingdom of Libya presents its compliments to the Legation of the United States of America and has the honour to refer to the Legation Note Number 45, dated April 30, 1952, in which the Legation requested that the Governments of the United States of America and the United Kingdom of Libya cooperate in a programme of natural resources development, which programme will be governed by the terms and conditions of the *Point IV Agreement for Technical Cooperation between the United States of America and Libya*.

The Ministry of Foreign Affairs is pleased to inform the Legation that the Government of the United Kingdom of Libya finds the arrangements stipulated in the Legation's Note Number 45, dated April 30, 1952, acceptable and concurs with the proposal that the Government of the United States of America take such further steps as may be necessary for the initiation of the natural resources development programme.

The Ministry of Foreign Affairs of the United Kingdom of Libya takes this opportunity to express to the Legation of the United States of America the assurances of its highest consideration.
