SIGNED AT LONDON, ON 29 NOVEMBER 1954

The Government of the United Kingdom of Great Britain and Northern Ireland and the Imperial Ethiopian Government ;

Desiring to terminate the temporary arrangements provided for in Article VII of the Anglo-Ethiopian Agreement signed at Addis Ababa on December 19, 1944 ;² and

Desiring to implement the provisions of the Anglo-Ethiopian Treaty signed at Addis Ababa on May 14, 1897,³ relating to grazing rights ;

Have agreed as follows :—

Article I

The full and exclusive sovereignty of Ethiopia over the territories which are set forth in the attached Schedule (hereinafter referred to as "the territories"), recognised by the Anglo-Ethiopian Treaty of 1897, is hereby reaffirmed. As from February 28, 1955, British Military Administration for which temporary provision was made under the Anglo-Ethiopian Agreement of December 19, 1944, shall be withdrawn from the Reserved Area as defined in the Schedule to that Agreement and from that part of the Ogaden which is at present under British Military Administration. The Imperial Ethiopian Government shall, from that date, reassume jurisdiction and administration of, in and over the territories.

Article II

The right of tribes coming respectively from Ethiopia and the Somaliland Protectorate to cross the frontier for the purpose of grazing, as originally set out in the Anglo-Ethiopian Treaty of 1897 and the letters annexed thereto, is reaffirmed

by the two Contracting Parties who shall take steps to ensure that as far as possible tribal grazing rights in the area shall be protected.

Article III

Subject to the jurisdiction and administration of the Imperial Ethiopian Government and to their responsibility for the maintenance of public order, the facilities and powers set out below are hereby accorded within the territories by the Imperial Ethiopian Government as a special arrangement designed to meet the circumstances under which tribes from the Somaliland Protectorate utilise the territories for the purpose of grazing, which tribes are hereinafter called "the tribes" :—

- (a) Without prejudice to the jurisdiction of the Imperial Ethiopian Government and whilst the tribes are in the territories, the tribal organisation consisting of the system of local authorities (Akils), tribal police (Illalos) and Elders, as set up and recognised by the Government of the Somaliland Protectorate, shall continue to function and the tribes may be given from time to time instructions on internal tribal and inter-tribal matters as appropriate from the Government of the Somaliland Protectorate ; and the tribal organisation shall have the responsibility of maintaining law and order among the tribes. The tribal organisation shall not be used for political agitation within Ethiopia and nothing in this Agreement shall authorise political agitation by the tribes or members thereof. There shall be no more than 700 Illalos at any one time in the territories. Apart from the Akils, Illalos, Elders and Liaison Officer and such staffs as are or may be provided under sub-paragraphs (d) and (e) below, there shall be in the said territories no officials of, or appointed by, the Government of the Somaliland Protectorate except by agreement with the Imperial Ethiopian Government.
- (b) Cases involving only persons who are members of the tribes or members of the tribes and the liaison officer or members of his staff shall, if so triable, be tried by Protectorate Courts sitting inside the Somaliland Protectorate. Cases involving both Ethiopians and members of the tribes shall be tried by Ethiopian courts but the British liaison officer referred to in sub-paragraph (d) below or a member of his staff shall have the right to be present in court. He shall be given an opportunity to provide any relevant information.
- (c) Without prejudice to the full powers of arrest in the territories on the part of the Ethiopian police, the Illalos shall have full powers of arrest over members of the tribes and any other person where such arrest is necessary to prevent the imminent commission by such person of a serious crime involving members of the tribes or the liaison officer or his staff, or the escape of such person

immediately after the commission of a crime involving members of the tribes or the liaison officer or his staff. Any Ethiopian national arrested by Illalos shall be delivered for custody at the earliest opportunity to the Ethiopian authorities. Any person arrested by the Ethiopian police who, under subparagraph (b) of this article, is to be tried by the Protectorate Courts, shall be delivered for custody at the earliest opportunity to the tribal authorities.

- (d) There shall be a British liaison officer with the necessary staff appointed by the Government of the Somaliland Protectorate who may reside in and shall be permitted to move freely in the territories. The liaison officer and his staff shall hold themselves at all times available for consultation by the Ethiopian authorities, and their advice shall be sought by the Ethiopian authorities in the conduct of the latter's affairs with the tribes. While the tribes are in the territories the liaison officer and his staff shall be responsible to the Government of the Somaliland Protectorate for transmitting to the tribes the instructions of the Government of the Somaliland Protectorate referred to in subparagraph (a) above, and they shall promptly inform the Ethiopian authorities of the substance of such instructions. They shall also, as and when requested by the Imperial Ethiopian Government, transmit the latter's instructions on other matters when not directly or otherwise issued to the tribes by that Government.
- (e) Medical, veterinary and educational services hitherto provided for the tribes within the territories may continue to be provided at the existing scale during the presence of the tribes in the territories, and the two Contracting Parties agree at the request of either to negotiate regarding the provision to the tribes of any expansion of or addition to these services including the provision of water supplies.

Article IV

Reciprocal facilities and powers corresponding to those provided for in this Agreement in respect of tribes from the Somaliland Protectorate shall, subject to corresponding obligations, be accorded to the Imperial Ethiopian Government in those areas of the Somaliland Protectorate which the Ethiopian tribes may enter pursuant to the provisions of article II of this Agreement.

Article V

The provisions of this Agreement shall be subject to review at any time at the request of either Contracting Party. Unless otherwise agreed the Agreement shall remain in force for a period of fifteen years, at the end of which period, unless six months prior notice of termination shall have been given by either Contracting Party, it shall continue to remain in force until six months after the sending by either Contracting Party to the other of a notice of termination.

The termination of this Agreement shall not affect the grazing rights referred to in article II.

Article VI

This Agreement shall come into force on signature and shall replace the provisions relating to the territories in the Anglo-Ethiopian Agreement of December 19, 1944, including the annexes and schedules appended thereto and the provisions of the Protocol of July 24, 1948. It is further agreed that all questions concerning the administration of the territories pursuant to the provisions of the aforementioned Protocol and Agreement have been disposed of by the present Agreement.

IN WITNESS WHEREOF, the undersigned, being duly authorised thereto by their respective Governments, have signed the present Agreement.

DONE in duplicate at London, this 29th day of November, 1954, in the English language.
