No. 3282. AGREEMENT<sup>1</sup> BETWEEN THE UNITED STATES OF AMERICA AND GREECE CONCERNING COMMUNITY RADIOS. SIGNED AT ATHENS, ON 18 AUGUST 1954

---

This agreement made and entered into in Athens, Greece, this eighteenth day of August, 1954, by and between the Government of the United States of America represented by The Honorable Cavendish W. Cannon and the Government of Greece represented by The Honorable Stefanos Stefanopoulos.

WHEREAS the Government of the United States owns a certain limited number of radio sets together with accessory equipment which it has allocated on loan to various Communities in Greece through Loan Agreements with the Mayors or Presidents of the respective Communities, a sample of which is hereby attached and made Schedule A<sup>2</sup> hereto, and spare parts now in the hands of the United States Information Service, and,

WHEREAS the Government of the United States is now desirous of transferring title on such radio sets, accessory equipment and spare parts to the Government of Greece and the Government of Greece is desirous of acquiring title to and accepting responsibility for maintenance and supervision of this property,

NOW THEREFORE the parties hereto do mutually agree as follows :

1. The Government of the United States hereby transfers to the Government of Greece title to the radio sets, accessory equipment and spare parts listed in Schedules B<sup>3</sup> and C<sup>4</sup> and made an integral part hereto and

The Government of Greece hereby accepts title to such radio sets, accessory equipment and spare parts under the following terms and conditions specifically agreed upon by the parties :

2. The actual transfer of the material listed in Schedule B will take place when protocols have been signed by committees formed of civil servants and appointed by respective Prefects, on behalf of the Government of Greece, and by the respective Mayors or Commune Presidents who now hold it.

---

<sup>1</sup> Came into force on 18 August 1954 by signature, in accordance with paragraph 8.

<sup>2</sup> See p. 167 of this volume.

<sup>3</sup> See p. 172 of this volume.

<sup>4</sup> See p. 190 of this volume.

The spare parts and other items listed in Schedule C and now in the hands of the United States Information Service will be turned over to the Government of Greece and a protocol will be signed on behalf of the Government of the United States by the Director of the Joint Administrative Services and on behalf of the Government of Greece by a Committee to be appointed by the Minister to the Prime Minister.

3. The transfer of title shall constitute a donation and shall be free of any monetary consideration on the part of the Government of Greece.

4. The Government of Greece agrees that the radio sets, accessory equipment and spare parts hereby transferred to the Government of Greece will be kept at all times free from customs duties and there will be no taxes, contributions, dues or charges of any kind imposed upon the Communities for using such radio sets and equipment except for the normal fees collected by the National Broadcasting Institute (E.I.R.) for possessing and using a radio set.

5. The Government of Greece agrees further that none of the radio sets, radio equipment or spare parts hereby transferred will be re-exported for sale in the United States of America, in competition with American business concerns.

6. The Government of Greece agrees also that the spare parts turned over to it will be furnished to the Communities without cost so long as these parts are available. The actual cost of transporting and installing such spare parts and all necessary repairs may be charged to the Communities in such a manner as the Government of Greece may find feasible.

7. It is understood that all radio sets issued by the Government of the United States to Communities, individuals and officials which are not listed in Schedule B shall remain the property of the Government of the United States.

8. This Agreement will be effective as of this date.

DONE in duplicate in the English and Greek languages, at Athens, this eighteenth day of August, 1954.

For the Government of the United States of America :

Cavendish W. CANNON  
American Ambassador

[SEAL]

For the Government of Greece :

Stefanos STEFANOPOULOS  
Minister of Foreign Affairs

[SEAL]

## SCHEDULE A

## AGREEMENT

No.

The Community of

Nemos of

This agreement, made and entered into in \_\_\_\_\_ Greece, this \_\_\_\_\_ day of \_\_\_\_\_, 1951, by and between the Government of the United States of America represented by \_\_\_\_\_ Contracting Officer Joint Administrative Services American Embassy, AMAG, ECA (hereinafter referred to as the Government, and duly constituted Mayor or President of the Community of \_\_\_\_\_ (hereinafter referred to as the Trustee),

WHEREAS, the Government of the United States has entered into an agreement with the Government of Greece, dated July 2, 1948,<sup>1</sup> providing for the furnishing of economic aid to Greece to assist its program of reconstruction, and

WHEREAS, it is necessary that the people of Greece have the opportunity to keep fully advised of the progress of the reconstruction program as well as of other current national and international news, through the means of radio programs and other sources of information, and

WHEREAS, the people of this Community are desirous of obtaining radio equipment which may be used by them for their information and benefit, and

WHEREAS, the Government of the United States owns and has available a certain limited number of radio sets, together with accessory equipment which may be used for this purpose.

Now, THEREFORE, the parties hereto do mutually agree as follows :

1. The United States Government does turn over to the Trustee on loan, radio equipment identified as follows (fill in or strike out as applicable) :

1 ECA Lorenz (or) RTA radio receiver and incidental attachments, serial number \_\_\_\_\_, ECA Stock Number \_\_\_\_\_, complete with loudspeakers.

1 KMS60 gasoline motor generator, serial number \_\_\_\_\_ ECA Stock Number \_\_\_\_\_

1 ECA Lorenz microphone and stand, ECA Stock Number \_\_\_\_\_

2. The Trustee does accept custody of the radio equipment described in paragraph 1, and specifically agrees that it will be operated under the following conditions :

<sup>1</sup> United Nations, *Treaty Series*, Vol. 23, p. 43 ; Vol. 79, p. 298 ; Vol. 132, p. 384, and Vol. 225, p. 250.

a. The equipment will be installed at some central point in the Community where it will be available for listening purposes at all times by the people of the Community, the exact location to be decided upon by the Committee referred to in (b) below and by an authorized representative of the United States Government.

b. The equipment will be maintained by a representative committee of three persons consisting of the Trustee, the head of the school system and a priest serving the demos or community. This committee will be responsible for seeing to it that the equipment is at all times kept in good repair, that the terms of this agreement are observed and that the equipment is operated so as to be of maximum benefit to all people of the Community.

c. Authorized representatives of the United States Government shall, at all times, have the right to inspect the radio equipment and its manner of operation and determine whether it is being used in full accordance with the provisions of this agreement. They will have the right to settle any questions concerning the use of the equipment which cannot be settled by the Committee or to remove the equipment as provided in paragraph 3.

d. There will be no charge made to the people of the community for the privilege of listening to the radio, nor will such privilege be dependent upon the listeners making payment to any taverna or other commercial enterprise for refreshments, seating facilities or for any other reason. The radio will be operated through a loudspeaker at a convenient place so that it can be effectively heard by large groups of people.

e. From time to time, a representative of the United States Government will deliver to the trustee schedules of important news broadcasts. It will be the responsibility of the Committee to see that priority is given to these news broadcasts over other programs merely of entertainment nature. In addition the Committee will make a brief report every 60 days to the Nomarch indicating generally the manner in which the equipment is being used and some of the broadcasts heard. These reports will be available to the United States Government for its use in determining if the equipment should remain in the demos or community.

f. If it is not possible for the Committee to keep the equipment in good working condition, the Trustee shall immediately contact a representative of the United States Government, so that arrangements can be made to put it in working order. Under no circumstance shall any numbers, identifying plates, seals, or other markings be removed from equipment.

3. It is understood that this radio equipment will continue to be the property of the United States Government but it may remain in the Community as long as it is serving a public benefit as described in this agreement. If at any time the Trustee on behalf of the Community indicates that the radio equipment is no longer desired or the United States Government decides that it should be removed for any reason, then this agreement will be cancelled and the Trustee will turn over said radio equipment to an authorized representative of the United States Government.

4. A copy of this agreement shall be posted in a conspicuous place near the radio at all times.

5. This agreement shall be binding upon all successors, in office of the Trustee.

IN WITNESS WHEREOF, the Parties hereto have hereunto subscribed their names as of the date above written.

## SCHEDULE C

## PART I. GASOLINE DRIVEN GENERATORS AND RELATED SPARE PARTS

(a) 8 complete generator units.

(b) Open boxes containing :

Carburetors and parts for fuel systems ;

Cylinders, crankshafts, bearings and related parts ;

Parts for electrical systems including magnetos, spark plugs, condensers, volt meters, brushes, etc. ;

Gaskets, couplers, washers, seals, nuts, bolts, etc. ;

Tools, including screwdrivers, pliers, cutters, socket wrenches, files, keys, etc.

(c) Parts requiring repair, including :

55 engines (individually boxed) ;

103 incomplete generator units ;

250 rotors.

(d) Complete cases marked as follows :

5 cases marked "SRE 146" ;

4 cases marked "No. 144" ;

8 cases marked "GR-54-3-CC-1-1".

## PART II. PARTS FOR RADIOS

(a) *Lorenz Radios*

Open boxes containing :

Approximately 1,000 resistors of varied types ;

Approximately 1,500 condensers of varied types ;

Approximately 1,000 tubes of varied types ;

Miscellaneous parts, including :

Fuses, pilot lights, dial cords, microphones, switches, interior speaker horns, transformers, knobs ;

18 new exterior speaker horns ;

45 used exterior speaker horns ;

50 microphone stands (shafts and bases) ;

Assorted lengths of wire on reels.

(b) *RTA Radios*

Open boxes containing :

Approximately 100 tubes of varied types ;

Miscellaneous parts, including :

Condensers, switches, dials, dial wire, transformers ;

10 new exterior speakers ;

5 used exterior speakers.

(c) Complete cases of radio parts marked as follows :

- 4 cases marked "AMAG 484" ;
  - 3 cases marked "AMAG 2013" ;
  - 6 cases marked "186" ;
  - 8 cases marked "CL 3399" ;
  - 15 cases marked "JAS 105".
-
