SIGNED AT CAIRO, ON 31 MAY AND 26 JULY 1956

31 May 1956

Your Excellency,

I have the honour to refer to the conversations which I have had with you regarding the conclusion of a technical assistance agreement between the Government of Yemen and the Technical Assistance Board acting on behalf of the various organizations participating in the Expanded Programme of Technical Assistance. I am happy that as a result of our conversations we have reached full agreement in respect of the text which is reproduced below.

This letter with your signature signifying your approval will constitute an agreement between the Government of Yemen and the organizations represented on the Technical Assistance Board.

It is understood that the Government will fulfil its obligations under article IV, paragraph 2, by implementing the arrangement which His Excellency the Minister of Foreign Affairs of Yemen proposed in his letter of 1 January 1955 and which was accepted by Mr. David Owen, Executive Chairman of the Technical Assistance Board, as communicated to you in his letter of 11 March 1955. This arrangement will remain in force until such time as the parties may decide to change it.

It is also understood that no provision of this agreement will be construed as relieving our experts from their duties to respect the laws and traditions of the Kingdom of Yemen.

¹ Came into force on 26 July 1956, upon signature, in accordance with article VI (1).

The United Nations, the International Labour Organization, the Food and Agriculture Organization of the United Nations, the United Nations Educational, Scientific and Cultural Organization, the International Civil Aviation Organization, the World Health Organization, the International Telecommunications Union and the World Meteorological Organization (hereinafter called "the Organizations"), members of the Technical Assistance Board, and the Government of the Kingdom of Yemen (hereinafter called "the Government"),

Desiring to give effect to the resolutions and decisions relating to technical assistance of the Organizations, which are intended to promote the economic and social progress and development of peoples,

Have entered into this Agreement in a spirit of friendly co-operation.

Article I

(c) The experts shall, in the course of their advisory work, make every effort to instruct any technical staff the Government may associate with them, in their professional methods, techniques and practices, and in the principles on which these are based.

5. Any technical equipment or supplies which may be furnished by the Organizations shall remain their property unless and until such time as title may be transferred on terms and conditions mutually agreed upon between the Organizations concerned and the Government.

6. The technical assistance rendered pursuant to the terms of this agreement is in the exclusive interest and for the exclusive benefit of the people and Government of the Kingdom of Yemen. In recognition thereof, the Government shall undertake to bear all risks and claims resulting from, occurring in the course of, or otherwise connected with any operation covered by this agreement. Without restricting the generality of the preceding sentence, the Government shall indemnify and hold harmless the Organizations and their experts, agents or employees against any and all liability suits, actions, demands, damages, costs or fees on account of death, injuries to person or property, or any other losses resulting from or connected with any act or omission performed in the course of operations covered by this Agreement.
