The American Counselor for Economic Affairs to the Yugoslav Counsellor of State for Foreign Affairs

May 12, 1955

Dear Mr. Ambassador :

The Government of the United States has decided, following our joint review of the wheat requirements of Yugoslavia (as provided for during the visit of Vice President Vukmanovic-Tempo to the United States last Fall) to make available to your Government an additional 100,000 tons of wheat under the terms of Public Law 480, Title II.

This amount will increase to a total of 375,000 tons the amount of wheat cited in para. 1 (b) of my letter to you of December 27, 1954² provided Yugoslavia under Title II of Public Law 480.

The local currency counterpart of these 375,000 tons of wheat will be deposited in the usual 90%—10% pattern. The 90% portion will be used for agreed purposes to strengthen the economy of Yugoslavia. The 10% portion will be reserved for U. S. Government uses.

If your Government is in accord with the proposals set forth above, I have the honor to suggest that this letter, together with your reply so indicating, constitute an agreement between our two Governments effective on the date of your reply.

I take this occasion, Mr. Ambassador, to renew the assurance of my highest consideration.
