No. 3675. AGREEMENT<sup>1</sup> BETWEEN DENMARK AND CANADA FOR THE AVOIDANCE OF DOUBLE TAXATION AND THE PREVENTION OF FISCAL EVASION WITH RESPECT TO TAXES ON INCOME. SIGNED AT OTTAWA, ON 30 SEPTEMBER 1955

The Government of Canada and the Government of the Kingdom of Denmark, desiring to conclude an Agreement for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income, have appointed for that purpose as their respective Plenipotentiaries:

The Government of Canada:

The Honourable Walter E. Harris, M. P., Minister of Finance;

The Government of the Kingdom of Denmark:

His Excellency O. Sehested, Envoy Extraordinary and Minister Plenipotentiary of Denmark in Ottawa;

Who, having exhibited their respective full powers, found in good and due form, have agreed as follows:

#### Article I

- 1. The taxes which are subject to this Agreement are:
- (a) In Canada: Income taxes, including surtaxes, which are imposed by the Government of Canada (hereinafter referred to as "Canadian tax");
- (b) In Denmark: National income taxes, the intercommunal income tax, the communal income tax (hereinafter referred to as "Danish tax").
- 2. This Agreement shall also apply to any other taxes of a substantially similar character imposed by either Contracting Government subsequent to the signing of this Agreement.

#### Article II

1. In this Agreement, unless the context otherwise requires:

<sup>&</sup>lt;sup>1</sup> Came into force on 5 September 1956, upon the exchange of the instruments of ratification at Copenhagen, in accordance with article XVII.

- (a) The term "Denmark" means the Kingdom of Denmark, excluding the Faroe Islands and Greenland.
- (b) The terms "one of the territories" and "the other territory" mean Denmark or Canada, as the context requires.
- (c) The term "tax" means Danish tax or Canadian tax, as the context requires.
- (d) The term "person" includes any body of persons, corporate or not corporate.
  - (e) The term "company" includes any body corporate.
- (f) The terms "resident of Denmark" and "resident of Canada" mean respectively any person who is resident in Denmark for the purposes of Danish tax and not resident in Canada for the purposes of Canadian tax, and any person who is resident in Canada for the purposes of Canadian tax and not resident in Denmark for the purposes of Danish tax; a company shall be regarded as resident in Denmark if its business is managed and controlled in Denmark and as resident in Canada if its business is managed and controlled in Canada.
- (g) The terms "resident of one of the territories" and "resident of the other territory" mean a person who is a resident of Denmark or a person who is a resident of Canada, as the context requires.
- (h) The terms "Danish enterprise" and "Canadian enterprise" mean respectively an enterprise or undertaking carried on by a resident of Denmark and an enterprise or undertaking carried on by a resident of Canada; and the terms "enterprise of one of the territories" and "enterprise of the other territory" mean a Danish enterprise or a Canadian enterprise, as the context requires.
- (i) The term "permanent establishment" when used with respect to an enterprise of one of the territories, means a branch, office, factory, or other fixed place of business, a mine, quarry or any other place of natural resources subject to exploitation. It also includes a place where building construction is carried on by contract for a period of at least one year, but does not include an agency unless the agent has, and habitually exercises, a general authority to negotiate and conclude contracts on behalf of the enterprise or has a stock of merchandise from which he regularly fills orders on its behalf. In this connection:
  - (i) An enterprise of one of the territories shall not be deemed to have a permanent establishment in the other territory merely because it carries on business

- dealings in that other territory through a bona fide broker or general commission agent acting in the ordinary course of his business as such;
- (ii) The fact that an enterprise of one of the territories maintains in the other territory a fixed place of business exclusively for the purchase of goods or merchandise shall not of itself constitute that fixed place of business a permanent establishment of the enterprise;
- (iii) The fact that a company which is a resident of one of the territories has a subsidiary company which is a resident of the other territory or which carries on a trade or business in that other territory (whether through a permanent establishment or otherwise) shall not of itself constitute that subsidiary company a permanent establishment of its parent company.
- 2. In the application of the provisions of the present Agreement by one of the Contracting Governments any term not otherwise defined shall, unless the context otherwise requires, have the meaning which such term has under its own tax laws.

#### Article III

- 1. The profits of a Danish enterprise shall not be subject to Canadian tax unless the enterprise is engaged in trade or business in Canada through a permanent establishment situated therein. If it is so engaged, tax may be imposed on those profits by Canada, but only on so much of them as is attributable to that permanent establishment.
- 2. The profits of a Canadian enterprise shall not be subject to Danish tax unless the enterprise is engaged in trade or business in Denmark through a permanent establishment situated therein. If it is so engaged, tax may be imposed on those profits by Denmark, but only on so much of them as is attributable to that permanent establishment.
- 3. Where an enterprise of one of the territories is engaged in trade or business in the other territory through a permanent establishment situated therein, there shall be attributed to such permanent establishment the profits which it might be expected to derive in that other territory if it were an independent enterprise engaged in the same or similar activities under the same or similar conditions and dealing at arm's length with the enterprise of which it is a permanent establishment.
- 4. No portion of any profits arising to an enterprise of one of the territories shall be attributed to a permanent establishment situated in the other territory by reason of the mere purchase of goods or merchandise within that other territory by the enterprise.
- 5. Where a company which is a resident of one of the territories derives profits or income from sources within the other territory, the Government of that other territory shall not impose any form of taxation on dividends paid by the company

to persons not resident in that other territory, or any tax in the nature of an undistributed profits tax on undistributed profits of the company, by reason of the fact that those dividends or undistributed profits represent, in whole or in part, profits or income so derived.

6. Paragraphs 1 and 2 of this article shall not be construed as preventing one of the Contracting Parties from imposing a withholding tax on income in the form of dividends, interest, rents or royalties, derived from sources within its territory by a resident of the territory of the other Party if such income is not attributed to a permanent establishment in the territory of the first Party.

## Article IV

#### Where:

- (a) an enterprise of one of the territories participates directly or indirectly in the management, control or capital of an enterprise of the other territory, or
- (b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of one of the terrritories and an enterprise of the other territory, and

in either case conditions are made or imposed between the two enterprises, in their commercial or financial relations, which differ from those which would be made between independent enterprises, then any profits which but for those conditions would have accrued to one of the enterprises but by reason of those conditions have not so accrued may be included in the profits of that enterprise and taxed accordingly.

# Article V

The information so exchanged shall retain its secret nature and shall not be disclosed to persons other than those charged with assessment and collection of the taxes referred to in this Agreement.
