RELATED NOTES

I

CHAIRMAN OF THE DANISH DELEGATION

Copenhagen, 12 July 1957

Sir,

In the course of the negotiations which led up to the conclusion of the Trade Agreement signed this day,¹ the Italian Delegation emphasized the importance attached on the Italian side to the grant of an export quota for tomato purée in tins weighing less than 5 kg.

The Danish delegation has explained why it is unable to grant this request. I wish, however, to confirm that if the Danish Government should in future permit the importation of tomato purée in tins weighing less than 5 kg. from other countries, the same concession will be granted to Italy.

I have the honour to be, etc.

II

CHAIRMAN OF THE DANISH DELEGATION

Copenhagen, 12 July 1957

Sir,

In the course of the negotiations which led up to the conclusion of the Trade Agreement signed this day, you informed me that the Italian Government did not intend in the future to grant any guaranteed quotas (*contingents de sauvegarde*) to other countries for the goods covered by its unilateral liberalization measures.

At the same time, you assured me that, were the Italian Government to revoke those measures, even in part, the Italo-Danish Joint Commission would meet as a matter of urgency for the purpose of adjusting the Trade Agreement signed this day to the new situation.

¹ See p. 171 of this volume.

Pending the conclusion of the Joint Commission's work, the Italian Government would take the necessary steps to permit Danish exports to continue without interruption.

If the meeting of the Joint Commission should fail to produce results deemed satisfactory by one or the other of the Parties, each of the two Governments would be entitled to denounce the above-mentioned Agreement on one month's notice.

In any case, Italy will not accord Denmark treatment less favourable than that accorded to other countries members of OEEC.

I should be grateful if you would inform me whether you agree to the foregoing.

I have the honour to be, etc.
