(2) Agreement on the tariffs shall, whenever possible, be reached by the designated airlines concerned through the rate-fixing machinery of the International Air Transport Association. In any case the tariffs shall be subject to the approval of the aeronautical authorities of both Contracting Parties.

(3) If the designated airlines concerned cannot agree on the tariffs, or if the aeronautical authorities of either Contracting Party do not approve the tariffs

submitted to them in accordance with the provisions of paragraph (2) of this Article, the aeronautical authorities of the Contracting Parties shall endeavour to reach agreement on those tariffs.

(4) If agreement under paragraph (3) of this Article cannot be reached, the dispute shall be settled in accordance with the provisions of Article 13.

(5) No new or amended tariff shall come into effect unless it is approved by the aeronautical authorities of both Contracting Parties or is determined by a tribunal of arbitrators under Article 13. Pending determination of the tariffs in accordance with the provisions of this Article, the tariffs already in force shall apply.

#### *Article 10*

The aeronautical authorities of each Contracting Party shall supply to the aeronautical authorities of the other Contracting Party upon request such periodic or other statements of statistics as may be reasonably required for the purpose of reviewing the capacity provided on the agreed services by the designated airlines. (1) If any dispute arises between the Contracting Parties relating to the interpretation or application of this Agreement, the Contracting Parties shall in the first place endeavour to settle it by negotiation.

Each of the Contracting Parties shall nominate an arbitrator within a period of sixty days from the date of receipt by either Contracting Party from the other of a diplomatic note requesting arbitration of the dispute and the third arbitrator shall be appointed within a further period of sixty days. If either of the Contracting Parties fails to nominate an arbitrator within the period specified or if the third arbitrator is not appointed within the period specified, the President of the Council of the International Civil Aviation Organisation may be requested by either Contracting Party to appoint an arbitrator or arbitrators as the case requires.

(3) The Contracting Parties undertake to comply with any decision given under paragraph (2) of this Article.
