Your Excellency,

I have the honour to propose that, in order to give effect to the decision of Her Majesty's Government in the United Kingdom to make available to the Government of the Republic of Chile a loan of £2 million as a measure of assistance towards the cost of reconstruction after the damage caused by the recent earthquakes and for expenditure on United Kingdom goods and services, Her Majesty's Government in the United Kingdom, acting through the Export Credits Guarantee Department shall, subject to such conditions as may be agreed between the Secretary of the Export Credits Guarantee Department and the competent authority of the Chilean Government, purchase at par Promissory Notes of the Government of the Republic of Chile up to a total of £2,000,000. These Promissory Notes, which shall be expressed in £ sterling, shall be issued by the competent authorities of the Chilean Government so that the total amount of £2,000,000 shall be payable in twelve consecutive half-yearly instalments of £155,000 each, the first of which shall be payable on the 31st of January 1965, to be followed by one instalment of £140,000 which shall be payable on the 31st of January, 1971. Each Promissory Note shall carry interest at a rate related to that charged by Her Majesty's Treasury at the date of issue of the Note on a loan for a comparable period out of the Consolidated Fund. Such interest shall be calculated from the date of issue until the date of payment of the Note and shall be payable half-yearly on the 31st of January and the 31st of July in each year.

¹ Came into force on 21 October 1960 by the exchange of the said notes.

I have further to propose that, if the provisions set forth above are acceptable to the Government of the Republic of Chile, this Note, together with Your Excellency's reply to that effect, shall constitute an agreement between the two Governments which will come into force on this day's date.

I have, &c.
