No. 6864. CUSTOMS CONVENTION¹ ON THE A.T.A. CARNET FOR THE TEMPORARY ADMISSION OF GOODS (A.T.A. CONVENTION). DONE AT BRUSSELS, ON 6 DECEMBER 1961

PREAMBLE

The States signatory to the present Convention,

Meeting under the auspices of the Customs Co-operation Council and the CONTRACTING PARTIES to the General Agreement on Tariffs and Trade (GATT), in consultation with the United Nations Educational, Scientific and Cultural Organisation (UNESCO),

Having regard to proposals made by representatives of international trade and other interests for facilitating the procedures for the temporary duty-free importation of goods,

Convinced that the adoption of common procedures for the temporary duty-free importation of goods would afford considerable advantages to international commercial and cultural activities and would secure a higher degree of harmony and uniformity in the Customs systems of the Contracting Parties,

Have agreed as follows :

CHAPTER II

SCOPE

Article 3

1. Each Contracting Party shall accept in lieu of its national Customs documents, and as due security for the sums referred to in Article 6 of the present Convention,

¹ See p. 249 of this volume.

² United Nations, *Treaty Series*, Vol. 157, p. 129, and Vol. 347, p. 379.

A. T. A. carnets valid for its territory and issued and used in accordance with the conditions laid down in the present Convention, for goods temporarily imported under :

- (a) the Customs Convention on the temporary importation of professional equipment, done at Brussels on 8th June 1961,¹
- (b) the Customs Convention concerning facilities for the importation of goods for display or use at exhibitions, fairs, meetings or similar events, done at Brussels on 8th June 1961,²

in so far as it is a Contracting Party to those Conventions.

2. Each Contracting Party may also accept A. T. A. carnets, issued and used under the same conditions, for goods temporarily imported under other international temporary importation Conventions or for temporary admission procedures under its national laws and regulations.

3. Each Contracting Party may accept A. T. A. carnets issued and used under the same conditions for transit.

4. Goods intended for processing or repair shall not be imported under cover of A. T. A. carnets.

CHAPTER III

ISSUE AND USE OF A. T. A. CARNETS

Article 4

1. Issuing associations shall not issue A. T. A. carnets with a period of validity exceeding one year from the date of issue. They shall indicate on the cover of the A. T. A. carnet the countries in which it is valid and the names of the corresponding guaranteeing associations.

2. Once an A. T. A. carnet has been issued no extra item shall be added to the list of goods enumerated on the reverse of the front cover of the carnet, or on any continuation sheets annexed thereto (General List).³

Article 5

The period fixed for the re-exportation of goods imported under cover of an A. T. A. carnet shall not in any case exceed the period of validity of that carnet.

¹ See p. 153 of this volume.

² See p. 187 of this volume.

³ See p. 251 of this volume.

CHAPTER IV

GUARANTEE

Article 6

1. Each guaranteeing association shall undertake to pay to the Customs authorities of the country in which it is established the amount of the import duties and any other sums payable in the event of non-compliance with the conditions of temporary admission, or of transit, in respect of goods introduced into that country under cover of A. T. A. carnets issued by a corresponding issuing association. It shall be liable jointly and severally with the persons from whom the sums mentioned above are due, for payment of such sums.

2. The liability of the guaranteeing association shall not exceed the amount of the import duties by more than ten per cent.

3. When the Customs authorities of the country of importation have unconditionally discharged an A. T. A. carnet in respect of certain goods they can no longer claim from the guaranteeing association payment of the sums referred to in paragraph 1 of this Article in respect of these goods. A claim may nevertheless still be made against the guaranteeing association if it is subsequently discovered that the discharge of the carnet was obtained improperly or fraudulently or that there had been a breach of the conditions of temporary admission or of transit.

4. Customs authorities shall not in any circumstances require from the guaranteeing association payment of the sums referred to in paragraph 1 of this Article if a claim has not been made against the guaranteeing association within a year of the date of expiry of the validity of the carnet.

CHAPTER V

REGULARISATION OF A. T. A. CARNETS

Article 7

1. The guaranteeing association shall have a period of six months from the date of the claim made by the Customs authorities for the sums referred to in paragraph 1 of Article 6 of the present Convention in which to furnish proof of the re-exportation of the goods under the conditions laid down in the present Convention or of any other proper discharge of the A. T. A. carnet.

2. If such proof is not furnished within the time allowed the guaranteeing association shall forthwith deposit, or pay provisionally, such sums. This deposit or payment shall become final after a period of three months from the date of the deposit or payment. During the latter period the guaranteeing association may still

furnish the proof referred to in the preceding paragraph with a view to recovery of the sums deposited or paid.

3. For countries whose laws and regulations do not provide for the deposit or provisional payment of import duties, payments made in conformity with the provisions of the preceding paragraph shall be regarded as final, but the sums paid shall be refunded if the proof referred to in paragraph 1 of this Article is furnished within three months of the date of the payment.

Article 8

1. Evidence of re-exportation of goods imported under cover of an A. T. A. carnet shall be provided by the re-exportation certificate completed in that carnet by the Customs authorities of the country into which the goods were temporarily imported.

2. If the re-exportation of goods has not been certified in accordance with paragraph 1 of this Article, the Customs authorities of the country of importation may, even if the period of validity of the carnet has already expired, accept as evidence of re-exportation of the goods :

- (a) the particulars entered by the Customs authorities of another Contracting Party in the A. T. A. carnet on importation or re-importation or a certificate issued by those authorities based on the particulars entered on a voucher which has been detached from the carnet on importation or on re-importation into their territory, provided that the particulars relate to an importation or re-importation which can be proved to have taken place after the re-exportation which it is intended to establish ;
- (b) any other documentary proof that the goods are outside that country.

3. In any case in which the Customs authorities of a Contracting Party waive the requirement of re-exportation of certain goods admitted into their territory under cover of an A. T. A. carnet, the guaranteeing association shall be discharged from its obligations only when those authorities have certified in the carnet that the position regarding those goods has been regularised.

Article 9

In the cases referred to in paragraph 2 of Article 8 of the present Convention, the Customs authorities shall have the right to charge a regularisation fee.

CHAPTER VI

MISCELLANEOUS PROVISIONS

Article 10

Customs certificates on A. T. A. carnets used under the conditions laid down in the present Convention shall not be subject to the payment of charges for Customs attendance at Customs offices and posts during the normal hours of business.

Article 11

In the case of the destruction, loss or theft of an A. T. A. carnet while the goods to which it refers are in the territory of one of the Contracting Parties, the Customs authorities of that Contracting Party shall, at the request of the issuing association and subject to such conditions as those authorities may prescribe, accept a replacement document, the validity of which expires on the same date as that of the carnet which it replaces.

Article 12

1. When goods temporarily imported cannot be re-exported as a result of a seizure, other than a seizure made at the suit of private persons, the requirement of re-exportation shall be suspended for the duration of the seizure.

2. The Customs authorities shall, so far as possible, notify the guaranteeing association of seizures made by them or on their behalf of goods admitted under cover of A. T. A. carnets guaranteed by that association and shall advise it of the measures they intend to take.

Article 13

A. T. A. carnets or parts of A. T. A. carnets intended to be issued in the country into which they are imported and which are sent to an issuing association by a corresponding foreign association, by an international organisation or by the Customs authorities of a Contracting Party, shall be admitted free of import duties and free of any import prohibitions or restrictions. Corresponding facilities shall be granted at exportation.

Article 14

For the purposes of the present Convention the territories of Contracting Parties which form a Customs or economic union may be taken to be a single territory.

Article 15

In the event of fraud, contravention or abuse, the Contracting Parties shall, notwithstanding the provisions of the present Convention, be free to take proceedings against persons using A. T. A. carnets, for the recovery of the import duties and other sums payable and also for the imposition of any penalties to which such persons have rendered themselves liable. In such cases the associations shall lend their assistance to the Customs authorities.

Article 16

The Annex to the present Convention shall be construed to be an integral part of the Convention.

Article 17

The provisions of the present Convention set out the minimum facilities to be accorded and do not prevent the application of greater facilities which certain Contracting Parties grant or may grant in future by unilateral provisions or in virtue of bilateral and multilateral agreements.

CHAPTER VII

FINAL PROVISIONS

Article 18

Where a Contracting Party denounces the present Convention in accordance with paragraph 1 of this Article, or makes a notification under paragraph 2 (b) of Article 23 or paragraph 2 of Article 25 of the present Convention, any A. T. A. carnet issued before the date when the denunciation or notification takes effect shall remain valid and the guarantee of the guaranteeing association shall hold good.

Article 23

A. carnets in accordance with the provisions of paragraphs 2 and 3 of Article 3 of the present Convention, shall notify the Secretary General of the Council, specifying the cases in which it undertakes to accept A. T. A. carnets and stating the date from which such acceptance takes effect.

2. Similar notifications may be addressed to the Secretary General of the Council to :

- (a) extend the scope of any previous notifications ; or

NOTES ON THE USE OF THE A.T.A. CARNET

1. All goods covered by the carnet shall be entered in columns 1 to 6 of the General List. If the space provided for the General List on the reverse of the front cover is insufficient, continuation sheets conforming to the official model shall be used.

2. In order to close the General List, the totals of columns 3 and 5 shall be entered at the end of the list in figures and in writing. If the General List consists of several pages, the number of continuation sheets used shall be stated in figures and in writing at the foot of the list on the reverse of the front cover.

The lists on the vouchers shall be treated in the same way.

3. Each item shall be given an item number which shall be entered in column 1.

Goods comprising several separate parts (including spare parts and accessories) may be given a single item number. If so, the nature, the value and, if necessary, the

weight of each separate part shall be entered in column 2 and only the total weight and value should appear in columns 4 and 5.

4. When making out the lists on the vouchers, the same item numbers shall be used as on the General List.

5. To facilitate Customs control, it is recommended that the goods (including separate parts thereof) be clearly marked with the corresponding item number.

6. Items answering to the same description may be grouped provided that each item so grouped is given a separate item number. If the items grouped are not of the same value, or weight, their respective values, and, if necessary, weights shall be specified in column 2.

7. If the goods are for exhibition, the importer is advised in his own interest to enter in B, 1, (b) of the importation voucher the name and address of the exhibition and of its organiser.

8. The carnet shall be completed legibly and indelibly.

9. All goods covered by the carnet should be examined and registered in the country of departure and for this purpose should be presented, together with the carnet, to the Customs authorities there, except in cases where the Customs regulations of that country do not provide for such examination.

10. If the carnet has been completed in a language other than that of the country of importation, the Customs authorities may require a translation.

11. Expired carnets and carnets which the holder does not intend to use again shall be returned by him to the issuing association.

12. Arabic numerals shall be used throughout.
