To that end, the Guarantor undertakes that, except as the Bank shall otherwise agree, if any lien shall be created on any assets of the Guarantor or of any of its political subdivisions or of any agency of the Guarantor or of any such political subdivision as security for any external debt, such lien will *ipso facto* equally and ratably secure the payment of the principal of, and interest and other charges on, the Loan and the Bonds, and that in the creation of any such lien express provision will be made to that effect ; provided, however, that the foregoing provisions of this Section shall not apply to : (i) any lien created on property, at the time of purchase thereof, solely as security for the payment of the purchase price of such property ; (ii) any pledge of commercial goods to secure a debt maturing not more than one year after its date and to be paid out of the proceeds of sale of such commercial goods ; or (iii) any pledge by the Reserve Bank of India of any of its assets in the ordinary course of its banking business to secure any indebtedness maturing not more than one year after its date.
