No. 7423. EXCHANGE OF NOTES CONSTITUTING AN AGREEMENT<sup>1</sup> BETWEEN THE UNITED STATES OF AMERICA AND IRELAND RELATING TO TRADE IN BEEF AND VEAL. WASHINGTON, 25 FEBRUARY 1964

I

*The Ambassador of Ireland to the Secretary of State*

EMBASSY OF IRELAND  
WASHINGTON, D.C.

25th February, 1964

Sir,

I have the honour to refer to recent discussions in Washington between representatives of the Government of Ireland and the Government of the United States with regard to the desire of the Government of the United States to arrive at an understanding concerning the level of future exports of beef and veal from Ireland to the United States. As a result of these discussions, I have the honour to propose that the following Agreement shall become effective between our Governments :

The Governments of Ireland and the United States have agreed to the following measures in the interest of promoting the orderly development of trade in beef and veal between Ireland and the United States. In assuming the following obligations, the Governments of Ireland and the United States have agreed on the desirability of preserving approximately the present pattern of trade in these products between the two countries.

1. Accordingly, the Government of Ireland agrees to limit exports from Ireland to the United States of beef and veal (in all forms except canned, cured and cooked meat and live cattle), in accordance with the following :

- (a) Exports shall be limited to a total of 34,000 long tons in calendar year 1964, 35,300 long tons in calendar year 1965, and 36,600 long tons in calendar year 1966, all in terms of product weight.
- (b) In each succeeding calendar year there shall be an increase, corresponding to the estimated rate of increase in the total United States market for these meats. This increase in the total United States market is presently estimated to be 3.7 per cent annually.
- (c) The purpose of the annual increases established in paragraphs 1 (a) and 1 (b) is to secure to Ireland a fair and reasonable share in the growth of the United States market.

<sup>1</sup> Came into force on 25 February 1964 by the exchange of the said notes.

There shall be a triennial review and, as appropriate, an adjustment of this estimated rate of increase in consumption to apply to the succeeding three-year period. The first such review shall take place no later than 1 October, 1966.

- (d) The Government of Ireland shall use its best endeavours to limit exports from Ireland to the United States of better-quality primal cuts of beef and veal, such as steaks and roasts, approximately to the percentage these cuts currently constitute of total annual exports of beef and veal from Ireland to the United States.

2. The Government of Ireland shall limit exports from Ireland to the United States upon the understanding that Ireland will not be adversely affected by such limitations in relation to the position of other substantial suppliers in the United States market and so long as Ireland's access to the United States market for beef and veal is not limited by an increase in the duties on these products.

3. The United States Government shall continue to permit access each year into the United States for beef and veal exported from Ireland, up to the maximum quantity determined for that year in accordance with the provisions of paragraphs 1 (a) and 1 (b) of this Agreement.

4. The Governments favour the negotiation of international arrangements leading to expanding access in meat importing countries.

5. Should such wider international arrangements be reached, they could subsume this Agreement.

6. The Governments agree to consult, at the request of either Government, on any questions arising on the implementation of this Agreement.

7. Either Government may terminate this Agreement, effective at the end of a calendar year, by written notice given at least 180 days prior to the end of that calendar year.

If these proposals are acceptable to your Government this note and your note of acceptance shall form an Agreement between our Governments.

Accept, Sir, the renewed assurances of my highest consideration.

T. J. KIERNAN  
Ambassador of Ireland

The Honourable the Secretary of State  
The Department of State  
Washington, D.C.

Dear Mr. Jacobson,

in implementation of the Agreement, my Government would not introduce any discrimination against United States-owned meat-industry interests in Ireland in favour of locally owned companies.

I should like to assure you on behalf of my Government that United States enterprises in the Irish beef and veal industries shall not be subject to any discrimination in the implementation of the Agreement.

Yours sincerely,
