No. 7100. AGRICULTURAL COMMODITIES AGREEMENT<sup>1</sup>  
BETWEEN THE GOVERNMENT OF THE UNITED  
STATES OF AMERICA AND THE GOVERNMENT OF THE  
POLISH PEOPLE'S REPUBLIC UNDER TITLE I OF THE  
AGRICULTURAL TRADE DEVELOPMENT AND ASSIST-  
ANCE ACT, AS AMENDED. SIGNED AT WASHINGTON,  
ON 1 FEBRUARY 1963

---

The Government of the United States of America and the Government of the Polish People's Republic ;

Recognizing the desirability of expanding trade in agricultural commodities between their two countries in a manner which would not displace usual marketings of the United States of America in these commodities or unduly disrupt world prices of agricultural commodities ;

Considering that the purchase for zlotys of agricultural commodities produced in the United States of America will assist in achieving such an expansion of trade ;

Desiring to set forth the understandings which will govern the sales, as specified below, of agricultural commodities to Poland pursuant to Title I of the Agricultural Trade Development and Assistance Act, as amended (hereinafter referred to as the Act), and the measures which the two Governments will take individually and collectively in furthering the expansion of trade in such commodities ;

Have agreed as follows :

*Article I*

SALES FOR ZLOTYS

1. Subject to issuance by the Government of the United States of America and acceptance by the Government of the Polish People's Republic of purchase authorizations and to the availability of commodities under the Act at the time of exportation, the Government of the United States of America undertakes to finance the sales for zlotys to purchasers authorized by the Government of the Polish People's Republic of the following agricultural commodities in the amounts indicated :

---

<sup>1</sup> Came into force on 1 February 1963, upon signature, in accordance with article VI.

<i>Commodity</i>	<i>Export Market Value (millions)</i>
Wheat . . . . .	\$38.1
Cotton . . . . .	7.1
Tobacco (leaf) . . . . .	2.6
Ocean transportation (est.) . . . . .	3.8
	TOTAL \$51.6

2. Applications for purchase authorizations will be made within 90 calendar days of the effective date of this Agreement, except that applications for purchase authorizations for any additional commodities or amounts of commodities provided for in an amendment to this Agreement will be made within 90 days of the effective date of such amendment. Purchase authorizations will be issued promptly and will include provisions relating to the sale and delivery of commodities, the time and circumstances of deposit of the zlotys accruing from such sale, and other relevant matters.

3. The financing, sale and delivery of commodities under this Agreement may be terminated by either Government if that Government determines that because of changed conditions the continuation of such financing, sale or delivery is unnecessary or undesirable.

## *Article II*

### USES OF ZLOTYS

1. The two Governments agree that the zlotys accruing to the Government of the United States of America as a consequence of the sales made pursuant to this Agreement will be used by the Government of the United States of America, in accordance with Section 104 of the Act, to help develop new markets for United States agricultural commodities under subsection (a) thereof; to finance the purchase of goods or services for other countries under subsection (d) thereof; to pay United States obligations under subsection (f) thereof; to finance educational exchange activities under subsection (h) thereof; to finance the translation, publication and distribution of books and periodicals under subsection (i) thereof; and for other expenditures by the Government of the United States of America under subsections (j), (k), (l), (m), (n), (q), and (r) thereof.

2. The zlotys accruing under this Agreement shall be expended by the Government of the United States of America, for the purposes stated in paragraph 1 of this Article, in such manner and order of priority as the Government of the United States

of America shall determine. It is understood that, with respect to the purchase of goods or services for other countries, the types, quantities and prices will be subject to negotiation between the two Governments.

### *Article III*

#### DEPOSIT OF ZLOTYS

1. The amount of zlotys to be deposited to the account of the Government of the United States of America shall be the equivalent of the dollar sales value of the commodities and ocean transportation costs reimbursed or financed by the Government of the United States of America (except excess costs resulting from the requirement that United States flag vessels be used) converted into zlotys, as follows :

- (a) at the rate for dollar exchange applicable to commercial import transactions on the dates of dollar disbursements by the United States, provided that a unitary exchange rate applying to all foreign exchange transactions is maintained by the Government of the Polish People's Republic, or
- (b) if more than one legal rate for foreign exchange transactions exists, at the highest of any rate of exchange (i.e., the largest number of zlotys per US dollar) established by the Government of the Polish People's Republic, or any agency thereof, prevailing on the dates of dollar disbursement by the Government of the United States of America.

2. In the event that a subsequent agricultural commodities agreement or agreements should be signed by the two Governments under the Act, any refunds of zlotys which may be due or become due under this Agreement more than two years from the effective date of this Agreement would be made by the Government of the United States of America from funds available from the most recent agricultural commodities agreement in effect at the time of the refund.

3. The two Governments agree that the following procedure shall apply with respect to the zlotys deposited to the account of the Government of the United States of America under this Agreement.

- (a) On the date of the deposit of such zlotys to the account of the United States they shall, at the same rate of exchange at which they were deposited, be converted and transferred to a special dollar denominated account to the credit of the United States Government in the National Bank of Poland.
- (b) Withdrawals in zlotys from such special dollar denominated account by the United States for uses referred to in Article II of this Agreement other than the purchase of goods or services for other countries shall be paid by the National Bank of Poland at the highest of any rate of exchange (i.e., the largest number of zlotys per US dollar) established by the Government of the Polish People's Republic, or any agency thereof, prevailing on the date of the withdrawal, provided that if

such rate is more appreciated than the rate at which zlotys were deposited under paragraph 1 of this Article, the rate in paragraph 1 shall apply.

- (c) Payment for purchases of goods or services for other countries referred to in Article II of this Agreement shall be made by reducing the balance in the dollar denominated account by an amount equal to the dollar prices of such purchases agreed upon by the two Governments.
- (d) If any unused balance remains in such special dollar denominated account on and after January 2, 1973, the Government of the Polish People's Republic agrees that, if the United States Government shall so elect, the National Bank of Poland will sell to the Government of the United States the sum of \$1,720,000 in dollar exchange annually, beginning January 2, 1973, and on each succeeding January 2, such dollar exchange to be paid for by reducing the balance in the dollar denominated account by the same amount.

#### *Article IV*

##### GENERAL UNDERTAKINGS

1. The Government of the Polish People's Republic will take all possible measures to prevent the resale or transshipment to other countries or the use for other than domestic purposes (except where such resale, transshipment or use is specifically approved by the Government of the United States of America) of the agricultural commodities purchased pursuant to the provisions of this Agreement and to assure that the purchase of such commodities does not result in increased availability of these or like commodities for export to other countries.

2. The two Governments will take reasonable precautions to assure that all sales or purchases of agricultural commodities made pursuant to this Agreement will not displace usual marketings of the United States of America in these commodities or unduly disrupt world prices of agricultural commodities.

3. The Government of the Polish People's Republic will furnish upon request of the Government of the United States of America, information on the progress of the program, particularly with respect to the arrival and condition of commodities and the understandings regarding commercial imports, and information relating to exports of the same or like commodities.

DEPARTMENT OF STATE  
WASHINGTON

February 1, 1963

Excellency :

I have the honor to refer to the Agricultural Commodities Agreement between the Government of the United States of America and the Government of the Polish People's Republic signed today.<sup>1</sup>

I wish to confirm my Government's understanding of the agreement reached in conversations which have taken place between representatives of our two Governments with respect to several matters related to the Agreement.

It is understood that during the periods in which the commodities included in the Agreement are being imported and utilized, consultation will take place prior to any export of these or like commodities from Poland.

It is understood that Poland will purchase and import from the United States of America with its own resources at least 200,000 metric tons of feed-grains during the year ending December 31, 1963.

It is understood that should Poland's exports of cotton textiles be increased during the period in which the cotton included in this Agreement is utilized, as compared with the immediately preceding corresponding period, a corresponding increase in imports of cotton other than cotton acquired under this program will take place.

It is understood that Poland will purchase and import from the United States with its own resources at least 46,000 bales of cotton during the year ending December 31, 1963.

It is understood that Poland will maintain its usual imports of tobacco from its usual suppliers during 1963 and that Poland's usual exports of tobacco are not affected by imports of tobacco under this Agreement.

It is understood that the Government of the Polish People's Republic will provide facilities for the conversion of two percent of the zlotys accruing from sales pursuant to this Agreement into such other currencies as shall be requested by the Government of the United States of America for financing agricultural market development activities in other countries under Section 104 (a) of the Agricultural Trade Development and Assistance Act, as amended. Before such facilities are provided, there shall be consultation between the two Governments with respect to the specific currencies involved and the timing of their conversion.

<sup>1</sup> See p. 144 of this volume.

It is understood that the Government of the Polish People's Republic will provide facilities for the conversion of up to \$100,000 worth of zlotys per annum for five years (United States fiscal years 1963 to 1967 inclusive), one-half of which is for Polish-American exchange activities, including travel, and the remainder for educational exchange activities in other countries.

I shall appreciate receiving Your Excellency's confirmation of the above understandings.

Accept, Excellency, the renewed assurances of my highest consideration.

Waszyngton, dnia 1 lutego 1963 r.

Ekscelencjo,

Mam zaszczyt powołać się na Pańską notę z dnia 1 lutego 1963 r., która brzmi następująco :

„Mam zaszczyt powołać się na podpisaną dzisiaj między Rządem Stanów Zjednoczonych Ameryki i Rządem Polskiej Rzeczypospolitej Ludowej Umowę o Produktach Rolnych, a w szczególności na Artykuł III, paragraf 1, dotyczący kursu stosowanego przy deponowaniu przez Rząd Polskiej Rzeczypospolitej Ludowej złotych z tytułu zapłaty za produkty rolne.

Pragnę potwierdzić, że Rząd Stanów Zjednoczonych interpretuje osiągniętą Umowę w ten sposób, że dopóki nie nastąpi w Polsce zmiana w obecnym systemie kursów, kurs 24 złote za dolara US będzie uważany za „najwyższy ze wszystkich kursów (tj. wedle największej ilości złotych za dolara US), ustanowionych przez Rząd Polskiej Rzeczypospolitej Ludowej lub jakikolwiek jego organ”.

Będę zobowiązany Ekscelencji za potwierdzenie przez Waszą Ekscelencję powyższej interpretacji.

Proszę Ekscelencję o przyjęcie ponownych zapewnień mojego najwyższego szacunku.”
