The World Health Organization (hereinafter called "the Organization") and

The Government of Ethiopia (hereinafter called "the Government"), desiring to join in furthering the development of the health services of Ethiopia, have entered into this Agreement in a spirit of friendly co-operation.

*Article I*

SCOPE OF THE AGREEMENT AND DURATION OF ASSISTANCE

1. This Agreement embodies the conditions under which the Organization shall provide the Government with the services of operational officers (herein after referred to as "officers"). It also embodies the basic conditions which govern the relationship between the Government and the officers. The Government and the officers shall enter into contracts between themselves concerning their mutual relationship. However, any such contract shall be subject to the provisions of this Agreement, and shall be communicated to the Organization.
2. The relationship between the Organization and the officers shall be defined in contracts which the Organization shall enter into with such officers. A copy of the contract which the Organization shall use for this purpose is herewith transmitted for the Government's information as Annex I<sup>2</sup> of this Agreement.
3. The period during which assistance is expected to be provided by the Organization for implementing this Agreement is estimated to last until the end of the year 1965.

*Article II*

public corporations or public bodies, or in national agencies or bodies other than those of a public character.

2. In the performance of the duties assigned to them by the Government, the officers shall be solely responsible to, and under the exclusive direction of, the Government; they shall not report to nor take instructions from the Organization or any other person or body external to the Government except with the approval of the Government. In each case the Government shall designate the authority to which the officer will be immediately responsible.

3. The parties hereto recognize that a special international status attaches to the officers made available to the Government under this Agreement, and that the assistance provided the Government hereunder is in furtherance of the purposes of the Organization. Accordingly, the officers shall not be required to perform any function incompatible with such special international status or with the purposes of the Organization.

4. In implementation of the preceding paragraph, but without restricting its generality or the generality of the last sentence of paragraph 1 of Article I, any contracts entered into by the Government with the officers shall embody a specific provision to the effect that the officer shall not perform any functions incompatible with his special international status or with the purposes of the Organization.

### *Article III*

#### OBLIGATIONS OF THE ORGANIZATION

1. The Organization undertakes to provide, in response to the Government's requests, experienced officers to perform the functions described in Article II above.

2. The Organization undertakes to provide such officers in accordance with any applicable resolutions and decisions of its competent organs, and subject to the availability of the necessary funds.

3. The Organization undertakes, within the financial resources available to it, to provide administrative facilities necessary to the successful implementation of this Agreement, specifically including the payment of stipends and allowances to supplement, as appropriate, the salaries paid to the officers by the Government under Article IV, paragraph 1, of this Agreement, and upon request, effecting payments in currencies unavailable to the Government, and making arrangements for travel and transportation outside Ethiopia when the officers, their families or belongings are moved, under the terms of their contracts.

4. The Organization undertakes to provide the officers with such subsidiary benefits as it may deem appropriate, including compensation in the event of death, injury or illness attributable to the performance of the official duties assigned to them by the Government. Such subsidiary benefits shall be specified in contracts to be entered into between the Organization and the officers.
5. The Organization undertakes to extend its good offices in a spirit of friendly co-operation towards the making of any necessary amendment to the conditions of service of the officers, including the cessation of such service if and when it becomes necessary.

#### *Article IV*

##### OBLIGATIONS OF THE GOVERNMENT

1. The Government shall contribute to the cost of implementing this Agreement by paying the officers the salary and related emoluments which would be payable to national civil servants or other comparable employees holding the rank to which the officers are assimilated.
2. The Government shall provide the officers with such services and facilities including local transportation, and medical and hospital facilities, as are normally made available to national civil servants or other comparable employees holding the rank to which the officers are assimilated.
3. The Government shall provide the officers with such accommodation as is normally made available to national civil servants or other comparable employees holding the rank to which the officers are assimilated. The rent and other charges payable by the officers for such accommodation and the conditions of its occupancy shall be the same as those applicable to the aforementioned civil servants or employees.
4. The Government shall grant the officers the annual and sick leave available to national civil servants or other comparable employees holding the rank to which the officers are assimilated. The Government shall grant to the officers such further annual leave, not exceeding total leave at the rate of thirty working days per annum, as may be required to permit them to enjoy such home leave as they may be entitled to under the terms of their contracts with the Organization.
5. The Government recognize that the officers shall :

  - (b) be exempt from taxation on the stipends, emoluments and allowances paid to them by the Organization;

- (c) be immune from national service obligations;
  - (d) be immune, together with their spouses and relatives dependent upon them, from immigration restrictions and alien registration;
  - (e) be accorded the same privileges in respect of exchange facilities as are accorded to the officials of comparable ranks forming part of diplomatic missions to the Government;
  - (f) be given, together with their spouses and relatives dependent on them, the same repatriation facilities in time of international crisis as diplomatic envoys;
  - (g) have the right to import free of duty their furniture and effects at the time of first taking up their post in the country in question.
6. The assistance rendered pursuant to the terms of this Agreement is in the exclusive interest and for the exclusive benefit of the people and Government of Ethiopia. In recognition thereof, the Government shall bear all risks and claims resulting from, occurring in the course of, or otherwise connected with any operation covered by this Agreement. Without restricting the generality of the preceding sentence, the Government shall indemnify and hold harmless the Organization and the officers against any and all liability suits, actions, demands, damages, costs or fees on account of death, injuries to person or property, or any other losses resulting from or connected with any act or omission performed in the course of operations covered by this Agreement.
7. The Government shall do everything within its means to ensure the effective use of the officers provided and will, as far as practicable, make available to the Organization information on the results achieved by this assistance.
8. The Government shall defray such portions of the expenses to be paid outside the country as may be mutually agreed upon.

1. Any dispute between the Government and any officer arising out of or relating to the conditions of his service may be referred to the Organization by either the Government or the officer involved, and the Organization shall use its good offices to assist them in arriving at a settlement. If the dispute cannot be settled in accordance with the preceding sentence, the matter shall be submitted to arbitration at the request of either party to the dispute pursuant to paragraph 3 below.
2. Any dispute between the Organization and the Government arising out of or relating to this Agreement which cannot be settled by negotiation or other

agreed mode of settlement shall be submitted to arbitration at the request of either party to the dispute pursuant to paragraph 3 below.

3. Any dispute to be submitted to arbitration in accordance with paragraph 1 or 2 above shall be referred to a board of three arbitrators for decision by a majority of them. Each party to the dispute shall appoint one arbitrator, and the two arbitrators so appointed shall appoint the third, who shall be the chairman. If within thirty days of the request for arbitration either party has not appointed an arbitrator or if within fifteen days of the appointment of two arbitrators the third arbitrator has not been appointed, either party may request the Secretary-General of the Permanent Court of Arbitration to appoint an arbitrator. The procedure of the arbitration shall be fixed by the arbitrators, and the expenses of the arbitration shall be borne by the parties as assessed by the arbitrators. The arbitral award shall contain a statement of the reasons on which it is based and shall be accepted by the parties to the dispute as the final adjudication thereof.
