UNITED NATIONS DEVELOPMENT PROGRAMME

SF 332 Botswana

30 September 1966

Sir,

I am writing on behalf of the United Nations Development Programme and have the honour to propose that following the independence of Botswana on 30 September 1966 and until such time as an Agreement between the Government of Botswana and the UNDP (Special Fund) relating to assistance from the latter is signed and comes into force, the Government of Botswana accept the provisions of the Agreement² between the United Kingdom and the United Nations Special Fund which governed the Special Fund operations in Botswana before independence, and that the Government are willing to consider themselves to be the successor to the United Kingdom Government with respect to Botswana under that Agreement.

Accordingly, for all Plans of Operation relating to UNDP (Special Fund) projects currently in operation in Botswana, the Government will apply the provisions of the Agreement referred to above and will likewise apply them to the Plans of Operation for projects which may be approved in the future.

I should appreciate it if you would kindly indicate your Government's acceptance of this proposal by quoting the full text of this letter in your reply.

¹ Came into force on 30 September 1966, by the exchange of the said letters.
