No. 8488. GUARANTEE AGREEMENT¹ (*SECOND SINGAPORE POWER PROJECT*) BETWEEN THE REPUBLIC OF SINGAPORE AND THE INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT. SIGNED AT WASHINGTON, ON 4 NOVEMBER 1966

AGREEMENT, dated November 4, 1966, between REPUBLIC OF SINGAPORE (hereinafter called the Guarantor) and INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT (hereinafter called the Bank).

WHEREAS by an agreement of even date herewith between the Bank and the PUBLIC UTILITIES BOARD, SINGAPORE (hereinafter called the Borrower), which agreement and the schedules therein referred to are hereinafter called the Loan Agreement,² the Bank has agreed to make to the Borrower a loan in various currencies equivalent to ten million dollars (\$10,000,000), on the terms and conditions set forth in the Loan Agreement, but only on condition that the Guarantor agrees to guarantee the obligations of the Borrower in respect of such loan as hereinafter provided ; and

WHEREAS the Guarantor, in consideration of the Bank's entering into the Loan Agreement with the Borrower, has agreed so to guarantee such obligations of the Borrower ;

NOW THEREFORE the parties hereto hereby agree as follows :

Article I

Section 1.01. The parties to this Guarantee Agreement accept all the provisions of Loan Regulations No. 4 of the Bank dated February 15, 1961,² subject, however, to the modification thereof set forth in Section 1.01 of the Loan Agreement (said Loan Regulations No. 4 as so modified being hereinafter called the Loan Regulations) with the same force and effect as if they were fully set forth herein.

¹ Came into force on 28 November 1966, upon notification by the Bank to the Government of Singapore.

² See p. 164 of this volume.

Article II

Section 2.01. Without limitation or restriction upon any of the other covenants on its part in this Guarantee Agreement contained, the Guarantor hereby unconditionally guarantees, as primary obligor and not as surety merely, the due and punctual payment of the principal of, and the interest and other charges on, the Loan, the principal of and interest on the Bonds and the premium, if any, on the prepayment of the Loan or the redemption of the Bonds, all as set forth in the Loan Agreement and in the Bonds.

Section 2.02. Without limitation or restriction upon any of the other covenants on its part in this Guarantee Agreement contained, upon representation by the Bank to the Guarantor that there is reasonable cause to believe that the Borrower is likely to fail to discharge or be unable to discharge any of its obligations or covenants under the Loan Agreement, the Guarantor shall take such appropriate action as may be required to ensure that satisfactory arrangements are made by the Borrower to enable it to discharge its obligations or covenants under the Loan Agreement.

Section 2.03. The Guarantor specifically undertakes, whenever there is reasonable cause to believe that the funds available to the Borrower will be inadequate to meet the estimated expenditures required for carrying out the Project, to make arrangements, satisfactory to the Bank, promptly to provide the Borrower or cause the Borrower to be provided with such funds as are needed to meet such expenditures.

Article III

Section 3.01. It is the mutual intention of the Guarantor and the Bank that no other external debt shall enjoy any priority over the Loan by way of a lien on governmental assets. To that end, the Guarantor undertakes that, except as the Bank shall otherwise agree, if any lien shall be created on any assets of the Guarantor as security for any external debt, such lien will *ipso facto* equally and ratably secure the payment of the principal of, and interest and other charges on, the Loan and the Bonds, and that in the creation of any such lien express provision will be made to that effect; provided, however, that the foregoing provisions of this Section shall not apply to: (i) any lien created on property, at the time of purchase thereof, solely as security for the payment of the purchase price of such property; and (ii) any lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after its date.

The term "assets of the Guarantor" as used in this Section includes assets of the Guarantor or of any statutory authority established by the Guarantor or of any agency of the foregoing or of any central bank of the Guarantor which may be established and any right, interest or share which the Guarantor has or may have in the assets of the Board of Commissioners of Currency, Malaya and British Borneo, or any successor thereof.

Section 3.02. (a) The Guarantor and the Bank shall cooperate fully to assure that the purposes of the Loan will be accomplished. To that end, each of them shall furnish to the other all such information as shall be reasonably requested with regard to the general status of the Loan. On the part of the Guarantor, such information shall include information with respect to financial and economic conditions in the territories of the Guarantor and the international balance of payments position of the Guarantor.

(b) The Guarantor and the Bank shall from time to time exchange views through their representatives with regard to matters relating to the administration, operations and financial condition of the Borrower and other matters relating to the purposes of the Loan and the maintenance of the service thereof. The Guarantor shall promptly inform the Bank of any condition which interferes with, or threatens to interfere with, the accomplishment of the purposes of the Loan or the maintenance of the service thereof.

(c) The Guarantor shall afford all reasonable opportunity for accredited representatives of the Bank to visit any part of the territories of the Guarantor for purposes related to the Loan.

Section 3.03 The principal of, and interest and other charges on, the Loan and the Bonds shall be paid without deduction for, and free from, any taxes and free from all restrictions imposed under the laws of the Guarantor or laws in effect in its territories ; provided, however, that the provisions of this Section shall not apply to taxation of payments under any Bond to a holder thereof other than the Bank when such Bond is beneficially owned by an individual or corporate resident of the Guarantor.

Section 3.04. This Agreement, the Loan Agreement and the Bonds shall be free from any taxes that shall be imposed under the laws of the Guarantor or laws in effect in its territories on or in connection with the execution, issue, delivery or registration thereof.

Section 3.05. The Guarantor undertakes to permit the Borrower so to exercise its powers and perform its functions that the tariffs for sale of electricity, water and gas and hire of apparatus it prescribes will provide sufficient revenue :

- (a) to cover operating expenses, including taxes, if any, and to provide adequate maintenance and depreciation, and interest payments on borrowings ;
- (b) to meet periodic repayments on long-term indebtedness and sinking fund contributions to the extent that such repayments and contributions exceed the provision for depreciation ; and
- (c) to create reasonable reserves.

Article IV

Section 4.01. The Guarantor shall endorse, in accordance with the provisions of the Loan Regulations, its guarantee on the Bonds to be executed and delivered by the Borrower. The Minister for Finance of the Guarantor and such person or persons as he shall designate in writing are designated as the authorized representatives of the Guarantor for the purposes of Section 6.12 (b) of the Loan Regulations.

Section 5.06.
