No. 8581. EXCHANGE OF LETTERS CONSTITUTING AN AGREEMENT¹ BETWEEN THE UNITED STATES OF AMERICA AND POLAND RELATING TO TRADE IN COTTON TEXTILES. WASHINGTON, 24 JUNE 1965

I

*The Deputy Assistant Secretary for Economic Affairs
to the Polish Economic Counselor*

June 24, 1965

Sir :

I refer to discussions between representatives of our two Governments concerning exports of cotton shirts from Poland to the United States and confirm the following understanding with respect to these exports reached by our two Governments in the course of these discussions :

The Government of Poland agrees that for the twelve-month period beginning May 26, 1965, it will limit exports to the United States of sport shirts, chief value cotton, classified in United States cotton textile category 46, to a level of 8,000 dozen. The Government of Poland agrees to take this action pursuant to a statement by the Government of the United States that in its judgment the United States market for sport shirts is disrupted within the meaning of Annex C of the Long-term Arrangement Regarding International Trade in Cotton Textiles done at Geneva on February 9, 1962.²

If the above conforms to your Government's understanding, this letter and your letter in reply confirming this understanding shall constitute an agreement between our two Governments.

Very truly yours,

Philip H. TREZISE
Deputy Assistant Secretary
for Economic Affairs

Mr. Zbigniew Bidziński
Economic Counselor
