This Administration has been informed by the Israel Amateur Radio Club that recent changes have been effected by the Canadian Administration to permit visiting radio amateurs who are foreign nationals to operate their station in Canada, on a reciprocal basis.

In view of these changes, this Administration would be pleased if you would be willing to enter into a reciprocal agreement providing for :

3. Such authorizations, when granted, would be subject to the terms and conditions prescribed by the issuing Administration.

If your Administration would be prepared to enter into an agreement in these terms, a reply from you and this letter would, if so desired, be regarded
