No. 460

Excellency :

I have the honor to propose, in accordance with the agreement reached between President Johnson and President Diaz Ordaz on April 16 of this year, the creation of a joint commission between the United States of America and the United Mexican States to review the operation of the Abraham Lincoln and Benito Juárez scholarship funds.

The commission shall be composed of an equal number of commissioners designated by the United States of America and the United Mexican States respectively. The commission shall meet at least once every year and at such other times as may be deemed necessary or desirable by the two Governments, and shall submit periodic reports to the two Governments.

Compensation of the commissioners will be paid by the Government by which they are appointed.

If this proposal is acceptable to the Government of United Mexican States, this note and Your Excellency's reply concurring therein shall constitute an agreement between our two Governments, which shall enter into force on the date of Your Excellency's reply.

Accept, Excellency, the renewed assurances of my highest consideration.
