which are held in the name or to the order to the Government of Barbados, its agencies and other official institutions and Statutory Funds.

which are denominated in sterling and which are held in the name or to the order of the Government of Barbados, its agencies and other official institutions with banks or other depositaries in the United Kingdom and which are included in total official external reserves.

(2) *The Guarantee*

The Government of the United Kingdom undertake to maintain the sterling value in terms of the United States dollar of the balances eligible for guarantee, provided that the minimum sterling proportion referred to below has been maintained by Barbados up to and including the date of implementation of the guarantee. The circumstances in which the guarantee would be implemented and the terms of implementation shall be defined in consultation between the two Governments.

(3) *Balances Eligible for Guarantee*

The balances eligible for guarantee shall be that portion of official sterling reserves by which those official sterling reserves exceed 10 per cent of total official external reserves as defined in Paragraph 1 (a) above, except that no part of official sterling reserves falling under or bearing a right to conversion into a security covered by (a) and (b) of Paragraph 1 (b) (iii) above shall be eligible for guarantee.

(4) *The Minimum Sterling Proportion*

Barbados shall throughout the period covered by the Agreement maintain official sterling reserves in such proportion to total official external reserves as may be fixed by consultation between the two Governments. This proportion shall be known as the minimum sterling proportion.

(5) *Review*
