**BASIC AGREEMENT¹ BETWEEN THE GOVERNMENT OF
THE UNITED REPUBLIC OF TANZANIA AND THE
UNITED NATIONS/FAO WORLD FOOD PROGRAM CON-
CERNING ASSISTANCE FROM THE WORLD FOOD
PROGRAM**

WHEREAS the Government of the United Republic of Tanzania (hereinafter referred to as “the Government”) and the United Nations/FAO World Food Program (hereinafter referred to as “the World Food Program”) have entered into an Agreement concerning assistance from the World Food Program which Agreement was signed by the Contracting Parties at Dar es Salaam on 27 June 1963;

WHEREAS the Government desires to continue to avail itself of the assistance of the World Food Program; and

WHEREAS the World Food Program is agreeable to affording such assistance at the specific request of the Government;

NOW THEREFORE the Government and the World Food Program have entered into this Agreement replacing the aforementioned Agreement of 27 June 1963 and embodying the conditions under which such assistance may be given by the World Food Program and utilized by the Government in accordance with the General Regulations of the World Food Program:

Article I

ASSISTANCE REQUESTS AND AGREEMENTS

1. The Government may request assistance in the form of food from the World Food Program for supporting economic and social development projects or for meeting emergency food needs arising from natural disasters or as the result of other emergency conditions.

2. Any request for assistance shall normally be presented by the Government in the form indicated by the World Food Program, through the Resident Representative of the United Nations Development Program accredited to the United Republic of Tanzania.

¹ Came into force on 6 October 1967 by signature, in accordance with article VII (1).

3. The Government shall provide the World Food Program with all appropriate facilities and relevant information needed for assessing the request.

4. When it has been decided that the World Food Program will give assistance in respect of a development project, a Plan of Operations shall be agreed to by the Government and the World Food Program. In the case of emergency relief operations letters of understanding shall be exchanged in lieu of the conclusion of a formal instrument between the Parties.

5. Each Plan of Operations shall indicate the terms and conditions upon which a project is to be carried out and shall specify the respective responsibilities of the Government and the World Food Program in implementing the project. The provisions of the present Basic Agreement shall govern any Plan of Operations concluded thereunder.

Article II

EXECUTION OF DEVELOPMENT PROJECTS AND EMERGENCY RELIEF OPERATIONS

1. The primary responsibility for execution of development projects and emergency operations shall rest with the Government, which shall provide all personnel, premises, supplies, equipment, services and transportation and defray all expenditure necessary for implementation of any development project or emergency operations.

2. The World Food Program shall deliver commodities as a grant without payment at the port of entry or the frontier station and shall supervise and provide advisory assistance in the execution of any development project or emergency operation.

3. In respect of each project the Government shall designate, in agreement with the World Food Program, an appropriate agency to implement the project. Should there be more than one food assistance project in the country, the Government shall designate a central coordinating agency for regulating supplies of food as between the World Food Program and the projects and between the projects themselves.

4. The Government shall provide facilities to the World Food Program for observing all stages of implementation of development projects and emergency operations.

5. The Government shall ensure that the commodities supplied by the World Food Program are handled, transported, stored and distributed

with adequate care and efficiency and that the commodities and the proceeds of their sale, when authorized, are utilized in the manner agreed upon between the Parties. In the event that they are not so utilized, the Program may require the return to it of the commodities or the sales proceeds, or both, as the case may be.

6. The World Food Program may suspend or withdraw its assistance in the event of failure on the part of the Government to fulfil any of its obligations assumed under the present Agreement or any agreement concluded by virtue thereof.

Article III

INFORMATION CONCERNING PROJECTS AND EMERGENCY OPERATIONS

1. The Government shall furnish the World Food Program with such relevant documents, accounts, records, statements, reports and other information as the World Food Program may request concerning the execution of any development project or emergency operation, or its continued feasibility and soundness, or concerning the fulfilment by the Government of any of its responsibilities under the present Agreement or any agreement concluded by virtue thereof.

2. The Government shall keep the World Food Program informed regularly of the progress of execution of each development project or emergency operation.

3. The Government shall present to the World Food Program audited accounts of the use of commodities supplied by the Program and of the proceeds of their sale in each development project at agreed intervals and at the end of the project.

4. The Government shall assist in any appraisal of a project that the World Food Program may undertake, as stated in the relevant Plan of Operations, by maintaining and furnishing to the Program records required for this purpose. Any final appraisal report prepared shall be submitted to the Government for its comments and subsequently to the UN/FAO Intergovernmental Committee, together with any such comments.

Article IV

3. The Government shall be responsible for dealing with any claims which may be brought by third parties against the World Food Program or against its officials or consultants or other persons performing services on behalf of the World Food Program under this Agreement and shall hold the World Food Program and the above-mentioned persons harmless in case of any claims or liabilities resulting from operations under this Agreement, except where it is agreed by the Government and the World Food Program that such claims or liabilities arise from the gross negligence or wilful misconduct of such persons.

Article VI
