Sir,

I have the honour to refer to the discussions concerning development aid from the Government of the United Kingdom of Great Britain and Northern Ireland to the Government of the Republic of Indonesia and to inform you that the Government of the United Kingdom are prepared to conclude an Agreement with the Government of Indonesia on this question. The position of the Government of the United Kingdom with regard to the provision of finance and the commitments of that Government and of the Government of Indonesia as regards associated matters shall be as respectively set out in Part A and Part B below.

A. The Government of the United Kingdom declare that it is their intention to make available to the Government of Indonesia by way of an interest-free loan a sum not exceeding £1,500,000 (one million five hundred thousand pounds sterling)

¹ Came into force on 11 November 1970, the date of the note in reply, in accordance with the provisions of the said notes.

for the purchase in the United Kingdom (which expression in this Note shall be deemed to include the Channel Islands and the Isle of Man) of British goods.

B. (1) The Government of the United Kingdom shall adopt the arrangements and procedures described in the following paragraphs of this Note in so far as they relate to things to be done by or on behalf of that Government. The Government of Indonesia shall adopt the arrangements and procedures so described in so far as they relate to things to be done by or on behalf of that Government.

(2) (a) For the purpose of these arrangements, the Government of Indonesia through the Central Bank of Indonesia (Bank Indonesia) shall, by requests in the form set out in Annex A to this Note, open special Accounts (hereinafter referred to as "the Accounts") with banks in London (hereinafter referred to as "the Banks"). These Accounts shall be operated solely for the purposes of the loan and in accordance with the instructions contained in the said requests.

(b) As soon as these Accounts are opened and before taking any other step required by these arrangements for obtaining any part of the loan, the Government of Indonesia shall furnish the Government of the United Kingdom with a copy of the Government's instructions to the Banks given in accordance with the foregoing provisions of this paragraph. The Government of Indonesia shall, at the same time, and so often as any change is made therein, ensure that the Government of the United Kingdom is notified of the names of the officers who are duly authorised to sign on its behalf the Requests for Drawings referred to in paragraph 5 (b) and shall also ensure that a specimen signature in duplicate of each such officer is provided.

(c) The Government of Indonesia shall ensure that the Banks shall forward monthly to the Government of the United Kingdom statements of all receipts to and payments from the Accounts.

(d) Unless the Government of the United Kingdom otherwise agree, payments into the Accounts shall not be made after 31st March 1971.

(3) Save to the extent, if any, to which the Government of the United Kingdom may otherwise agree, drawings from the loan shall be used only to reimburse banks in the United Kingdom for payments (made in pursuance of irrevocable letters of credit which are opened or advised after the date of this Note) to facilitate the carrying out of a contract for the purchase in the United Kingdom of goods wholly produced or manufactured in the United Kingdom or, in the case of chemical and allied products, goods which are duly declared to be of United Kingdom origin on the form set out in Annex C (Chemicals) to this Note, and being goods that appear in Parts A and B of the import list made under Article 2 of the Department of Trade Regulation (No. 69/KP IV/1970) (the Indonesian official list of goods for which payment by means of "Devisa Kredit"

foreign exchange from foreign credits is authorised by the Government of Indonesia) and being a contract which:

- (i) provides for payment in sterling to persons carrying on business in the United Kingdom; and
- (ii) is approved by the Government of Indonesia and accepted by the Government of the United Kingdom for financing from the loan; and
- (iii) is entered into after the date of this Note and before the 31st December 1970.

(4) (a) Where the Government of Indonesia propose that part of the loan shall be applied to a contract, that Government shall ensure that there are forwarded at the earliest opportunity to the Government of the United Kingdom:

- (i) a copy of the contract, or of a letter of credit relating to the contract; and
- (ii) two copies of a Certificate from the supplier concerned in the United Kingdom in the form set out in Annex C or Annex C (Chemicals) to this Note, whichever is appropriate.

(b) The Government of Indonesia shall ensure that the Government of the United Kingdom are informed if at any time a contract (being a contract in respect of which documents have been submitted in accordance with the foregoing provisions) is amended or if liability is incurred or is to be incurred thereunder to a greater or lesser amount than the amount specified in the Contract Certificate and, in either of these cases, the Government of Indonesia shall ensure that there are forwarded as soon as possible to the Government of the United Kingdom the relevant supplementary or revised documents.

(5) (a) After the Government of the United Kingdom have considered the documents forwarded in pursuance of the procedure described in the foregoing provisions of this Note and any additional information which it may request for this purpose from the Banks acting on behalf of the Government of Indonesia (and which that Government shall ensure is supplied on its behalf), the Government of the United Kingdom shall notify the Banks in the form set out in Annex C (i) to this Note whether and to what extent it accepts that a contract is eligible for payment from the loan.

(b) To the extent that the Government of the United Kingdom so accept a contract and agree to payment from the Accounts, they shall on receipt of a request duly signed by one of the Banks on behalf of the Government of Indonesia, in the form set out in Annex B to this Note, giving details of payment due and about to be made, make payments in sterling into the Accounts and each such payment shall constitute a drawing on the loan.

(6) Withdrawals from the Accounts shall be made only in the manner and subject to the conditions hereinafter set out in this paragraph:

(a) For the reimbursement to a bank in the cases to which paragraph (3) refers, withdrawals shall be made only on receipt by the Banks of the relevant documents including:

- (i) a Payment Certificate in the form shown in Annex D to this Note and the invoices referred to therein; or
- (ii) for contracts in respect of which a Contract Certificate in the form shown in Annex C (Chemicals) to this Note has been provided, the invoices only;
- Provided that
- (aa) the amount of reimbursement made in respect of any one contract shall not exceed the amount specified in relation to that contract in the notification in the form set out in Annex C (i) to this Note; and
- (bb) the Banks shall forward to the Government of the United Kingdom the relevant Payment Certificate (where applicable) and invoices immediately any such reimbursements have been made;
- (b) Photocopies or duplicates of invoices may be submitted instead of the originals for the purposes of this paragraph.

(7) If any monies that have been paid out of an Account are subsequently refunded either by the supplier or by a guarantor, the Government of Indonesia shall, so long as there are payments or reimbursements to be made from that Account, pay an equivalent of such sums into that Account and, in any other case, apply the refunds to the reduction of the loan.

(8) The Government of Indonesia shall repay to the Government of the United Kingdom in pounds sterling in London the total sum borrowed under the arrangements set out in this Note, such repayment to be made by instalments paid on the dates and in the amounts specified below, except that if, on the date when any such instalment is due to be paid, there is then outstanding less than the amount specified for that instalment, only the amount then outstanding shall be payable:

INSTALMENTS

<i>Date Due</i>	<i>Amount</i> £
1st May 1978 and on the 1st May in each of the succeeding 17 years	41,700
1st November 1978 and on the 1st November in each of the succeeding 16 years	41,700
1st November 1995	40,500

(9) Notwithstanding the provisions of paragraph (8) of this Note, the Government of Indonesia shall be free at any earlier time to repay to the Government of the United Kingdom in pounds sterling in London the whole or any part of the loan that is still outstanding.

If the foregoing proposals are acceptable to the Government of the Republic of Indonesia, I have the honour to suggest that the present Note, together with your reply in that sense, shall constitute an Agreement between the two Governments which shall enter into force on the date of your reply

and the Agreement shall be referred to as the United Kingdom/Indonesia (No. 4) Loan, 1970.

Please accept, Sir, the assurances of my highest consideration.

ANNEX A

BANK INDONESIA

The Manager,

..... Bank Ltd.

Dear Sirs,

United Kingdom/Indonesia (No. 4) Loan 1970
Provision of goods and services from the United Kingdom

I confirm your appointment as agents of the Central Bank of Indonesia (Bank Indonesia) on behalf of the Government of Indonesia (hereinafter called "the Government") in connection with the administration of a portion amounting to £750,000 of the above-mentioned loan which is for the sum not exceeding £1,500,000 (one million five hundred thousand pounds sterling).

2. I have to request you on behalf of the Government to open an account in the name of Bank Indonesia, to be styled United Kingdom/Indonesia (No. 4) (D.K.) Loan 1970 Account (hereinafter called "the Account").

3. Five blank copies of either a Contract Certificate and of a Payment Certificate in the form marked Annex C and Annex D respectively, attached hereto, or of a Contract Certificate in the form marked Annex C (Chemicals) also attached hereto, will be attached by the advising bank (*i.e.*, the London bank which is requested to advise the relative letter of credit) to each irrevocable letter of credit opened or advised in respect of contracts which the Government desire to be financed from the loan. It will be a condition of each letter of credit that on receipt the beneficiary must complete and return to the advising bank urgently four copies of the Contract Certificate. The advising bank will forward to you three copies of the completed Contract Certificate and two copies of the contract (or of the letter of credit in lieu) and you will retain one copy of each document and submit the remainder, on behalf of the Government, to the Government of the United Kingdom, who will inform you in the form marked Annex C (i) attached hereto whether and to what extent it accepts that a contract is eligible for payment from the loan.

4. Any amendment necessary to a contract, which affects the details of the relevant Contract Certificate, after the contract has been accepted in whole or in

part by the Government of the United Kingdom for financing from the loan, must be notified to the Government of the United Kingdom. The advising bank will accordingly be required to submit to you three copies of a fresh Contract Certificate duly signed by the supplier together with two copies of the proposed amendment and action will then proceed as in paragraph 3 above.

5. Payments into the Account will be made from time to time by the Government of the United Kingdom on receipt by them or requests in the form marked Annex B attached hereto and which you are authorised to present on behalf of the Government. The amount of the loan to be drawn on any one occasion will be sufficient, together with any balance which may be available in the Account, to cover the total payments made or about to be made under the contracts referred to in paragraph 3 above. It is possible that, as a result of refunds becoming due from contractors, payments in to the Account will also be made by the Government itself.

6. Payments from the Account are to be made from time to time only to make reimbursement to any bank in the United Kingdom in respect of payments made in accordance with a letter of credit which has been marked FXUK/70/IV for the purpose of establishing that recovery is to be effected from the Account and in respect of which you have received the relevant documents including—

- (a) A Contract Certificate in accordance with the procedure described in paragraph 3 above; and
- (b) either a Payment Certificate in the form marked Annex D attached hereto, duly signed by the supplier and the invoices referred to therein or the invoices only in respect of contracts for the purchase of chemicals and allied products.

7. The amount of reimbursement under paragraph 6 above will not exceed the amount specified in the notification in the form marked Annex C (i) supplied to you by the Government of the United Kingdom in relation to the contract that is the subject of the letter of credit. Any balance required to meet the full value of the letter of credit will be met from a separate account of the Government. You will send to the Government of the United Kingdom for their retention the Payment Certificate (where applicable) and invoices mentioned in paragraph 6 (b) immediately the reimbursements to which they relate have been made.

8. The charges and commissions due to you in respect of your services as the agent of the Government in the administration of this loan and the sterling bank charges payable in the United Kingdom in respect of letters of credit referred to above shall be borne by the Government and shall not be chargeable to the Account.

9. You will send to the Government of the United Kingdom and to Bank Indonesia Head Office, Djakarta, at the end of each month a detailed statement

showing all debits and credits to the Account during the month. A copy of the statement should be forwarded to the Representative's office of Bank Indonesia for Europe, in London.

10. You will send to the Government of the United Kingdom with copies to Bank Indonesia specimen signatures of the officers of the Bank authorised to sign, as Agent of the Central Bank of Indonesia on behalf of the Government, Requests for Drawings in the form marked Annex B attached hereto.

11. A copy of this letter has been addressed to the Government of the United Kingdom.

Yours faithfully,

11 November 1970

Sir,

I have the honour to refer to the Agreement on development aid concluded to-day between the Government of the United Kingdom of Great Britain and Northern Ireland and the Government of the Republic of Indonesia.

In discussions on the agreement the question of shipping charges and insurance charges on goods imported with the aid was raised. As this is not covered specifically in the Agreement, the position is set out below for further clarification and to enable your Government to inform importers and banks.

Shipping

Goods should be shipped in accordance with normal commercial competitive practice and not directed to ships of any particular flag. Provided shipping costs are paid in sterling in the United Kingdom they may be met from aid funds and the flag of the vessel is immaterial.

Insurance

On a c.i.f. contract, where the insurer is not revealed, insurance is assumed to have been placed with a United Kingdom company and the whole contract price may be met from aid funds. In all other cases insurance costs may be met from aid funds provided it is placed with an insurance company carrying on business in the United Kingdom and payment is made in the United Kingdom in sterling.

Please accept, Sir, the assurances of my highest consideration.

Sir,

I have the honour to refer to the Agreement on development aid concluded to-day between the Government of the United Kingdom of Great Britain and Northern Ireland and the Government of the Republic of Indonesia.

In order to simplify the administration of the loan provided for under the terms of the Agreement, it had been agreed that a list should be published showing those items on parts A and B of the current D.K. List which are

either unobtainable from the United Kingdom or ineligible under the terms of the loan. A list of these items is attached comprising:

- (a) items which are not normally produced in or exported from the United Kingdom; and
- (b) items which will not qualify as being of United Kingdom origin; and
- (c) capital items which in the view of the United Kingdom Government are more appropriately handled under project aid, calling in each case for a special project agreement.
