BRITISH EMBASSY

Ankara, 6 July, 1970

Your Excellency,

I have the honour to refer to discussions which have recently taken place between our two Governments concerning development aid from the Government of the United Kingdom of Great Britain and Northern Ireland to the Government of the Republic of Turkey and to inform Your Excellency that the Government of the United Kingdom are prepared to conclude an Agreement with the Government of Turkey on this question. The position of the Government of the United Kingdom with regard to the provision of finance and the commitments of that Government and of the Government of Turkey as regards associated matters shall be as respectively set out in Part A and Part B below:

A. The Government of the United Kingdom declare that it is their intention to make available to the Government of Turkey by way of an interest-free loan a sum not exceeding £1,000,000 (one million pounds sterling) for the purchase in the United Kingdom of the equipment and services hereinafter mentioned.

¹ Came into force on 6 July 1970, date of the note in reply, in accordance with the provisions of the said notes.

B. (1) The Government of the United Kingdom shall adopt the arrangements and procedures described in the following paragraphs of this Note insofar as they relate to things to be done by or on behalf of that Government. The Government of Turkey shall adopt the arrangements and procedures so described insofar as they relate to things to be done by or on behalf of that Government.

(2) (a) For the purpose of these arrangements the Government of Turkey shall, by a request in the form set out in Annex A to this Note, open a special account (hereinafter referred to as "the Account") with a bank in London (hereinafter referred to as "the Bank"). The Account shall be operated solely for the purpose of the loan and in accordance with the instructions contained in the said request.

(b) As soon as the Account is opened and before taking any other steps required by these arrangements for obtaining any part of the loan, the Government of Turkey shall furnish the Government of the United Kingdom with a copy of their instructions to the Bank given in accordance with the provisions of sub-paragraph (a) above. The Government of Turkey shall at the same time and so often as is necessary notify the Government of the United Kingdom of the names of the officers who are duly authorised to sign on their behalf the Requests for Drawing and Payment Authorities as in Annexes C (ii) and D to this Note and shall furnish a specimen signature in duplicate of each such officer.

(c) The Government of Turkey shall ensure that the Bank forwards monthly to the Government of the United Kingdom a statement of receipts to and payments from the Account.

(d) Unless the Government of the United Kingdom otherwise agree payments into the Account shall not be made after the 30th of June 1971.

(3) Save to the extent (if any) to which the Government of the United Kingdom may otherwise agree drawings from the loan shall be used only:

(a) for payments under a contract for the purchase in the United Kingdom (which expression in this Note shall be deemed to include the Channel Islands and the Isle of Man) of equipment wholly produced or manufactured in the United Kingdom, or in the case of chemicals and allied products, goods which are duly declared to be of United Kingdom origin on the form set out in Annex C (Chemicals) to this Note, or for work to be done or for services to be rendered in the United Kingdom by persons ordinarily resident or carrying on business in the United Kingdom or for two or more of such purposes, being a contract which:

- (i) provides for payment in sterling to persons carrying on business in the United Kingdom; and
- (ii) is approved on behalf of the Government of Turkey and accepted by the Government of the United Kingdom for financing from the loan; and
- (iii) is entered into after the date of this Note and before the 31st of March 1971;

- (b) to reimburse any bank in the United Kingdom for payments made by means of letters of credit which are confirmed, opened or advised after the date of this Note for the purpose of contracts complying with the conditions specified in subhead (a) of this paragraph.
- (c) for payment of sterling bank charges payable in the United Kingdom to any bank in the United Kingdom in respect of letters of credit referred to in this paragraph.

(4) (a) Where the Government of Turkey proposes that part of the loan shall be applied to a contract, that Government shall ensure that there are forwarded at the earliest opportunity to the Government of the United Kingdom:

- (i) a copy of the contract, or of a notification thereof in the form set out in Annex B to this Note; and
- (ii) two copies of a certificate from the contractor concerned in the United Kingdom in the form set out in Annex C or Annex C (Chemicals) (whichever is appropriate) to this Note.

(b) The Government of Turkey shall ensure that the Government of the United Kingdom is informed if at any time a contract which has been submitted in accordance with the foregoing provisions of this paragraph is amended or if liability is incurred or is to be incurred thereunder to a greater or lesser amount than the amount specified in the contract certificate and in either of these cases the Government of Turkey shall ensure that there are forwarded as soon as possible to the Government of the United Kingdom the relevant supplementary or revised documents.

(5) (a) After the Government of the United Kingdom has considered the documents forwarded, in respect of any contract in pursuance of the procedure described in the foregoing provisions of this Note and any additional information which it may request from the Government of Turkey for this purpose (and which that Government shall then supply), the Government of the United Kingdom shall notify the Government of Turkey in the form set out in Annex C (i) to this Note whether and to what extent it accepts that a contract is eligible for payment or reimbursement from the loan.

(b) To the extent that the Government of the United Kingdom so accepts a contract and agrees to payment or reimbursement from the Account it shall, on receipt of a request from the Government of Turkey, in the form set out in Annex C (ii) to this Note, giving details of contractual payments made or about to be made, make payments in sterling into the Account and each such payment shall constitute a drawing on the loan.

(6) Withdrawals from the Account shall be made only in the manner and subject to the conditions set out in this paragraph:

(a) For payments due under a contract in the cases to which paragraph (3) (a) refers, withdrawals shall be made in accordance with Payment Authorities in the form shown in Annex D hereto duly signed on behalf of the Government of Turkey and countersigned on behalf of the Government of the United Kingdom.

Each Payment Authority shall be forwarded in duplicate to the Government of the United Kingdom for counter-signature and shall be accompanied by Payment Certificates from the Contractors concerned in the form shown in Annex E hereto and the invoices referred to therein for retention by the Government of the United Kingdom; or the invoices only (for retention by the Government of the United Kingdom) relating to contracts in respect of which a Contract Certificate in the form shown in Annex C (Chemicals) hereto has been provided.

(b) For reimbursement to a bank in the cases to which paragraph 3 (b) refers, withdrawals shall be made only on receipt by the Bank of letters of credit supported by a Payment Certificate from the Contractor in the form shown in Annex E hereto and the invoices referred to therein or the invoices only relating to contracts in respect of which a Contract Certificate in the form shown in Annex C (Chemicals) hereto has been provided; and provided that

- (i) the amount of reimbursement in respect of any one contract, excluding the sterling bank charges referred to in paragraph (3) (c) above, shall not exceed the amount specified in relation to that contract in the Government of the United Kingdom's notification in the form set out in Annex C (i); and
- (ii) the Bank shall forward to the Government of the United Kingdom for their retention the relevant Payment Certificates (where appropriate) and invoices immediately any such reimbursements have been made; and
- (iii) where the amount shown in paragraph (ii) of a Payment Certificate exceeds the amount specified in paragraph 4 of the Contract Certificate relating to that contract, the Government of Turkey, at the request of the Government of the United Kingdom, shall pay an amount equal to the difference into the Account.

(c) for payments in the cases to which paragraph (3) (c) refers, the Bank shall debit the account and inform the Government of the United Kingdom of the amounts so debited and give details of the contract to which each payment relates;

(d) photocopies or duplicates of invoices (d) may be submitted instead of the originals for the purposes of this paragraph.

(7) If any monies that have been paid out of the Account are subsequently refunded either by the Contractor or by a guarantor the Government of Turkey shall, so long as there are payments or reimbursements to be made from the Account, pay an equivalent of such sums into the Account and, in any other case, apply the refunds to the reduction of the loan.

(8) The Government of Turkey shall repay to the Government of the United Kingdom in pounds sterling in London the total sum borrowed under the arrangements set out in this Note, such repayment to be made by instalments paid

on the dates and in the amounts specified below, except that if, on the date when any such instalment is due to be paid, there is then outstanding less than the amount specified for that instalment only the amount then outstanding shall be paid:

<i>Due</i>	INSTALMENTS	<i>Amount</i> £
1st October 1972		4,000

1st April 1995		22,500

(9) Notwithstanding the provisions of paragraph (8) of this Note, the Government of Turkey shall be free at any earlier time to repay to the Government of the United Kingdom in pounds sterling in London the whole or any part of the loan that is still outstanding.

(10) The Government of Turkey shall ensure that foreign shipping lines, including British lines, will be given the opportunity to compete for the shipping of goods under contracts financed by funds provided under this Agreement and that the choice of vessels for this purpose will be governed by commercial considerations alone.

2. If the foregoing proposals are acceptable to the Government of the Republic of Turkey, I have the honour to propose that the present Note and its Annexes together with Your Excellency's reply in that sense shall constitute an Agreement between the two Governments which shall enter into force on the date of your reply and that the Agreement shall be referred to as the United Kingdom/Turkey Loan Agreement (No. 2) 1970.

I avail myself of this opportunity to renew to Your Excellency the assurance of my highest consideration.
