## MASTER LOAN AGREEMENT<sup>1</sup>

---

AGREEMENT, dated July 12, 1971, between INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT (hereinafter called the Bank), and INTERNATIONAL FINANCE CORPORATION (hereinafter called IFC).

### *Article I*

#### THE LOANS

SECTION 1.01. *Application of this Agreement.* This Agreement shall be applicable to the loan or loans (hereinafter called the Loans) made by the Bank to IFC as specified in the Schedule hereto as such Schedule may be amended from time to time by agreement in writing between the Bank and IFC.

SECTION 1.02. *Principal Amount of Loans.* The principal amount of each of the Loans shall be in various currencies equivalent to ten million dollars or a multiple thereof.

SECTION 1.03. *Loan Account.* The Bank shall open a Loan Account on its books in the name of IFC. The amount of each of the Loans shall be credited to the Loan Account upon approval by the Bank of such Loan and its inclusion in the Schedule by agreement in writing between the Bank and IFC.

SECTION 1.04. *Withdrawal of Loans.* (a) The amounts of the Loans may be withdrawn from the Loan Account as provided in, and subject to the rights of cancellation and suspension set forth in, this Agreement.

(b) The amounts of the Loans may be withdrawn from time to time by IFC on its written request to reimburse it for amounts disbursed by it, or to provide amounts to be disbursed by it, on loans made by it; provided, however, that no withdrawal shall be made if at the time of such withdrawal or as a result thereof the aggregate amount of debt (including the guarantee of any debt) incurred or assumed by IFC from any source and then outstanding shall exceed an amount equal to four times its unimpaired subscribed capital and surplus. For purposes of this Section debt shall be deemed to be incurred (i) under a loan contract, on the date and to the extent it is drawn down pursuant thereto, and (ii) under a guarantee, on the date the guarantee contract has been entered into.

---

<sup>1</sup> Came into force on 12 July 1971 by signature, in accordance with its provisions.

(c) Withdrawals shall be made in dollars, or in such other currency or currencies as may be agreed between the Bank and IFC.

(d) Each withdrawal request by IFC shall identify the loans made by it in respect of which withdrawal is requested and shall contain such other information and certifications as the Bank shall reasonably request.

SECTION 1.05. *Commitment Charge.* IFC shall pay a commitment charge in dollars on the principal amount of each of the Loans not withdrawn from time to time. Such commitment charge shall accrue from the date of the crediting of such Loan by the Bank to the Loan Account to the respective dates on which amounts shall be withdrawn by IFC or shall be cancelled.

SECTION 1.06. *Interest.* IFC shall pay interest on the principal amount of each of the Loans withdrawn and outstanding from time to time. Interest shall accrue from the respective dates on which amounts shall be so withdrawn. Interest on any portion of any of the Loans shall be payable in the currency in which the principal of such portion of the Loan is repayable.

SECTION 1.07. *Special Commitments by the Bank.* Upon IFC's written request and upon such terms and conditions as shall be agreed upon between the Bank and IFC, the Bank may enter into special commitments in writing to pay amounts to IFC or others notwithstanding any subsequent suspension or cancellation of the Loans. A charge in dollars shall be payable on the principal amounts of any such special commitments outstanding from time to time.

SECTION 1.08. *Financial Charges.* (a) The rates of interest, commitment charge and the charge payable for special commitments shall be as set forth with respect to each Loan in the Schedule hereto.

(b) Interest, commitment charge and the charge payable for special commitments shall be computed on the basis of a 360-day year of twelve 30-day months and shall be payable semi-annually on the dates in each year specified in respect of each of the Loans.

SECTION 1.09. *Repayment.* (a) IFC shall repay the principal of each of the Loans in accordance with the amortization schedule applicable to such Loan as set forth in the Schedule hereto.

(b) The principal of the Loans shall be repayable in the several currencies withdrawn and the amount repayable in each currency shall be the amount withdrawn in that currency; provided, however, that if withdrawal shall be made in any currency which the Bank shall have purchased with another currency for the purpose of such withdrawal, the portion of the Loans so withdrawn shall be repayable in such other currency and the amount so repayable shall be the amount paid by the Bank on such purchase. Except as the Bank and IFC shall otherwise agree, the portion of a Loan to be repaid in any particular currency

shall be repayable in such installments as the Bank shall from time to time specify, not inconsistent with the installments set forth in the amortization schedule applicable to such Loan.

SECTION 1.10. *Prepayment at Option of IFC.* (a) IFC shall have the right, upon payment of all accrued interest and other charges and of the premium specified in the Schedule hereto, and upon not less than 45 days' written notice to the Bank, to repay in advance of maturity all or an equal proportionate part (but not less than \$5,000,000 at any one time) of the principal amount of the Loans at the time outstanding. Any premium payable on any such prepayment shall be as set forth in the Schedule hereto. The premiums shall be payable in the currency in which the principal of the prepayment is payable.

(b) Any such partial prepayment shall be applied *pro rata* to the principal amounts of the several maturities of the Loans as set forth in the amortization schedules applicable thereto.

(c) It is the policy of the Bank to encourage the repayment prior to maturity of portions of its loans retained by the Bank for its own account. Accordingly, the Bank will sympathetically consider, in the light of all circumstances then existing, any request of IFC that the Bank waive the payment of any premium payable under paragraph (a) of this Section.

SECTION 1.11. *Place of Payment.* The principal of, and interest and other charges on, the Loans shall be paid at such places as the Bank shall reasonably request.

SECTION 1.12. *Valuation of Currencies.* Whenever it shall be necessary for the purposes of this Agreement to determine the value of one currency in terms of another, such value shall be as reasonably determined by the Bank.

SECTION 1.13. *Exchange Restrictions.* Any payment required under the Loans to be made to the Bank in the currency of any country shall be made in such manner, and in currency acquired in such manner, as shall be permitted under the laws of such country for the purpose of making such payment and effecting the deposit of such currency to the account of the Bank with a depository of the Bank in such country.

## Article II

### PARTICULAR COVENANTS

SECTION 2.01. *Use of Proceeds.* (a) IFC shall use the proceeds of the Loans exclusively in its lending operations, including reimbursing itself for

amounts disbursed and outstanding on loans made by it out of funds originating from sources other than the Loans.

(b) In relending the proceeds of the Loans, IFC shall provide that its borrowers shall not use the funds borrowed to finance expenditures in the territories of any country which is not a member of the Bank (other than Switzerland) or for goods produced in, or services supplied from, such territories.

(c) The foregoing paragraphs of this Section shall apply equally to all funds recovered by IFC on account of the principal of loans made pursuant to paragraph (a).

SECTION 2.02. *Pari Passu Clause.* IFC undertakes that, except as the Bank shall otherwise agree, if any lien shall be created on any assets of IFC as security for any debt, such lien will *ipso facto* equally and ratably secure the payment of the principal of, and interest and other charges on, the Loans, and that in the creation of any such lien express provision will be made to that effect, provided, however, that the provisions of this Section shall not apply to any lien created on property, at the time of purchase thereof, solely as security for the payment of the purchase price of such property or any lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after its date.

### Article III

#### CANCELLATION, SUSPENSION AND ACCELERATION

SECTION 3.01. *Cancellation by IFC.* IFC may by notice to the Bank cancel the Loans or an equal proportionate part thereof which IFC shall not have withdrawn from the Loan Account prior to the giving of such notice, except that IFC may not so cancel any amount of the Loans in respect of which the Bank shall have entered into a special commitment pursuant to Section 1.07 of this Agreement.

SECTION 3.02. *Suspension by the Bank.* If any of the following events shall have happened and be continuing the Bank may by notice to IFC suspend in whole or in part the right of IFC to make withdrawals under the Loans :

- (a) A default shall have occurred in any payment required under this Agreement.
- (b) A default shall have occurred in the performance of any other obligation of IFC under this Agreement.
- (c) A default shall have occurred with respect to any debt of IFC other than to the Bank (including the guarantee of any debt) or under any agreement

or trust deed pursuant to which there is outstanding any debt of IFC (including the guarantee of any debt) and such default shall have continued for more than any applicable period of grace.

SECTION 3.03. *Acceleration of Principal Repayment.* (i) If any event specified in paragraph (a) of Section 3.02 of this Agreement shall occur and continue for a period of thirty days or (ii) if any event specified in paragraph (b) of such Section shall occur and continue for a period of sixty days after notice thereof shall have been given by the Bank to IFC or (iii) if any event specified in paragraph (c) of such Section shall occur, then at any subsequent time during the continuance thereof, the Bank, at its option, may declare all or part of the principal amounts of the Loans then outstanding together with interest and other charges thereon to be due and payable immediately, and upon any such declaration such principal, interest and charges shall become due and payable immediately, anything in this Agreement to the contrary notwithstanding.

SECTION 3.04. *Cancellation by the Bank.* If (a) the right of IFC to make withdrawals shall have been suspended with respect to any amount of the Loans for a continuous period of thirty days or (b) by such date as shall be specified in the Schedule in respect of each of the Loans or such other date as the Bank and IFC shall agree upon any amount thereof shall remain unwithdrawn, the Bank may by notice to IFC terminate the right of IFC to make withdrawals with respect to such amount. Upon the giving of such notice such amount shall be cancelled.

SECTION 3.05. *Amounts subject to Special Commitment Not Affected by Cancellation or Suspension by the Bank.* No cancellation or suspension by the Bank shall apply to amounts subject to any special commitment entered into by the Bank pursuant to Section 1.07 of this Agreement except as expressly provided in such commitment.

SECTION 3.06. *Application of Cancellation to Maturities of the Loans.* Except as otherwise agreed between the Bank and IFC, any cancellation pursuant to this Agreement of any amount of any one of the Loans not withdrawn shall be applied *pro rata* to the principal amounts of the several maturities of such one of the Loans as set forth in the amortization schedule applicable thereto.

#### Article IV
