4. When it has been decided that the World Food Program will give assistance in respect of a development project, a Plan of Operations shall be agreed to by the Government and the World Food Program. In the case of emergency relief operations letters of understanding shall be exchanged in lieu of the conclusion of a formal instrument between the Parties.

¹ Came into force on 10 May 1968 by signature, in accordance with article VII (1).

5. Each Plan of Operations shall indicate the terms and conditions upon which a project is to be carried out and shall specify the respective responsibilities of the Government and the World Food Program in implementing the project. The provisions of the present Basic Agreement shall govern any Plan of Operations concluded thereunder.

Article II

3. In respect of each project the Government shall designate in agreement with the World Food Program, an appropriate agency to implement the project. Should there be more than one food assistance project in the country, the Government shall designate a central co-ordinating agency for regulating supplies of food as between the World Food Program and the projects and between the projects themselves.

4. The Government shall provide facilities to the World Food Program for observing all stages of implementation of development projects and emergency operations.

5. The Government shall ensure that the commodities supplied by the World Food Program are handled, transported, stored and distributed with adequate care and efficiency and that the commodities and the proceeds of their sale, when authorized, are utilized in the manner agreed upon between the Parties. In the event that they are not so utilized, the Program may require the return to it of the commodities or the sales proceeds, or both, as the case may be.

6. The World Food Program may suspend or withdraw its assistance in the event of failure on the part of the Government to fulfil any of its obligations assumed under the present Agreement or any agreement concluded by virtue thereof.
