Article II

GUARANTEE; BONDS; PROVISION OF FUNDS

Section 2.01. Without limitation or restriction upon any of its other obligations under the Guarantee Agreement, the Guarantor hereby unconditionally guarantees, as primary obligor and not as surety merely, the due and punctual payment of the principal of, and interest and other charges on, the Loan and the Bonds, the premium, if any, on the prepayment of the Loan or the redemption of the Bonds prior to their maturity and the punctual performance of all the other obligations of the Borrower, all as set forth in the Loan Agreement and in the Bonds.

Section 2.02. The Guarantor shall endorse, in accordance with the provisions of the General Conditions, its guarantee on the Bonds to be executed and delivered by the Borrower. The Minister of Finance of the Guarantor and such other person or persons as he shall appoint in writing are designated as authorized representatives of the Guarantor for the purposes of Section 8.10 of the General Conditions.

Section 2.03. Without limitation or restriction upon the provisions of Section 2.01 of this Agreement, the Guarantor specifically undertakes whenever there is reasonable cause to believe that the funds available to the Borrower will be inadequate to meet the estimated expenditures required for the carrying out of the Project, to make arrangements, satisfactory to the Bank, promptly to provide the Borrower or cause the Borrower to be provided with such funds as are needed to meet such expenditures.

Article III

OTHER COVENANTS

Section 3.01. (a) It is the mutual intention of the Guarantor and the Bank that no other external debt shall enjoy any priority over the Loan or the Bonds by way of a lien on governmental assets.

(b) To that end the Guarantor (i) represents that at the date of this Agreement no lien exists on any governmental assets as security for any external debt except as otherwise disclosed in writing by the Guarantor to the Bank, and (ii) undertakes that if any such lien shall be created, it will *ipso facto* equally and ratably secure the payment of the principal of, and interest and other charges on, the Loan and the Bonds and in the creation of any such lien express provision will be made to that effect. The Guarantor shall promptly inform the Bank of the creation of any such lien.

(c) The foregoing representation and undertaking shall not apply to :

(i) any lien created on property, at the time of purchase thereof, solely as security for payment of the purchase price of such property; and (ii) any lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after its date.

As used in this Section, the term "governmental assets" means : (i) assets of the Guarantor; (ii) assets of any statutory authority of the Guarantor, including assets of any state or any political subdivision of the Guarantor; (iii) assets of the Bank Negara Malaysia or any institution performing the functions of a central bank for the Guarantor, and (iv) any right, interest or share of the Guarantor in the Currency Fund and Currency Surplus Fund administered under the Malaya British Borneo Currency Agreement.

Section 3.02. Through December 31, 1976 the Guarantor shall not demand any payment under any Government Loan. The Guarantor shall conclude with the Borrower an agreement acceptable to the Bank which shall specify the terms and conditions under which after said date principal of and interest on the Government Loans shall be due and payable to the Guarantor and, except as the Bank and the Borrower shall otherwise agree, the Guarantor shall not demand payment under any Government Loan which would be contrary to any provisions of such agreement.

Article IV

CONSULTATION AND INFORMATION

Section 4.01. The Guarantor and the Bank shall cooperate fully to assure that the purposes of the Loan will be accomplished. To that end the Guarantor and the Bank shall from time to time, at the request of either party : (i) exchange views through their representatives with regard to the performance of their respective obligations under the Guarantee Agreement and other matters relating to the purposes of the Loan; and (ii) furnish to the other all such information as it shall reasonably request with regard to the general status of the Loan. On the part of the Guarantor, such information shall include information with respect to financial and economic conditions in the territories of the Guarantor, including its balance of payments, and the external debt of the Guarantor, of any of its political subdivisions and of any agency of the Guarantor or of any such political subdivision.

Section 4.02. (a) The Guarantor shall promptly inform the Bank of any condition which interferes with, or threatens to interfere with, the accomplishment of the purposes of the Loan or the maintenance of the service thereof.

(b) The Guarantor shall afford all reasonable opportunity for accredited representatives of the Bank to visit any part of the territories of the Guarantor for purposes related to the Loan.

Article V

TAXES AND RESTRICTIONS

Section 5.01. The principal of, and interest and other charges on, the Loan and the Bonds shall be paid without deduction for, and free from, any taxes imposed under the laws of the Guarantor or laws in effect in its territories; provided, however, that the foregoing shall not apply to taxation of payments under any Bond to a holder thereof other than the Bank when such Bond is beneficially owned by an individual or corporate resident of the Guarantor.

Section 5.02. The Guarantee Agreement, the Loan Agreement, any instrument made pursuant to Section 3.01 of this Agreement and the Bonds shall be free from any taxes that shall be imposed under the laws of the Guarantor or laws in effect in its territories on or in connection with the execution, issue, delivery or registration thereof and the Guarantor shall, in respect of any instrument made pursuant to such Section 3.01, pay all such taxes, if any, imposed under the laws of any other country or countries.
