The Government of Denmark and the Government of Ghana, desiring to strengthen the traditional co-operation and cordial relations between their countries, have agreed that, as a contribution to the economic development of Ghana, a Danish Government Loan will be extended to Ghana in accordance with the following provisions of this Agreement and the attached Annexes, which are considered an integral part of the Agreement :

Article I

THE LOAN

The Government of Denmark (hereinafter called the Lender) will make available to the Government of Ghana (hereinafter called the Borrower) a Loan in an amount of 25 (twenty-five) million Danish Kroner for the purposes described in Article VI of this Agreement.

Article II

LOAN ACCOUNT

Section 1. An account designated " Government of Ghana Loan Account No. 2 " (hereinafter called " Loan Account ") will, at the Borrower's request, be opened with Danmarks Nationalbank (acting as agent for the Lender) in favour of the Bank of Ghana (acting as agent for the Borrower). The Lender will ensure that sufficient funds are always available in the Loan Account to enable the Borrower to effect punctual payment for capital goods and services procured within the amount of the Loan.

Section 2. The Borrower (or the Bank of Ghana) shall be entitled, subject to the provisions of this Agreement, to withdraw from the Loan Account amounts needed for payment of capital goods or services procured under the Loan.

¹ Came into force on 23 December 1971 by signature, in accordance with article X (1).

Article III

RATE OF INTEREST

The Loan will be free of interest.

Article IV

REPAYMENTS

Section 1. The Borrower will repay the Loan in thirty-five semi-annual instalments of 700,000 Danish Kroner each, commencing on April 1, 1979 and ending on April 1, 1996, and one final instalment of 500,000 Danish Kroner on October 1, 1996.

Section 2. If the Loan is not fully utilized in accordance with the provisions of Article VI, Section 8, a revised schedule of repayment shall be established by mutual consent.

Article V

PLACE OF PAYMENT

The Loan shall be repaid by the Borrower in convertible Danish Kroner to Danmarks Nationalbank to the credit of the current account of the Ministry of Finance with Danmarks Nationalbank.

Article VI

USE OF THE LOAN

Section 1. The Borrower will use the Loan to finance imports from Denmark (including costs of transport and insurance from Denmark to Ghana) of such Danish capital goods as are to be used for identifiable projects and are needed for the economic development of Ghana. An indicative list of such goods is contained in Annex II.

Section 2. The Loan may also be used to pay for Danish services required for the implementation of development projects in Ghana including, in particular, pre-investment studies, preparation of projects, provision of consultants during the implementation of projects, assembly or construction of plants or buildings and technical and administrative assistance during the initial period of undertakings established by means of the Loan.

Section 3. All contracts to be financed under the Loan shall be subject to approval by the Borrower and the Lender.

Section 4. The approval by the Lender of a contract for financing under the Loan shall not imply any responsibility for the proper performance of such contracts.

The Lender also disclaims responsibility for the efficient use of supplies and services financed under the Loan and for the proper operation of the projects, etc., to which such supplies have been made and such services have been rendered.

Section 5. A contract under the Loan shall contain no clauses involving any special credit facilities from the Danish party to the contract.

Section 6. The proceeds of the Loan may be used only for payment of capital goods and services contracted for after the entry into force of the Agreement, unless otherwise agreed by the Borrower and the Lender.

Section 7. The proceeds of the Loan shall not be used for payment to the Borrower of any import duty, tax, national or other public charge such as import surcharges, duties to compensate for domestic excise taxes, charges or deposits in connection with the issuance of payments licences or import licences.

Section 8. The Borrower may draw against the Loan account in fulfilment of contracts approved by the Parties for up to three years after the entry into force of the Agreement or such other date as may be mutually agreed by the Borrower and the Lender.

Article VII

NON-DISCRIMINATION

Section 1. In regard to the repayment of the Loan the Borrower undertakes to give the Lender no less favourable treatment than that accorded to other foreign creditors.

Section 2. All shipments of capital goods covered by this Agreement shall be in keeping with the principle of free circulation of ships in international trade in free and fair competition.

Article VIII

MISCELLANEOUS PROVISIONS

Section 1. Prior to the first drawing against the account referred to in Article II the Borrower will satisfy the Lender that all constitutional and other requirements laid down by statute in the Borrower's home country have been met, so that the Loan Agreement will constitute an obligation binding on the Borrower.

Section 2. The Borrower shall inform the Lender of any persons who are authorised to act on its behalf, and supply authenticated specimen signatures of all such persons.

Section 3. Any notices, requests or agreements under this Agreement shall be in writing.

Article IX

PARTICULAR COVENANTS

The Loan shall be repaid without deduction for, and free from, any taxes and charges, and free from all restrictions imposed under the laws of the Borrower. This Agreement shall be free from any present and future taxes imposed under existing or future laws of the Borrower in connection with the issue, execution, registration, entry into force of the Agreement, or otherwise.

I

ROYAL DANISH EMBASSY

Accra, 23rd December, 1971

Honourable Minister,

With reference to the Agreement of to-day's date between the Government of Denmark and the Government of Ghana I have the honour to propose that the following provisions shall govern the implementation of Article VI of the Agreement.

Payment out of the Loan Account shall be effected in the following manner :

(1) The Danish exporter or consultant and the Ghanaian importer or prospective investor shall negotiate a contract, subject to the final approval of the Ghanaian and the Danish authorities. No contract below 200,000 Danish Kroner, except for utilization of any final balance below that amount, shall be eligible for financing under the Agreement.

(2) The Government of Ghana will make available to the Danish Ministry of Foreign Affairs copies of the contracts to be concluded under this Agreement. The latter will ascertain, inter alia, that

- (a) the commodities or services contracted for fall within the framework of the Agreement;
- (b) the capital equipment involved has been manufactured in Denmark, or the services to be rendered will be performed by persons carrying on business in Denmark,

and inform the Government of Ghana of its findings.

(3) When the contracts have been approved, the Government of Ghana may draw on the Loan Account to effect payment of the consignment referred to in the contract. Payments out of this account to Danish exporters or consultants shall be subject to presentation of the necessary documents when Denmark's Nationalbank has ascertained that the conditions for effecting such payments have otherwise been complied with.

If the foregoing provisions are acceptable to the Government of Ghana, I have the honour to suggest that this letter and Your reply to it constitute an agreement between our two Governments on this matter.

Please accept, Honourable Minister, the assurance of my highest consideration.
