WHEREAS (A) by the Loan Agreement of even date herewith² between the Bank and Sewage Board of Nicosia (hereinafter called the Borrower) the Bank has agreed to make to the Borrower a loan in various currencies equivalent to three million five hundred thousand dollars (\$3,500,000), on the terms and conditions set forth in the Loan Agreement, but only on condition that the Guarantor agree to guarantee the obligations of the Borrower in respect of such loan as hereinafter provided;

(B) The Guarantor intends to make a loan to the Borrower in an amount equivalent to \$480,000 to assist in financing the Project;

(C) The Guarantor intends to underwrite issues of bonds by the Borrower in Cyprus in an aggregate principal amount equivalent to \$4,080,000, and to guarantee repayment of such bonds, the proceeds of which issues will be utilized by the Borrower to assist in financing the Project;

WHEREAS the Guarantor, in consideration of the Bank's entering into the Loan Agreement with the Borrower, has agreed so to guarantee such obligations of the Borrower;

NOW THEREFORE the parties hereto hereby agree as follows:

Article I. GENERAL CONDITIONS; DEFINITIONS

Section 1.01. The parties to this Agreement accept all the provisions of the General Conditions Applicable to Loan and Guarantee Agreements of the Bank dated January 31, 1969,³ with the same force and effect as if they were fully set forth herein, subject, however, to the modification thereof set forth in Section 1.01 of the Loan Agreement (said General Conditions Applicable to Loan and Guarantee Agreements, as so modified, being hereinafter called the General Conditions).

Section 1.02. Wherever used in this Agreement, unless the context otherwise requires, the several terms defined in the General Conditions and in Section 1.02 of the Loan Agreement have the respective meanings therein set forth.

Section 2.01. Without limitation or restriction upon any of its other obligations under the Guarantee Agreement, the Guarantor hereby unconditionally guarantees, as primary obligor and not as surety merely, the due and punctual

payment of the principal of, and interest and other charges on, the Loan and the Bonds, and the premium, if any, on the prepayment of the Loan or the redemption of the Bonds prior to their maturity, all as set forth in the Loan Agreement and in the Bonds.

Section 2.02. The Guarantor shall endorse, in accordance with the provisions of the General Conditions, its guarantee on the Bonds to be executed and delivered by the Borrower. The Minister of Finance of the Guarantor and such other person or persons as he shall appoint in writing are designated as authorized representatives of the Guarantor for the purposes of Section 8.10 of the General Conditions.

Section 2.03. Without limitation or restriction upon the provisions of Section 2.01 of this Agreement, the Guarantor specifically undertakes, whenever there is reasonable cause to believe that the funds available to the Borrower will be inadequate to meet the estimated expenditures required for the carrying out of the Project, to make arrangements, satisfactory to the Bank, promptly to provide the Borrower or cause the Borrower to be provided with such funds as are needed to meet such expenditures.

Article III. OTHER COVENANTS

Section 3.01. (a) It is the mutual intention of the Guarantor and the Bank that no other external debt shall enjoy any priority over the Loan or the Bonds by way of a lien on governmental assets.

(b) To that end the Guarantor (i) represents that at the date of this Agreement no lien exists on any governmental assets as security for any external debt, and (ii) undertakes that if any such lien shall be created, it will *ipso facto* equally and ratably secure the payment of the principal of, and interest and other charges on, the Loan and the Bonds and in the creation of any such lien express provision will be made to that effect. The Guarantor shall promptly inform the Bank of the creation of any such lien.

(c) The foregoing representation and undertaking shall not apply to: (i) any lien created on property, at the time of purchase thereof, solely as security for payment of the purchase price of such property; and (ii) any lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after its date.

As used in this Section, the term "governmental assets" means assets of the Guarantor, of any of its political subdivisions, of any agency of the Guarantor or of any such political subdivision, and assets of the Central Bank of Cyprus or any institution performing the functions of a central bank for the Guarantor.

Section 3.02. The Guarantor shall commence, within twelve months after the treatment plant included in the Project shall have become operational, a study under terms of reference acceptable to the Bank, on the use and value of treated waste water for the purpose of irrigation and groundwater recharge.

Section 3.03. The Guarantor covenants that it will not take, or cause or permit any of its political subdivisions or any of its agencies or any agency of any such political subdivisions or the Central Bank of Cyprus to take, any action which would prevent or interfere with the performance by the Borrower of its obligations contained in the Loan Agreement and will take or cause to be taken all reasonable action necessary or appropriate to enable the Borrower to perform such obligations.

Section 3.04. The Guarantor shall take all such action as will be necessary to enable the Borrower to establish and maintain charges and assessments for sewerage services which will provide revenues sufficient to meet the requirements of Section 5.04 of the Loan Agreement.

Article IV. CONSULTATION AND INFORMATION

Section 4.01. The Guarantor and the Bank shall cooperate fully to assure that the purposes of the Loan will be accomplished. To that end the Guarantor and the Bank shall from time to time, at the request of either party: (i) exchange views through their representatives with regard to the performance of their respective obligations under the Guarantee Agreement and other matters relating to the purposes of the Loan; and (ii) furnish to the other all such information as it shall reasonably request with regard to the general status of the Loan. On the part of the Guarantor, such information shall include information with respect to financial and economic conditions in the territories of the Guarantor, including its balance of payments, and the external debt of the Guarantor, of any of its political subdivisions and of any agency of the Guarantor or of any such political subdivision.

Section 4.02. (a) The Guarantor shall promptly inform the Bank of any condition which interferes with, or threatens to interfere with, the accomplishment of the purposes of the Loan or the maintenance of the service thereof.

(b) The Guarantor shall afford all reasonable opportunity for accredited representatives of the Bank to visit any part of the territories of the Guarantor for purposes related to the Loan.

Article V. TAXES AND RESTRICTIONS

Section 5.01. The principal of, and interest and other charges on, the Loan and the Bonds shall be paid without deduction for, and free from, any taxes imposed under the laws of the Guarantor or laws in effect in its territories; provided, however, that the foregoing shall not apply to taxation of payments under any Bond to a holder thereof other than the Bank when such Bond is beneficially owned by an individual or corporate resident of the Guarantor.

Section 5.02. The Guarantee Agreement, the Loan Agreement and the Bonds shall be free from any taxes that shall be imposed under the laws of the Guarantor or laws in effect in its territories on or in connection with the execution, issue, delivery or registration thereof.
