Sevin	ditto	approx. 30 tons
M. Parathion	ditto	approx. 105 tons

The specifications of the above mentioned pesticides will be as per specifications of the Ministry of Agriculture, Government of Bangladesh.

III. The consignment of hand sprayers will consist of sprayers standardized for use in Bangladesh or sprayers which will be acceptable to the Ministry of Agriculture, Government of Bangladesh.

IV. The Danish International Development Agency, Copenhagen, will purchase the above mentioned pesticides and sprayers and deliver the same c.i.f. at Chittagong or Chalna port. The consignment will be addressed to :

Bangladesh Agricultural Development Corporation

At least one month prior to the arrival of the goods the Danish International Development Agency will forward to the Bangladesh Agricultural Development Corporation the consignment note and the shipping bill.

V. The Bangladesh Agricultural Development Corporation acting on behalf of the Government of the People's Republic of Bangladesh will undertake all expenses involved in the clearing of the goods and their transport inside Bangladesh. It will also make arrangements for the prompt distribution and delivery of the goods.

<sup>1</sup> Came into force on 18 July 1972 by the exchange of the said letters.

VI. At the completion of the distribution the Ministry of Agriculture, Government of Bangladesh, will send to the Danish International Development Agency a report on the distribution of the pesticides and the sprayers.

If the foregoing provisions are acceptable to the Government of the People's Republic of Bangladesh, I have the honour to suggest that this letter and Your reply to it constitute an agreement between our two Governments on this matter.

Please accept, Sir, the assurance of my highest consideration.
